The Causes That Lead Teenagers to Drug and Alcohol Abuse Kassandra Castillo,2009-04 Research Paper (postgraduate) from the year 2008 in the subject Sociology - Children and Youth, grade: 1.5, Mindanao State University, course: Sociology, language: English, abstract: The problems of teenagers involving drug abuse and alcohol abuse are primarily caused by stressful life events, peer influence, and failure of parents to take their children away from harmful activities. Besides, drug abuse and alcohol abuse might lead to sexual abuse or molestation and teenage pregnancy as well as the commission of violent crimes. This paper is aimed at studying these factors for the benefit of the government, academe, church, organizations and other institutions, the members of which are advocates of helping teenagers who have problems on alcohol and drug abuse.

**The Communication Age** Autumn Edwards,Chad Edwards,Shawn T. Wahl,Scott A. Myers,2023-02-14 When should you send a text message, and when is it more appropriate to talk face-to-face? What is the best way to prepare for a job interview that will be conducted over video? How should you modify your speech if it will be recorded and posted online? The Communication Age: Connecting and Engaging introduces students to the foundational concepts and essential skills of effective communication, with a strong emphasis on the impact of technology in our increasingly interconnected world. This new Fourth Edition helps students become involved in our diverse global community and learn how to apply key principles of effective communication—whether incorporating media, technology, or traditional face-to-face speech communication—to foster civic engagement for a better future. With comprehensive coverage of the essentials of interpersonal, small group, and public communication, this text is ideal for use in hybrid introduction to communication courses.

**Stronger Writing Skills for Teens** Gregory Berry,2018-08-16 Stronger Writing Skills for Teens offers middle and high school teachers strategies, techniques and materials for teaching adolescent writing in a variety of modes. A practical and useful resource for classroom teachers, the book focuses on quality writing instruction within the modes of writing as defined by Common Core State Standards. Examples of student work are included to illustrate effectively designed assignments and strategies for writing and revising. It includes methods for teaching vocabulary and academic language to help students improve word choice and use of language in their writing. Tools for assessing and grading student writing are also included, as well as suggestions and resources for effectively using writing rubrics and scoring guides. Narrative, expository/explanatory, argument, and research writing are discussed, with specific strategies, suggested materials, and ways to approach the modes. Teachers will also find suggestions for helping students learn to incorporate multimodal text into their writing and successfully write in digital contexts, as well as methods for helping students master timed and on-demand writing.
