Enough Basta Ya Magda Vazquez MD MBA BTh, Pamela Thomas BA AATh, 2025-01-23 I'm not a writer nor a person with "special something to heal". I am just a woman who has chosen to follow Jesus and decided to commit my life to Him for the past 15 years even though I accepted Jesus over 30 years ago. During my healing process I also did a Bachelor of Theology degree (not in my plans) which was a challenge and revelation to my way of understanding. It may sound strange to you, but I happened to be a medical doctor (now retired), agnostic for many many years and whom Jesus was patient enough to wait for me to see Him for who He is. He really transformed my mind & understanding, my perspective of His character! Maybe because I'm a medical doctor and have this drive to investigate, to help people heal their bodies, I have this urge to help people heal their souls. For them to see God, Jesus, the Holy Spirit as a loving father, our counselor, our constant companion. I encourage you to come with an open mind and a willing heart, expectant of what God can do with you, for you and through you. Because after all, it's not about me or Pam. We are here as vessels to pour into you what God gave us, to point you to Jesus and give God all honor and glory.

Manual del Temperamento Tim Lahaye, 1989 ¿Se ha preguntado alguna vez cuál es su temperamento? Según el Dr. Tim LaHaye, usted no tiene uno de los cuatro temperamentos básicos, sino una de las doce combinaciones de temperamentos. Entonces, al conocer las fortalezas y las debilidades de su temperamento, entre otras cosas progresará en su trabajo y carrera, lidiará con la depresión y la ansiedad de manera positiva, mejorará sus relaciones, identificará los dones espirituales específicos que le ha dado el Señor. Aunque nunca antes haya leído acerca de la teoría del temperamento, este libro le ayudará a descubrir su potencial en el trabajo, el matrimonio y en la iglesia. Have you ever wondered what your temperament is? According to Dr. Tim LaHaye, you don't have one of the four basic temperaments, but one of twelve temperament combinations. So, by knowing the strengths and weaknesses of your temperament, among other things, you will progress in your job and career, deal with depression and anxiety in a positive way, improve your relationships, and identify the specific spiritual gifts the Lord has given you. Even if you have never read about temperament theory before, this book will help you discover your potential at work, in marriage and in the church.

The Victorious Life Roberto Tinoco, 2025-09-12 Christians have been called by God to live an abundant and victorious life here on earth; a life filled with the presence and power of God that makes a difference in this world. However, the reality is

that some Christians, far from living a victorious life, live an empty life, full of flaws and sins, and even failures. However, is that what God wants from His children? Of course not! That's not what God planned for them. He planned an abundant and happy life, one of victory, not failure. The Victorious Life aims to emphasize that failure, problems, obstacles, and attacks from the enemy should not stop, block, or even destroy the child of God; on the contrary, they are allowed so that the believer may grow and develop. From this perspective, The Victorious Life addresses the topic of spiritual failure in Christians, why they fail, and how they can be avoided or prevented. It also clearly and simply presents the struggles, trials, and temptations that believers face, as well as the attacks of the devil and the spiritual warfare they must wage. It also examines the internal feelings that believers must battle, such as bitterness, anxiety, discouragement, and fear, and how these hold them back and neutralize them. It explains what they are, why they occur, and how they can be overcome. Finally, it highlights the value of getting along with others, how to manage conflictual relationships, and how to live a happy life. The Victorious Life offers answers from the Bible, science, and theology, as well as some practical pastoral advice for overcoming these feelings and living a full and happy life.
