**Emily Carmichael**

The Becoming Nora Roberts, 2021-11-23 A new epic of love and war among gods and humans, from Nora Roberts—the #1 New York Times bestselling author of *The Awakening*. The world of magick and the world of man have long been estranged from one another. But some can walk between the two—including Breen Siobhan Kelly. She has just returned to Talamh, with her friend, Marco, who's dazzled and disoriented by this realm—a place filled with dragons and faeries and mermaids (but no WiFi, to his chagrin). In Talamh, Breen is not the ordinary young schoolteacher he knew her as. Here she is learning to embrace the powers of her true identity. Marco is welcomed kindly by her people—and by Keegan, leader of the Fey. Keegan has trained Breen as a warrior, and his yearning for her has grown along with his admiration of her strength and skills. But one member of Breen's bloodline is not there to embrace her. Her grandfather, the outcast god Odran, plots to destroy Talamh—and now all must unite to defeat his dark forces. There will be losses and sorrows, betrayal and bloodshed. But through it, Breen Siobhan Kelly will take the next step on the journey to becoming all that she was born to be.

**The Choice** Nora Roberts, 2022-11-22 *The Choice* is the conclusion of the epic Dragon Heart Legacy trilogy from Nora Roberts, the #1 New York Times bestselling author of *The Awakening* and *The Becoming*. Talamh is a land of green hills, high mountains, deep forests, and seas, where magicks thrive. But portals allow for passage in and out—and ultimately, each must choose their place, and choose between good and evil, war and peace, life and death... Breen Siobhan Kelly grew up in the world of Man and was once unaware of her true nature. Now she is in Talamh, trying to heal after a terrible battle and heartbreaking losses. Her grandfather, the dark god Odran, has been defeated in his attempt to rule over Talamh, and over

Breen—for now. With the enemy cast out and the portal sealed, this is a time to rest and to prepare. Breen spreads her wings and realizes a power she's never experienced before. It's also a time for celebrations—of her first Christmas in both Talamh and Ireland, of solstice and weddings and births—and daring to find joy again in the wake of sorrow. She rededicates herself to writing her stories, and when his duties as taoiseach permit, she is together with Keegan, who has trained her as a warrior and whom she has grown to love. It's Keegan who's at her side when the enemy's witches, traitorous and power-mad, appear to her in her sleep, practicing black magick, sacrificing the innocent, and plotting a brutal destruction for Breen. And soon, united with him and with all of Talamh, she will seek out those in desperate need of rescue, and confront the darkness with every weapon she has: her sword, her magicks—and her courage...

*Becoming Bestsellers: John Grisham and Danielle Steel (Sample from Chapter 2 of THE BESTSELLER CODE)* Jodie Archer, Matthew L. Jockers, 2016-08-16 This sneak peek teaser - featuring literary giants John Grisham and Danielle Steele - from Chapter 2 of *The Bestseller Code*, a groundbreaking book about what a computer algorithm can teach us about blockbuster books, stories, and reading, reveals the importance of topic and theme in bestselling fiction according to percentages assigned by what the authors refer to as the "bestseller-ometer." Although 55,000 novels are published every year, only about 200 hit the lists, a commercial success rate of less than half a percent. When the computer was asked to "blindly" select the most likely bestsellers out of 5,000 books published over the past thirty years based only on theme, it discovered two possible candidates: *The Accident* by Danielle Steel and *The Associate* by John Grisham. The computer recognized quantifiable patterns in their seemingly opposite, but undeniably successful writing careers with legal thrillers and romance. In Chapter 2, Archer and Jockers analyze this data and divulge the most and least likely to best sell topics and themes in fiction with a human discussion of the "why" behind these results. *The Bestseller Code* is a big-idea book about the relationship between creativity and technology. At heart it is a celebration of books for readers and writers—a compelling investigation into how successful writing works.

*Becoming Sienna* T.M. Bashford, 2020-01-01 Three's a crowd, especially when one is a stalker... Sienna Chase is having the worst day of her adult life—kicked out of her nursing program, dumped by her boyfriend, and to top it off, followed home by creepy Dr. Charles Allerton. Flying back to her parents' home on Cape Cod to take stock of her life ends up triggering the trauma of her sister's death twenty years earlier. Thank goodness for Blue Rafter, the boy she gave her first kiss to at the age of eight. He's all grown up and their chemistry is instant. Except Dr. Allerton turns up, scaring her with frightening gifts and messages, and Sienna needs to figure out why she's hiding evidence to protect him. The police don't take her seriously. Her parents think she's drinking too much to numb her memories. Her only ally is Blue... and he's trying to save her from herself. Until Dr. Allerton's final gift . . . If you love a suspenseful romance with a twist that'll keep you reading into the night, then you'll love T.M. Bashford's page-turning novella.

**Becoming Cajun, Becoming American** Maria Hebert-Leiter, 2009-06-15 From antebellum times, Louisiana's unique multipartite society included a legal and social space for intermediary racial groups such as Acadians, Creoles, and Creoles of

Color. In *Becoming Cajun, Becoming American*, Maria Hebert-Leiter explores how American writers have portrayed Acadian culture over the past 150 years. Combining a study of Acadian literary history with an examination of Acadian ethnic history in light of recent social theories, she offers insight into the Americanization process experienced by Acadians -- who over time came to be known as Cajuns -- during the nineteenth and twentieth centuries. Hebert-Leiter examines the entire history of the Acadian, or Cajun, in American literature, beginning with Henry Wadsworth Longfellow's poem *Evangeline* and the writings of George Washington Cable, including his novel *Bonaventure*. The cultural complexity of Acadian and Creole identities led many writers to rely on stereotypes in Acadian characters, but as Hebert-Leiter shows, the ambiguity of Louisiana's class and racial divisions also allowed writers to address complex and controversial -- and sometimes taboo -- subjects. She emphasizes the fiction of Kate Chopin, whose short stories contain Acadian characters accepted as white Americans during the nineteenth and early twentieth centuries. Representations of the Acadian in literature reflect the Acadians' path towards assimilation, as they celebrated their differences while still adopting an all-American notion of self. In twentieth-century writing, Acadian figures came to be more often called Cajun, and increasingly outsiders perceived them not simply as exotic or mythic beings but as complex persons who fit into traditional American society while reflecting its cultural diversity. Hebert-Leiter explores this transition in Ernest Gaines's novel *A Gathering of Old Men* and James Lee Burke's detective novels featuring Dave Robicheaux. She also discusses the works of Ada Jack Carver, Elma Godchaux, Shirley Ann Grau, and other writers. From Longfellow through Tim Gautreaux, Acadian and Cajun literature captures the stages of this fascinating cultural dynamism, making it a pivotal part of any history of American ethnicity and of Cajun culture in particular. Concise and accessible, *Becoming Cajun, Becoming American* provides an excellent introduction to American Acadian and Cajun literature.
