Joss Whedon as Shakespearean Moralist J. Douglas Rabb, J. Michael Richardson, 2014-12-04 Drawing on the works of Shakespeare and American screenwriter Joss Whedon, this study in narrative ethics contends that Whedon is the Shakespeare of our time. The Bard wrote before the influence of the modern moral philosophers, while Whedon is writing in the postmodern period. It is argued that Whedon's work is more in harmony with the early modern values of Shakespeare than with modern ethics, which trace their origin to 17th and 18th century moral philosophy. This study includes a detailed discussion of representative works of Shakespeare and Whedon, showing how they can and should be read as forms of narrative ethics.

The Marvel Studios Phenomenon Martin Flanagan, Andrew Livingstone, Mike McKenny, 2017-12-28 Marvel Studios has provided some of the biggest worldwide cinematic hits of the last eight years, from Iron Man (2008) to the record-breaking The Avengers (2012), and beyond. Having announced plans to extend its production of connected texts in cinema, network and online television until at least 2028, the new aesthetic patterns brought about by Marvel's 'shared' media universe demand analysis and understanding. The Marvel Studios Phenomenon evaluates the studio's identity, as well as its status within the structures of parent Disney. In a new set of readings of key texts such as Captain America: The Winter Soldier, Guardians of the Galaxy and Agents of S.H.I.E.L.D., the thematics of superhero fiction and the role of fandom are considered. The authors identify milestones from Marvel's complex and controversial business history, allowing us to appraise its industrial status: from a comic publisher keen to exploit its intellectual property, to an independent producer, to successful subsidiary of a vast entertainment empire.

Shakespearean Celebrity in the Digital Age Anna Blackwell, 2018-08-25 This book offers a timely examination of the relationship between Shakespeare and contemporary digital media. By focusing upon a variety of 'Shakespearean' individuals, groups and communities and their 'online' presence, the book explores the role of popular internet culture in the ongoing adaptation of Shakespeare's plays and his general cultural standing. The description of certain performers as 'Shakespearean' is a ubiquitous but often throwaway assessment. However, a study of 'Shakespearean' actors within a broader cultural context reveals much, not only about the mutable face of British culture (popular and 'highbrow') but also about national identity and commerce. These performers share an online space with the other major focus of the book: the

fans and digital content creators whose engagement with the Shakespearean marks them out as more than just audiences and consumers; they become producers and critics. Ultimately, Digital Shakespeareans moves beyond the theatrical history focus of related works to consider the role of digital culture and technology in shaping Shakespeare's contemporary adaptive legacy and the means by which we engage with it.

Phase One: Marvel's The Avengers Alex Irvine, 2015-03-03 Gathered together by S.H.I.E.L.D, Captain America, Iron Man, The Incredible Hulk, Thor, Black Widow and Hawkeye must protect the world from ultimate destruction. Join the action as these Super Heroes battle against Loki and his army for the fate of mankind as told in Marvel's The Avengers. Re-live all of The Avengers' individual stories before they reassemble in Marvel's Avengers: Age of Ultron.

Hollywood Heroes Frank Turek, Zach Turek, 2022-05-03 Captain America assembles the Avengers. Iron Man battles Thanos. Luke Skywalker duels Darth Vader. Aragorn charges Mordor. Batman confronts the Joker. Superman destroys Doomsday. Wonder Woman defeats Ares. We are captivated. Why? We are entranced by stories that take us to a world where heroes fight evil and sacrifice themselves for a greater good because we long for our world to be free from pain, suffering, and struggle. That's the real hope and promise of Jesus—when He returns to set things right. In *Hollywood Heroes*, you'll see how: Your favorite movie heroes are patterned after the Ultimate Hero—Jesus of Nazareth. Big screen stories parallel the real-world fight between good and evil. Movies and characters can impart inspiring biblical life lessons on justice, purpose, courage, strength, sacrifice, faith, and love. *Hollywood Heroes* begins with the true story of a US Navy SEAL who faced evil and sacrificed himself to save his teammates. Authors Frank and Zach Turek then use Spider-Man's origin story to address the question: "Why would a good God allow evil?" You'll then read how seven movie franchises—Captain America, Iron Man, Harry Potter, Star Wars, The Lord of the Rings, Batman, and Wonder Woman—portray the battle against evil, providing a set of modern-day parables that reveal truths about God and His mission for us.

Avengers Assemble! Terence McSweeney, 2018-03-27 We are living in the age of the superhero and we cannot deny it. *Avengers Assemble!* is a vibrant and theoretically informed interrogation of one of the defining and most financially successful film franchises of the new millennium. In the first single-authored monograph on the topic of the Marvel cinematic universe, Terence McSweeney asks, Why has the superhero genre reemerged so emphatically in recent years? In an age where people have stopped going to the cinema as frequently as they used to, they returned to it in droves for the superhero film. What is it about these films that has resonated with audiences all around the globe? Are they just disposable pop culture artifacts or might they have something interesting to say about the fears and anxieties of the world we live in today? Beginning with Iron Man in 2008, this study provocatively explores both the cinematic and the televisual branches of the series across ten dynamic and original chapters from a diverse range of critical perspectives which analyse their status as an embodiment of the changing industrial practices of the blockbuster film and their symbolic potency as affective cultural

artifacts that are profoundly immersed in the turbulent political climate of their era.

The Top Books of the Year Does Mother Know You Weareth The year 2023 has witnessed a remarkable surge in literary brilliance, with numerous compelling novels enthralling the hearts of readers worldwide. Lets delve into the realm of bestselling books, exploring the engaging narratives that have enthralled audiences this year. The Must-Read : Colleen Hoover's "It Ends with Us" This heartfelt tale of love, loss, and resilience has gripped readers with its raw and emotional exploration of domestic abuse. Hoover masterfully weaves a story of hope and healing, reminding us that even in the darkest of times, the human spirit can succeed. Does Mother Know You Weareth : Taylor Jenkins Reids "The Seven Husbands of Evelyn Hugo" This spellbinding historical fiction novel unravels the life of Evelyn Hugo, a Hollywood icon who defies expectations and societal norms to pursue her dreams. Reids captivating storytelling and compelling characters transport readers to a bygone era, immersing them in a world of glamour, ambition, and self-discovery. Does Mother Know You Weareth : Delia Owens "Where the Crawdads Sing" This captivating coming-of-age story follows Kya Clark, a young woman who grows up alone in the marshes of North Carolina. Owens crafts a tale of resilience, survival, and the transformative

power of nature, captivating readers with its evocative prose and mesmerizing setting. These popular novels represent just a fraction of the literary treasures that have emerged in 2023. Whether you seek tales of romance, adventure, or personal growth, the world of literature offers an abundance of captivating stories waiting to be discovered. The novel begins with Richard Papen, a bright but troubled young man, arriving at Hampden College. Richard is immediately drawn to the group of students who call themselves the Classics Club. The club is led by Henry Winter, a brilliant and charismatic young man. Henry is obsessed with Greek mythology and philosophy, and he quickly draws Richard into his world. The other members of the Classics Club are equally as fascinating. Bunny Corcoran is a wealthy and spoiled young man who is always looking for a good time. Charles Tavis is a quiet and reserved young man who is deeply in love with Henry. Camilla Macaulay is a beautiful and intelligent young woman who is drawn to the power and danger of the Classics Club. The students are all deeply in love with Morrow, and they are willing to do anything to please him. Morrow is a complex and mysterious figure, and he seems to be manipulating the students for his own purposes. As the students become more involved with Morrow, they begin to commit increasingly dangerous acts. The Secret History is an exceptional and suspenseful novel that will keep you guessing until the very end. The novel is a cautionary tale about the dangers of obsession and the power of evil.
