**The Songbook of Benny Lament** Amy Harmon, 2021 A piano man in 1960s New York keeps to himself and away from his father's mob ties until his hit collaboration with Esther Mine thrusts him into a national spotlight that also stirs up issues with his father's associates.

**Книга песен Бенни Ламента** Эми Хармон, 2022-02-09 Нью-Йорк, 1960. Для Бенни Ламента музыка – это жизнь. Пианист из Бронкса держится подальше от темных делишек своей семьи. Он пишет песни для других музыкантов и предпочитает оставаться в тени... пока однажды не встречается Эстер Майн. Перед голосом этой девушки невозможно устоять. Дуэт Бенни и Эстер гремит на всю страну. Его песни, ее вокал – они идеальная пара. Пара, которую готовы видеть вместе на сцене, но не в жизни. Слава или страсть? Счастье или творчество? Что они поставят на карту ради любви, когда обоим будет угрожать смертельная опасность?

Activities include creating a ragtime rhythm, making a washtub bass, writing song lyrics, thinking like an arranger, and learning to dance the Lindy Hop. It explores Ellington's life and career along with many topics related to African American history, including the Harlem Renaissance. Kids will learn about the musical evolution of jazz that coincided with Ellington's long life from ragtime through the big band era on up to the 1970s. Kids learn how music technology has changed over the years from piano rolls to record albums through CDs, television, and portable music devices. The extensive resources include a time line, glossary, list of Ellington's greatest recordings, related books, Web sites, and DVDs for further study.

**American Political Music** Danny O. Crew,2005-12-01 Since the years before the Revolutionary War, American composers have expressed their political passions and viewpoints in song. Music inspired by political themes and politicians can reveal a great deal about significant people and events that have shaped our national political atmosphere. American Political Music provides a state-by-state inventory of thousands of songs about American political personalities from 1756 through 2004. The book documents music for all political offices except president. Within each state and the District of Columbia, the names of elected politicians, candidates for public office and other high-profile individuals appear in alphabetical order with a detailed listing of published songs that relate to them. Also included under each state where applicable is a “miscellaneous” section containing general political topics about that state—everything from temperance (“Vote Our California Dry”) to the women’s vote (“Rally Song for the Ohio Suffragist”) to the introduction of Boston’s first public water system (“Cochituate Grand Quick Step”). Under each person or topic are listed related songs, with title, tune, composer and lyricist, publisher, copyright year, and information on where a particular song or its lyrics may be found (i.e., broadsides, sheet music, songbooks, songs published in newspapers, wax cylinders, piano rolls, vinyl records, CDs, internet or mp3 files). Also included is an appendix of parodied songs demonstrating, among other things, the durability of Battle Hymn of the Republic and Yankee Doodle as fertile and favored ground for the parodist. The book also includes a list of publishers by city and indexes of song titles; authors and composers; politicians; and subjects and offices.
