In the Time of the Butterflies Julia Alvarez, 2010-01-12 Celebrating its 30th anniversary in 2024, internationally bestselling author and literary icon Julia Alvarez's *In the Time of the Butterflies* is beautiful, heartbreaking and alive ... a lyrical work of historical fiction based on the story of the Mirabal sisters, revolutionary heroes who had opposed and fought against Trujillo. (Concepción de León, New York Times) Don't miss Alvarez's new novel, *The Cemetery of Untold Stories*, available now! It is November 25, 1960, and three beautiful sisters have been found near their wrecked Jeep at the bottom of a 150-foot cliff on the north coast of the Dominican Republic. The official state newspaper reports their deaths as accidental. It does not mention that a fourth sister lives. Nor does it explain that the sisters were among the leading opponents of Gen. Rafael Leónidas Trujillo's dictatorship. It doesn't have to. Everybody knows of Las Mariposas—the Butterflies. In this extraordinary novel, the voices of all four sisters--Minerva, Patria, María Teresa, and the survivor, Dedé--speak across the decades to tell their own stories, from secret crushes to gunrunning, and to describe the everyday horrors of life under Trujillo's rule. Through the art and magic of Julia Alvarez's imagination, the martyred Butterflies live again in this novel of courage and love, and the human costs of political oppression. Alvarez helped blaze the trail for Latina authors to break into the literary mainstream, with novels like *In the Time of the Butterflies* and *How the García Girls Lost Their Accents* winning praise from critics and gracing best-seller lists across the Americas.—Francisco Cantú, *The New York Times Book Review* This Julia Alvarez classic is a must-read for anyone of Latinx descent. —Popsugar.com A gorgeous and sensitive novel . . . A compelling story of courage, patriotism and familial devotion. —People Shimmering . . . Valuable and necessary. —Los Angeles Times A magnificent treasure for all cultures and all time.” —St. Petersburg Times Alvarez does a remarkable job illustrating the ruinous effect the 30-year dictatorship had on the Dominican Republic and the very real human cost it entailed.—Cosmopolitan.com

In the Time of Butterflies Julia Alvarez, 1995-08-01 On a deserted mountain road in the Dominican Republic in 1960, three young women from a pious Catholic family were assassinated after visiting their husbands who had been jailed as suspected rebel leaders. The Mirabal sisters, thus martyred, became mythical figures in their country, where they are known as Las Mariposas (the butterflies). Three decades later, Julia Alvarez, daughter of the Dominican Republic and author of the acclaimed *How the Garcia Girls Lost Their Accents*, brings the Mirabal sisters back to life in this extraordinary novel. Each of the sisters speaks in her own voice; beginning as young girls in the 1940s, their stories vary from hair ribbons to gun-running to prison torture. Their story is framed by their surviving sister who tells her own tale of suffering and dedication to the memory of Las Mariposas. This inspired portrait of four women is a haunting statement about the human cost of political oppression, and is destined to take its place alongside Garcia Marquez's *One Hundred Years of Solitude* and Allende's *The House of the Spirits* as one of the great 20th-century Latin American novels.

The Scandal of Holiness Jessica Hooten Wilson, 2022-03-29 How do we become better people? Initiatives such as New Year's resolutions, vision boards, thirty-day plans, and self-help books often fail to compel us to live differently. We settle for small goals--frugal spending, less yelling at the kids, more time at the gym--but we are called to something far greater. We are created to be holy. Award-winning author Jessica Hooten Wilson explains that learning to hear the call of holiness requires cultivating a new imagination--one rooted in the act of reading. Learning to read with eyes attuned to the saints who populate great works of literature moves us toward holiness, where God opens up a way of living that extends far beyond what we can conjure for ourselves. Literature has the power to show us what a holy life looks like, and these depictions often scandalize even as they shape our imagination. As such, careful reading becomes a sort of countercultural spiritual discipline. The book includes devotionals, prayers, wisdom from the saints, and more to help individuals and groups cultivate a saintly imagination. Foreword by Lauren F. Winner.

Feminist Time Against Nation Time Victoria Hesford, Lisa Diedrich, 2009-12-01 *Feminist Time Against Nation Time* offers a series of essays that explore the complex and oftentimes contradictory relationship between feminism and nationalism through a problematization of temporality. Although there has been much recent discussion in the U.S. of the wars in Afghanistan and Iraq and the War on Terror as signaling a new period of permanent war, feminist voices have not been at all prominent in this discussion. This collection considers not only the ways in which public spaces for dissent are limited, but also the ways in which the time for such dissent is cut short. *Feminist Time Against Nation Time* combines philosophical examinations of *Women's Time* by Julia Kristeva and *The Time of Thought* by Elizabeth Grosz, with essays offering case studies of particular events, including Kelly Oliver's essay on the media coverage of the U.S. wars on terror and in Afghanistan and Iraq, and Betty Joseph's on the anti-colonial uses of women's time in the creation of nineteenth-century Indian nationalism. *Feminist Time Against Nation Time* juxtaposes feminist time against nation time in order to consider temporalities that are at once contrary to, but also drawing toward each other. Yet Hesford and Diedrich also argue that because, as an untimely project, feminism necessarily operates in a different temporality from that of the nation, againstness is also used to provoke a rupture, a momentary opening up of a disjuncture between the two that will allow us to explore the possibilities of creating a space and time for feminists to think against the current of the present moment.
