*Chernobyl: The Rest Of The Story* Edward A. Warman, 2021-08-10 Chernobyl: The Rest of the Story This book is intended to serve as a fact-based sourcebook on the Chernobyl disaster. It covers the accident, its causes and effects – especially the radiological consequences, including the health effects, and the international assistance to enclose the radioactive remains in a safe state. Above all else, it provides reliable information and data for both the specialist and layperson alike. Special attention is devoted to the health effects, which were dramatized in the recent made for TV miniseries 'Chernobyl', and likely dominate most people's knowledge of the disaster. A significant part addresses the fate of the 'Liquidators' who cleaned up the mess. Considerable information and data are included on what was released in the accident and what remains (what is referred to as the Fuel Containing Material) that needs to be kept safely for a very long time. It is comprised of a compendium of excerpts from cited authoritative published reports and journal articles, quoted without alteration, and brief summaries of the development and implementation of the Shelter Implementation Plan leading to the New safe Confinement. Some informed perspectives and editorial observations are included based on a quarter century personal involvement in the international community response to Chernobyl's challenges.

You Are Receiving Revelation: Now Act on It Loren G. Dalton,2023-04-17 You are receiving revelation! Since the restoration of this Church, prophets and leaders have urged us to follow the promptings of the Spirit. But what does that mean? How can we recognize these promptings and discern them from our own thoughts, worldly influences, or even false impressions from the adversary? Such difficulties have led many faithful members to doubt whether they've ever received heavenly promptings at all! If this resonates with you, know that you are not alone. In more than sixteen years as a full-time missionary or serving in a mission presidency, Loren Dalton has seen countless wonderful men and women in the Church struggle with doubts regarding their own abilities to receive promptings. Drawing from his own faith transformation and principles from modern prophets, Brother Dalton teaches us · how to recognize the Holy Spirit's voice and see His guidance in past experiences. · to beware of the second voice that comes to us immediately after the Holy Spirit's prompting. · that what we think is negative self-talk is actually one of the adversary's favorite and most dangerous tools. · what to do if a prompting doesn't make sense. · the importance of acting on even our smallest spiritual whispers. God wants to communicate with His children. If utilized, the tools found in You Are Receiving Revelation will help us open our hearts, wade through the distractions, and listen!

**The Childlike Kingdom** Jay J. Anderson,2025-02-27 O Father, Lord of heaven and earth, thank you for hiding these things from those who think themselves wise and clever, and for revealing them to the childlike. Yes, Father, it pleased you to

do it this way. (JESUS) This book, crayons and cartoons notwithstanding, really isn't a children's book. Yet, at its heart, that's exactly what it is. It's kind of hard to explain, which is probably why the author uses so many colors and pictures, though that's not the only reason. As a starting point, let's agree it's a book (alphabet!) for kids of all ages, especially those who have experienced a few more birthday parties and Christmas mornings. And for Anderson's first word, play, it is also a book filled with truth that is for all times, all places, and all people . . . all ages. After all, the eternal words of Jesus will be front and center from start to finish. The call of Jesus to his kingdom requires we become and live childlike. So what does that sound like, look like, and live like? Oh . . . and play like? You are invited, by the King, to enter The Childlike Kingdom!
