We Used to Talk about Love Natasha Bullock, 2013 From a conversation between four friends, to couples embracing, to a star-gazing young man crumbling before your eyes, *We Used to Talk About Love* contemplates the diverse terrain of love - joy and elation, sex and flesh, desire and rejection, crushing endings, melancholia and memory, nostalgia and loss. Exhibition at AGNSW, 31 January - April 2013.

This Game Has No Loyalty III - Love is Pain June, 2014-06-19 June is the published author of, *This Game Has No Loyalty*, an urban street fiction novel depicting real life on the streets and the love relationships within those parameters. His love of writing was first discovered in public school where he dazzled teachers with his creative short stories and intriguing poems. His writing was officially acknowledged locally when one of his stories was featured in his class yearbook. As June reached his teenage years, he abandoned his love of writing for the dangerous life on the streets of Brooklyn. Although he was educated, the excitement of the street life interested him and he quickly took part in petty crimes, which soon elevated into the introduction to the infamous drug trade where he became a major distributor of illegal drugs out of state. During his illicit activities he was apprehended and convicted then later incarcerated. Once released on parole, he reclaimed his spot in the drug trade and continued trafficking illegal drugs, the threat of violating parole a fleeting thought. His youth and inexperience in life fueled his desire for illegal tender without the thought or regret of contributing to the destruction of his community. As time passed all of his relationships, social, personal and romantic, became strained due to the nature of his business. His life lacked stability despite the illusion of financial comfort. He was responsible for himself so there was never any balance in his life until the birth of his first daughter, who changed the way he viewed life...her life. June decided to make changes in his life and immediately enrolled into college where he rediscovered his love of writing, showcasing his literary abilities that were recognized by his English professors. While pursuing his degree, tragedy struck and one of his closest friends was brutally murdered. Overcome by anger and revenge he channeled his emotions into something that came to him naturally, he wrote the story. It didn't heal the wound to his heart but was therapeutic in helping him express feelings no one knew about. The story was buried along with his feelings for 10 years until one day he came across it after coming from a funeral for yet another fallen youth to the same game he had given up. At that moment he decided to write a story, a true to life account of what happens in the streets with hopes of reaching the youth by delivering vivid accounts of the pitfalls

of the street life that is not taught to them and at the same time, promote literacy in these communities because it's the gateway to learning and sparking mental creativity. June began penning his novel *This Game Has No Loyalty* and incorporated his own experiences into his writing to produce the "realness" his story needed to capture his audience. June followed up with *This Game Has No Loyalty II - Hustle for Life*, *This Game Has No Loyalty III - Love is Pain* then showcased his writing skills by penning *Victimized - Buchanan's Secret* which is an urban suspense/thriller. June is also the CEO of FourShadough Publishing where all his titles are published. He has a host of ebook short stories available for download and is currently working on the release of his first author who happens to be his daughter, Harmony Miller and her debut young adult fiction story titled, *Lil Mz. Understood* on April 4, 2014. June has also signed with the famed dynamic duo and New York Times Bestselling authors Ashley & JaQuavis' new publishing company O.W.L. - Official Writer's League who will be releasing an anthology featuring all authors on the roster titled *Kiss The Ring* then his novel will be released mid 2014 titled - *International Regime*.

What We Talk About When We Talk About Love Raymond Carver, 2015-05-25 The most celebrated story collection from "one of the true American masters" (The New York Review of Books)—a haunting meditation on love, loss, and companionship, and finding one's way through the dark that includes the iconic and much-referenced title story featured in the Academy Award-winning film *Birdman*. Raymond Carver's America is ... clouded by pain and the loss of dreams, but it is not as fragile as it looks. It is a place of survivors and a place of stories.... [Carver] has done what many of the most gifted writers fail to do: He has invented a country of his own, like no other except that very world, as Wordsworth said, which is the world to all of us. —The New York Times Book Review

Love's Seasons & Blossoms, Love's Fall & Leaves Andrew Patton, 2013-04-29 Within these pages are nothing more than my true experiences of love, chases, pursuits, crushes, and fallings. A small little pinch of poems and romantic sayings, ramblings, texts, and notes given, unappreciated, and innocent from a guy who is still currently looking for true love. Love blossoms so beautifully, the seasons the two of you share pass, and memories, trust and feelings should be invested upon, bonded and adhered, but sometimes those seasons pass and some new strange cold winds blow, sweeping whatever love you had...away. Love makes you fall for someone, like a leaf hewing down in slices, sure the swipes can keep it in the air, light and happy, but eventually, sometimes, that leaf hits the ground, and it leaves, love leaves sometimes.

The Power of the God Who Can't Russ Dean, 2023-10-31 In a world that values power above all else, we need to rethink God. It's not just better athletes and bigger engines, but weapons of mass destruction, assault rifles, lethal drugs. Our obsession with stronger, faster, more and bigger everything is killing us--and at the top of this power pyramid an all-powerful God validates it all. For those who want a theology justifying the power game in all its forms, omnipotence is the perfect pretext, but for a growing segment of our modern, scientific world, the notion of an all-controlling deity sounds increasingly

superstitious, tribalistic. People of faith must do better. Our world needs a God whose nature is love, not all-controlling power. That God, the God who can't, is even more powerful. The survival of the world--even the future of God--may depend on us learning to say, God always does everything God can do.
