The San Francisco Trilogy Greg Alldredge, 2020-01-07 Some Monsters are Human. The only heir to the Brandywine fortune, Helena grew up with nothing to want for: Except parents. For the past ten years, everyone contended, they were dead. Helena had no reason to doubt the General, her stepfather. On the eve of her eighteenth birthday, seemingly unrelated events pull the young woman from the safety of her gilded cage and haul her into the filthy streets of a magical 1899 San Francisco. Everything she believes about her world proves false. While battling unseen forces, Helena must uncover the deceptions and find a way to save her parents if they still live. Anything to learn the truth. Will Helena even make it out of her hometown alive? Read The San Francisco Trilogy; the first three books in the Helena Brandywine series to find out.

Soul Sacrifice Ruby S. Garnett, 2011-11-18 A shockingly true account of a woman living part of her teenage years and young adulthood as a Muslim wife and eventually became part of a 'Harem' inside of one of the most influential underground cults in the United States. Assuming the pen name of Ruby Garnett at the request of her family, the author recounts the circumstances that led her to eventually be enticed by the religious extremist dogma of one of the most charismatic, influential underground cult leaders Black America has seen since the likes of Father Divine... Garnett has a candidly-intimate conversation with the reader about her state of mind from beginning to end. She wrote Soul Sacrifice for the children that came forward to let someone know about the sexual abuse they suffered at the hands of Nuwabian cult leader Malachi York. Despite the threats, harrassment and lack of support (from some of their own brainwashed parents), these brave survivors of abuse are the reason this story needs to be heard...

Things We Never Got Over Lucy Score, 2022-07-12 THE NEW YORK TIMES BESTSELLER* THE UNMISSABLE TIKTOK SENSATION* OVER 1.6 MILLION COPIES SOLD WORLDWIDE Grumpy, small-town barber + hopelessly romantic runaway bride = great big bust ups, all the tension and lots of steamy encounters! Escaping her seemingly perfect wedding, Naomi Witt arrives in rough-around-the-edges Knockemout, Virginia, running to the rescue of her estranged twin, Tina. Too bad for Naomi her evil twin hasn't changed at all. After helping herself to Naomi's car and cash, Tina leaves her with something unexpected: the 11-year-old niece she didn't know she had. Now she's stuck in town with no job, no plan, no home and a whole lot of extra responsibility. There's a reason local barber Knox doesn't do complications or high-maintenance women, especially not the romantic ones. But since Naomi's life imploded right in front of him, the least he can do is help her out of her jam. And just as soon as she stops getting into trouble, he can leave her alone and get back to his peaceful, solitary life. After the Rain Erin Akey, 2009-12 This book details the journey of one family's survival after one of the most devastating

and destructive natural disasters in this country's history. Erin Akey, her three sons aged 13, 9, and 5, and her mother set out to seek safety as Hurricane Katrina approached their home in Bay St. Louis, Mississippi. Erin was a divorced, single mother who had to find a way for her family to survive as they fled the storm, found out that all that was left of their home and possessions was the slab of concrete and nothing else. She had to learn how to navigate the governmental bureaucracies to get help for them to survive, followed by her home insurance company trying any and everything to avoid honoring their commitment to their policyholders, and securing a safe place for them to live during these trying times. The reader is caught up in her trials and tribulations as they journey with her in her efforts to resolve the seemingly insurmountable obstacles she faced. However, this is not just a story of desperation but also of conquest. Despite the misery and heartache, Erin's story has a wonderful and exciting conclusion and the anticipation of a wonderful future filled with happiness and service to those who find themselves in circumstances similar to those she and her family faced. It is a story of courage in the face of adversity, faith, and the willingness to accept the good things God gives us, thank Him, and go forward, in His name, to help others.

The Critical Turn in Tourism Studies Irena Ateljevic, Annette Pritchard, Nigel Morgan, 2007-03-15 New approaches to tourism study demonstrate a notable 'critical turn' - a shift in thought that emphasises interpretative and critical modes of tourism inquiry. The chapters in this volume reflect this emerging critical school of tourism studies and represent a coordinated effort of tourism scholars whose work engages innovative research methodologies. Since such work has been dispersed across a variety of tourism-related and other research fields, this book responds to a pressing need to consolidate recent advances in a single text. Adopting a broad definition of 'criticality', the contributors seek to find 'fresh' ways of theorising tourism by locating the phenomenon in its wider political, economic, cultural and social contexts. The collection addresses the power relations underpinning the production of academic knowledge; presents a range of qualitative data collection methods which confront the field's dominant (post)positivist approaches; foregrounds the emotional dynamics of research relations and explores the personal, the political and the situated nature of research journeys. The book has been divided into two parts, with the essays in the first part establishing a context-specific framework for engaging philosophical and theoretical debates in contemporary tourism enquiry. The second set of essays then present, discuss and critique specific methodologies, research techniques, methods of interpretation and writing strategies, all of which are in some sense illustrative of 'critical' tourism research. Contributors range from postgraduate students to established academics and are drawn from both the geopolitical margins and the 'powerbases' of the tourism academy. Their various relationships with the English-speaking academy thus range from relative 'outsider' to well-positioned 'insider' and as a result, their essays are reflective of a range of locations within the complexly spun web of academic power relations and social divisions.
