**Zena Sutherland, May Hill Arbuthnot**

*The Egypt Game* Zilpha Keatley Snyder, 2012-10-23 The first time Melanie Ross meets April Hall, she's not sure they have anything in common. But she soon discovers that they both love anything to do with ancient Egypt. When they stumble upon a deserted storage yard, Melanie and April decide it's the perfect spot for the Egypt Game. Before long there are six Egyptians, and they all meet to wear costumes, hold ceremonies, and work on their secret code. Everyone thinks it's just a game until strange things start happening. Has the Egypt Game gone too far?

*The Egypt Game - Literature Kit Gr. 5-6* Nat Reed, 2006-12-01 Let your imagination run wild in a land that existed long ago, full of intrigue and mystery. Challenge students with higher-order questions, encouraging an understanding of literary elements. Complete sentences from the book with their missing words. Explain how statements from the text are examples of foreshadowing. Match vocabulary words found in the novel with their meanings. Use examples of personification from the novel to create a sentence where a car is described as a person. Write a message to a classmate using Egyptian hieroglyphics. Complete a sequence chart detailing up to six events from the story by stating what happened and how it was essential to the plot. Aligned to your State Standards, additional crossword, word search, comprehension quiz and answer key are also included. About the Novel: A lively adventure story, teeming with suspense and humor, and set in the vivid landscapes of ancient Egypt and modern-day California! April Hall is not your typical sixth grade student. She converts a deserted storage yard into the land of Egypt. Egypt is owned by the mysterious Professor, who turns a blind eye to the activities going on. Limited only by their vivid imaginations, April and Melanie create the Egypt Game, which grows more and more complex and interesting. At the novel's conclusion, it is the Professor himself who comes to the rescue, saving April and Egypt itself. In the process, the Professor reveals his colorful past to the gang, and presents them with their own personal keys to the land of Egypt.

A Guide for Using The Egypt Game in the Classroom Kelli Plaxco, 2001-05 Each book in this series is a guide for using a well-known piece of literature in the classroom. Included are sample plans, author information, vocabulary-building ideas, and cross-curricular activities. At the Intermediate and Challenging levels, sectional activities and quizzes, unit tests, and ideas for culminating and extending the novel are also included.

**The Egypt Game (Novel Study) Gr. 4-6** Marci Haines, 2013-01-01 The Egypt Game follows two 11-year-old girls living

in California, who both share an interest in ancient Egypt. After finding Egyptian relics, including a bust of Nefertiti, in an abandoned yard, the girls invent the Egypt Game. They create their own Egyptian story and play the roles of high priestesses. The game is interrupted with the murder of another young girl in the neighborhood. The owner of the abandoned yard where the Egypt Game is played is the prime suspect. One night, one of the girls finds herself in danger with the most unlikely of rescuers. This Novel Study provides a teacher and student section with a variety of activities, discussion questions, vocabulary, enrichment ideas, and answer key to create a well-rounded lesson plan.

**Summarized and Analyzed: the Egypt Game** Student World,2017-04-19 Before we come to the details regarding the publication, reviews, and success of the book, it is necessary to write a few lines about the novel *The Egypt Game*. The story is focused on the central character April Hall. She happens to be an eleven years old girl, quite lonely and insecure. At the beginning of the story, she comes to live with her grandmother. To her surprise, she becomes friends with her neighbor Melanie Ross. Both of them have a shared but an unusual interest in knowing more about ancient Egypt. They are quite intelligent and innovative. They work on their vivid imaginations and develop and elaborate game Egypt. As the time progresses, their game becomes more and more real and they begin to really live that game. Suddenly, a few incidents take place in the neighbors. Those incidents shock and frighten the neighbors. The children, playing that game, wonder whether their game has really gone too far.
