The Genesis 6 Conspiracy Gary Wayne, 2020-09-15 Genesis 6 Conspiracy: There are giants among us, passing largely unnoticed, intent on carrying out a secret plan to enslave all humanity. They may not look like giants today, but their bloodlines extend all the way back to the Nephilim—the offspring of angels who mated with human women—described in Genesis 6 when giants roamed the land. Gary Wayne, author of *The Genesis 6 Conspiracy: How Secret Societies and the Descendants of Giants Plan to Enslave Humankind*, details the role of modern-day Nephilim in Satan's plan to install the Antichrist at the End of Days. When God cast the angel Lucifer and his followers out of heaven, Lucifer set into motion a scheme to ensure the Nephilim survived. Why? Because from the bloodlines of these Nephilim the Antichrist will come. To keep his plan alive, Satan has enlisted the loyalty of secret societies such as the Freemasons, the Templars, and the Rosicrucians to conspire in teaching a theology and a history of the world that is contrary to the biblical one. This Genesis 6 Conspiracy marches toward the Great Tribulation, when the loyalty of the Terminal Generation—this generation—will be tested. The Bible, along with many other ancient sources, clearly records the existence of giants. Wayne provides copious citations from many society insiders, along with extensive Bible references, other religious references, and historical material to bolster his contention. What he uncovers will astonish you—and it will challenge you to prepare for the fulfilling of God's promises. The Genesis 6 Conspiracy, PART II Gary Wayne, 2024-03-12 An uneasy spiritual sense has gripped many Christians; a profound sense that something is incomplete and disconnected within the body of church teaching; something elemental to our *raison d'être*.

Life, One Big Existential Crisis Kerry Louise Stalker, 2021-01-25 Life, One Big Existential Crisis takes the reader on an

epic journey. It starts by asking 'What's the point?' then ventures down the psychological, philosophical, spiritual, cosmological, and conspiratorial rabbit hole to answer this great ontological question. In short, the spirit world is real. A spiritual battle is taking place and our souls are the prize for either the kingdom of darkness or kingdom of light. There is a dastardly cabal orchestrating our reality, using the Bible as it's playbook. We're living in the last pages of the Bible, and this great book will close with a bang. The Beast 'one world' system is on our doorstep. This book is for those who want to know the Truth and break free from the matrix. The focus is on authenticity and choosing your choice.

Crushing Conceptualism in Modern Christianity Andrew Michael Denny, 2019-09-18 A heavy spirit of conceptualism has infiltrated the modern Christian establishments. Our traditions, philosophies, theologies, etc. Everything our beliefs are built upon has been influenced by an elite world-class system. Have you ever felt like there has to be more to our placement in this world than going through the motions of the Sunday morning ritual called "church?" More to this thing we call "Christianity?" If so, this book is what you have been waiting for. A truth movement has emerged. A remnant of modern "Ark Builders" endeavors to awaken those who are still asleep. Every day we see evidence of what the Bible describes as "spiritual wickedness in high places" (Ephesians 6:12). Those who secretly govern our world have an agenda to unite and target professing Christians. The motive is world dominance, and the method is mind control, to brainwash the mass into conforming to what is socially acceptable and politically correct. But we are not ignorant of the enemy's strategies. This book equips its readers with information exposing this deception, as it bridges the gap between conspiracy theory and demonic activity. You are about to open the door to a world you never knew existed, a reality of which you never knew you were a part. Prepare yourself. Once you see, you will never be able to unsee this realm again.

Compassion beyond Understanding Mark Tomasello, 2022-11-10 This book is for anyone who is lost, who is marginalized or told they mean nothing, for all who can't seem to break free from their mistakes or who have been hurt by others, for anyone who would contemplate ending it all. It's for the backslider and the believer or the unbeliever. It is for the underdogs and those who have fallen on hard times. It is a story about Jesus and his compassion beyond our understanding and his ability to bring change and show his love in a person's life. It will shed light on the truth of his love and his ability to forgive anything. He will teach you that all your mistakes are assets for others. He will come when no one else will. He will walk you through this life and be an ever-present help in a time of need. He will allow you to make mistakes and not judge you. He will cause you to reflect and learn from them. He is your biggest advocate. He believes in you when you don't. He knows you better than anyone or yourself. He loves you more than anyone on the planet, and he is just waiting on you to call for help. He really wants everyone to know of his compassion, and he has done everything he could to prove it to you. He loves to see you grow in faith. But he loves when you will never give up because he never will give up on you. He has a perfect plan for your life even if you yourself can't see it. He hurts to see you hurt. He came for the lost and would say to the

lost, I am here for you. He wants to tell you who you really are. He wants only to teach you to love but to love yourself as he loves you. The love he has is like you are the only one on earth. I invite you to experience his compassion beyond your understanding, to have an adventure with him like nothing else in existence, to know him and understand why you were made to fellowship with him forever. His desire is for you to be where he is forever. Let his love cast out all fear you have. He knows you need him and wants you to not be ashamed to come to him. The compassion he has is

Origen of Alexandria and the Theology of the Holy Spirit Micah M. Miller, 2024-01-16 Origen of Alexandria and the Theology of the Holy Spirit offers a comprehensive account of Origen's pneumatology. In examining the Holy Spirit's identity and activity in Origen's writings, this study reads Origen in his context and surveys his entire corpus. It shows that Origen grounds his pneumatology in Scripture and uses Jewish, philosophical, and earlier Christian teachings in exegeting the passages he believes pertain to the Holy Spirit. The Holy Spirit is revealed to function in Origen's works as a single hypostasis dependent on the Father and Son for both his being and attributes, which ranks the Spirit below the Father and Son. The Spirit, however, is grouped with the Father and Son, distinct from all other beings and ranked above them. The Holy Spirit, therefore, is ranked third of all things. This relationship serves as the basis for Origen's belief that the Spirit's activities--giving spiritual gifts, sanctifying believers and making them holy, offering intercession, inspiring Scripture, and aiding in the interpretation of Scripture--are a common operation of the Father, Son, and Holy Spirit. The Spirit, then, plays an integral role in the salvation of the human person. By offering a comprehensive understanding of Origen's pneumatology, Micah M. Miller also provides a fresh perspective of his Trinitarian thought.

Genesis 6 Conspiract PART II Garry Warner,2023-09 To help answer many of lingering questions many Christians have, and to provide Scripturally researched answers and data points for these questions, The Genesis 6 Conspiracy Part II explores Scripture's accounting prehistory and history, and its important prophetic connections. This book will avoid repeating what was covered my first book, except as required to connect in the new information into the overarching narrative. Although this book was written to be read as a stand-alone enterprise, one may wish to read Part I after reading Part II; both books are designed to help reveal our hidden history and discern end-time events and chronology.
