But when American doctor Julia Gallo is kidnapped in Afghanistan, the terms of her ransom leave the president with only one course of action. Every politician has a secret. And when the daughter of a politically connected family is kidnapped abroad, America's new president will agree to anything—even a deadly and ill-advised rescue plan—in order to keep his secret hidden. But when covert counterterrorism operative Scot Harvath is assigned to infiltrate one of the world's most notorious prisons and free the man the kidnappers demand as ransom, he quickly learns that there is much more to the operation than anyone dares to admit.
