When God Stopped Keeping Score... R A Clark,2010-04-15 Anger... Resentment... Guilt... Pain... For millions of people, not every prison comes with a set of bars. That's because at some point, no matter who you are, regardless of your race, creed, religion or even gender, everyone has suffered at the hands of another person. You are not alone. The question is whether this wrong happened two minutes or twenty years ago, whether this person is living or dead, why are you still allowing yourself to suffer because of it? Why is this pain still being allowed to destroy the very relationships that you have with your friends, family, God and even yourself? There is help, but are you ready to accept it? In this ground breaking study of the power of forgiveness, R.A. Clark, an award-winning educator and life coach, challenges not only what you thought that you knew about forgiveness, but also questions the heavy emotional price that you are willing to pay to live without it. In a world where it is hard to love and there is so much to hate, finally somebody will tell the truth about the lies that we tell ourselves about forgiveness. Including... - Why you should never forgive and forget? - When is the right time to forgive anyone for anything? - Why your silence maybe slowly destroying your family? - The only biblical way that there is to forgive anyone. - Also, discover just who is the one person that you should always forgive, even when your heart tells you not to. Prepare yourself. This book is the first step in a remarkable journey to help you to become the spouse, parent, and/or friend that you were truly meant to be; the one person that many people wish they were and others only pretend to be.

Shared Thoughts Mohandas Kizhakke, 2023-07-11 Social media has become a part & parcel of our daily life. Covid has accelerated the present generation toward digitalizing their lives. Even the very elderly and the young just starting school, are familiar with going on-line as a matter of academics, uploading & downloading data et al. World is changing and the rapidity with which it is changing, forces even the elder folks, like me, to keep up with the change or be left out. I try my best to keep up-to-date with the changing technology. Therefore, I am fortunate that I have a vast circle, from early teens to late eighties, from where I get regularly inspiring & motivating messages, not all original though, but as a result of pick-up from the vast cyber world. I feel it's a shame to read and just delete such sources of inspiration. Sharing with others any good reading material is an obsession with me. I must share the deluge of inspiring messages, suiting all occasions and for all moods. It is this obsession that led me to initiate a blog – Shared Thoughts – more than 20 years ago. In the following pages, are some of the postings, which I hope the reader will find interesting. Open any page at random and you are looking at something that can set your thoughts alight.

Prescriptions for Success Catherine Towne-Coleman LPC, 2017-10-23 This book is designed to stimulate our thinking and to remind us of what we already know for the most part. Hopefully, it will help us develop a greater value system and recognize our self-worth. What really matters to you? Each individual is ultimately accountable for himself. So let's not waste time on trivial matters such as keeping up with the Joneses. Decide what your primary purpose is here on earth, and use your mind, body, and spirit toward accomplishing your purpose. I believe that one of my life's purpose is to give back and share some of my life lessons. Of course, I have been doing this for years. A few years ago, I started giving my family members a booklet each Christmas with a potpourri of motivational information based on Christian values. These words kept coming up in my spirit: Tell the people. And my answer to this was They will not listen, and that's when it hit me to write it down, and if they are not ready to hear it, they can read it later. I am concerned about my fellowman's health, well-being, and soul. My desire is to serve as a positive role model and motivator for others. Plus, the intrinsic rewards of helping others are great.

This book should serve as an introduction to a successful life. It can be used as a resource. I am a teacher from the heart, and I believe in this Chinese proverb Give a man a fish and feed him for a day, teach a man how to fish and feed him for a lifetime. My favorite Bible verse is what gets me through life: But seek ye first the kingdom of God and his righteousness and all these things shall be added unto you (Matthew 6:33).

A Life Map Derek Fox,2016-07-22 This book has the potential to change your life and awaken in you the potential that already exists there. Using simple terms and writing, the author gives a step-by-step explanation of how you can use the law of attraction in your life for the better. The book explains how the writer tested and used the law of attraction to change his own life in a truly amazing way and also how he used what he refers to as life tools (such as meditation, positive thinking, and mindfulness) to help change his life and live a happier, joyful, and more authentic life. The book asks the reader to open their mind to consider the evidence, much of it scientific, that the law of attraction is a very real law that can work in astonishing ways when used it.
