**Jumping through Fires** David Nasser, 2009-10-01 Religion has left an undeniable mark in our world. Some see it as the answer to every problem, while others see it as the problem itself. Simply put, religion is the single greatest force in history. But in a much more intimate sense, what does religion mean to one life? In this honest, suspenseful, and moving memoir, author David Nasser tells of a life filled with heartbreak and healing. Forced to escape from a country gripped in a religious revolution, David and his family run for their lives in an attempt to find refuge. Through the lens of a terrified boy we see the destructive power of religion and the pull of peer pressure as he tries to fit into a new culture. Nasser's raw and transparent account of his transition from hating religion to having a living faith in Christ will impact readers from across the religious spectrum. His unflinchingly honest, yet humorous, assessment of the church from an outsider's point of view will both enlighten readers and spur them to renewed and refined outreach. For anyone who has seen the lie of religion, whether in Iran or Alabama or anywhere in between, Nasser offers the truth of Jesus.

**Glory Revealed** David Nasser, 2007-07 Nasser offers a guide for Christians who want to learn to hear and see God in their everyday lives, focusing on how to listen and where to look.

*A Better Way* David Zachariah Glover, 2016-01-14 Imagine a better way, perhaps the most implausible way, that God might use today to transform His people and His church, and as a result, truly change our culture. *A Better Way*, by author David Zachariah Glover, introduces PURE ministry and compels us to view all people differently by awakening the average Christian to the blessings and contributions of people with disabilities, PURE people, to the church and the community. Inspired by the brief journey with his grandson, Glover founded PURE Ministries to challenge Christians to see and listen to the needs of PURE people and their families in their daily lives and make them aware of ministry opportunities. He seeks to inspire Christians to learn how they can be involved and blessed and to equip them to act in their communities through their churches. *A Better Way* begins with the story of how God used a little boy, someone whom this world would not consider of

much value, to change this Granddad and lead him to start the PURE movement. A Better Way provides a scriptural foundation on which PURE ministry can be built and presents practical information and suggestions on how we can lovingly relate and reach out to PURE people and their families. Glover shows us A Better Way is truly where least is most and is evidenced in real, enduring transformation of us and His church.

Orphanology Tony Merida, 2011-06-01 Orphanology unveils the grassroots movement that's engaged in a comprehensive response to serve hundreds of millions of orphans and "functionally parentless" children. You'll see a breadth of ways to care with biblical perspective and reasons why we must. Heartwarming, personal stories and vivid illustrations from a growing network of families, churches, and organizations that cross culture show how to respond to God's mandate. The book empowers: - churches—to plan preaching, teaching, ministering, missions, funding adoption, supporting orphans; - individuals and families—to overcome challenges and uncertainties; - every believer—to gain insights to help orphans in numerous ways. Discover how to - adopt; - assist orphans in transition; - engage in foster care; - partner with faith-based fostering agencies; - become orphan hosts. Along with their families' adoption stories, Merida and Morton give steps for action and features on churches doing orphan ministry, faith-based children's homes, orphan-hosting groups, and other resources.

**Life Change** Jordan Easley, 2013-12-01 Ask anyone: "Is there something about your life that you would like to change?" and the answer will most likely be a resounding "YES!" Change is something most of us want but few of us practically achieve. In Life Change, rising voice Jordan Easley takes a spiritual approach to the topic, walking readers through the book of Mark to highlight stories of life change in the Bible. Looking at seven miracles Jesus performed throughout that text and the people who were changed by them, Jordan shows how the power of God enables us to do what we are incapable of doing ourselves. It may feel like the odds are stacked against us, but the good news is that change is possible, and it happens when we live out this three-step process: A NEW HOPE: Establish an authentic relationship that inspires and sustains hope in your life. A NEW WAY OF THINKING: As a result of that relationship, you have a new way of thinking. A NEW WAY OF LIVING: As a result of your new way of thinking, you have a new way of living.

**Oliver Stone's USA** Robert Brent Toplin, 2000 Challenging audiences and critics alike, the films of Oliver Stone have compelled many viewers to re-examine some of their most revered beliefs about America's past. Stone has generated enormous controversy and debate among those who take issue with his dramatic use of history. This book brings Stone face to face with some of his most thoughtful critics and supporters and allows him room to respond to their views. Writers including David Halberstam, Stephen Ambrose, Arthur Schlesinger Jr, Walter LaFeber and Robert Rosenstone critique Stone's most contested films to show how they may distort, amplify or transcend the historical realities they appear to depict.
