Deadly Little Lies Laurie Faria Stolarz, 2009-11-11 Last fall, sixteen-year-old Camelia fell for Ben, the mysterious new boy at school who turned out to have a very mysterious gift--psychometry, the ability to sense the future through touch. But just as Camelia and Ben's romance began to heat up, he abruptly left town. Brokenhearted, Camelia has spent the last few months studying everything she can about psychometry, and experiencing her own strange brushes with premonition. Camelia wonders if Ben's abilities have somehow rubbed off on her. Can the power of psychometry be transferred? Even once Ben returns to school, Camelia can't get close enough to share her secret with him. Despite the romantic tension between them, Ben remains aloof, avoiding contact. Then when an unexpected kiss leads to a frightening argument, Camelia makes the painful decision to let Ben go and move on. Adam, the hot new guy at work, seems good for her in ways Ben wasn't. Adam is easygoing, and seems to really care about her. But when Camelia and Adam start dating, a surprising love triangle results. A chilling sequence of events upturns secrets from Ben's past--and Adam's. Someone is lying, and it's up to Camelia to figure out who--before it's too late.

Jane Anonymous Laurie Faria Stolarz,2020-01-07 Now adapted as a fiction podcast series from FictionZ and Apple, starring Mina Sindwall (Lost in Space)! Bestselling author Laurie Faria Stolarz's thrilling novel *Jane Anonymous* is a revelatory confessional of a seventeen-year-old girl's fight to escape a kidnapper—and her struggles to connect with loved ones and a life that no longer exists. Seven months. That's how long I was kept captive. Locked in a room with a bed, refrigerator, and adjoining bathroom, I was instructed to eat, bathe, and behave. I received meals, laundered clothes, and toiletries through a cat door, never knowing if it was day or night. The last time I saw the face of my abductor was when he dragged me fighting from the trunk of his car. My only solace was Mason—one of the other kidnapped teens—and our pact to one day escape together. But when that day finally came, I had to leave him behind. Now that I'm home, my parents and friends want everything to be like it was before I left. But they don't understand that dining out and shopping trips can't heal what's broken inside me. I barely leave my bedroom. Therapists are clueless and condescending. So I start my own form of therapy—but writing about my experience awakens uncomfortable memories, ones that should've stayed buried. When I ask the detectives assigned to my case about Mason, I get an answer I don't believe—that there were no traces of any other

kidnapped kids. But I distinctly remember the screams, holding hands with Mason through a hole in my wall, and sharing a chocolate bar. I don't believe he wasn't really there and I'm determined to find him. How far will I have to go to uncover the truth of what happened—and will it break me forever?

The Last Secret You'll Ever Keep Laurie Faria Stolarz, 2025-10-16 Bestselling author Laurie Faria Stolarz returns with *The Last Secret You'll Ever Keep*, a thrilling novel of an eighteen-year-old girl's search for answers and what she finds instead. Four days... Trapped in a well, surrounded by dirt, scratching at the walls trying to find a way out. Four days of a thirst so strong, that when it finally rains, I drink as much as possible from the dripping walls, not even caring how much dirt comes with it. Six months... Since my escape. Since no one believed I was taken to begin with – from my own bed, after a party, when no one else was home... Six months of trying to find answers and being told instead that I made the whole incident up. One month... Since I logged on to the Jane Anonymous site for the first time and found a community of survivors who listen without judgment, provide advice, and console each other when needed. A month of chatting with a survivor whose story eerily mirrors my own: a girl who's been receiving triggering clues, just like me, and who could help me find the answers I'm searching for. Three days... Since she mysteriously disappears, and since I'm forced to ask the questions: will my chance to find out what happened to me vanish with her? And will I be next?

Deadly Little Voices (A Touch Novel) Laurie Faria Stolarz, 2012-12-18 Camelia Hammond thought her powers of psychometry gave her only the ability to sense the future through touch. But now she has started to hear voices. Cruel voices. Berating her, telling her how ugly she is, that she has no talent, and that she'd be better off dead. Camelia is terrified for her mental stability, especially since her deranged aunt has just moved into the house. As if all of that weren't torturing enough, Camelia's ex-boyfriend, Ben, who has similar psychometric abilities, has started seeing someone else. Even her closest friends, Kimmie and Wes, are not sure how to handle her erratic behavior. With the line between reality and dream consistently blurred, Camelia turns to pottery to get a grip on her emotions. She begins sculpting a figure skater, only to receive frightening premonitions that someone's in danger. But who is the intended victim? And how can Camelia help that person when she is on the brink of losing her own sanity?

The Perfect Sister Stephanie DeCarolís, 2024-07-16 A woman's search for her missing sister on the sandy white beaches of the Hamptons uncovers a wealth of secrets worth killing for—a sultry and sumptuous psychological suspense from USA Today bestselling author Stephanie DeCarolís. Alex Walker has always looked up to her perfect older sister. Maddie has succeeded in all the ways Alex has not: She escaped their hometown and seems to have put the memories of their unstable childhood behind her. But despite the different paths their lives have taken, the two sisters made a pact to spend one week together every summer. It was a promise they'd never broken . . . until now. When Maddie suddenly cancels her annual trip home, Alex begins to worry. But when Maddie stops returning her calls altogether, Alex is certain something is wrong.

Relying on the only clues Maddie left behind, Alex follows her sister's footsteps to the Hamptons where she meets the Blackwell family—the last people to have seen Maddie before she vanished into thin air. The Blackwells seem to have it all: wealth, beauty, and a beachside mansion on a private stretch of Hamptons real estate. It's a world unlike any Alex has ever known, but she quickly discovers that looks can be deceiving, and that a life of luxury always comes at a cost.

The Wives of Hawthorne Lane Stephanie DeCarolis, 2025-09-16 In this twisty tale of domestic suspense, four neighbors become the prime suspects in a murder investigation that reveals the sinister underside of their picture-perfect community—from the bestselling author of *The Guilty Husband*. Hawthorne Lane is the perfect place to live. Its tree-lined street and stately homes are the envy of the town. Every Halloween the residents of Hawthorne Lane come together to host their famous Fall Festival. But this year, someone won't survive the night. As a murder investigation ensues, it quickly becomes clear there's more going on behind closed doors on Hawthorne Lane than meets the eye. And four women, each with secrets worth killing for, find themselves at the center of it all. There's Georgina, the perfectionist and reigning Queen Bee, who pays a high price for her elevated status. There's Audrey, the bold and beautiful neighbor with the high-flying corporate career, but whose marriage is on the rocks. There's Libby, the working mother who is struggling to come to terms with her recent divorce while parenting her teenage son. And finally, Hannah—the newcomer with a mysterious past that's returning with a vengeance. As the clock ticks down to Halloween, their lives will cross in the most unexpected ways. And soon only one question remains: Who will pay the ultimate price for the lies they all tried so hard to bury?

This Quest For That Final Horizon Derrick La Saga, 2014-12-13 This Quest For That Final Horizon was written over a 15 year period from 1999-2014; It's about real people and real situations, none of it is about or inspired by fiction. Topics like salvaging friends, urging someone who is hurting to open up about their pain, trying to escape our own guilty conscious, letting go of someone we love because we know in our hearts that life with them will stop progressing forward and accepting that the people who have deeply wronged us, sometimes, will never give an explanation are just a few examples of the topics explored in this collection that has been praised by published authors such as Richard Van Camp (*The Lesser Blessed*) and David Malcolm (*Pine Cones and Small Stones*). There was not an intention or effort to have anything come across as sophisticated, complex or accomplished - but rather familiar, understood, and even soothing.
