## William Sims Bainbridge

**Lucifer's Power** William Sims Bainbridge, 2025-04-22 *Lucifer's Power: Beliefs and Practices of the Process Cult* offers a riveting exploration into one of the most mysterious and influential cults of the 20th century. Founded in London in 1963 by Mary Ann MacLean and Robert de Grimston, The Process Church of the Final Judgement emerged from a scientology-inspired psychotherapy group and quickly became a cultural phenomenon before its dramatic split in 1974. What did The Process truly believe? Their secretive nature kept many in the dark, but sociologist William Sims Bainbridge gained unprecedented access to this elusive group. As a young researcher in the late sixties, Bainbridge earned the trust of the Processians in Boston, becoming the only non-member to witness their rituals and practices firsthand. His rare and sought-after book, *Satan's Power: A Deviant Psychotherapy Cult* (1978), first unveiled his groundbreaking findings. Now, fifty years after the cult's decline, Bainbridge revisits and expands upon his seminal work in *Lucifer's Power*. This updated edition uncovers the motivations of The Process's members, reveals their intricate beliefs and rituals, and explores the cult's enduring legacy and influence. Packed with new material and never-before-seen historical photographs taken by Bainbridge during the height of The Process's popularity, this book provides a comprehensive and compelling look into the world of The Process Church of the Final Judgement.

**Divine Programming** Charlotte E. Howell, 2020-03-02 From the mid-90s to the present, television drama with religious content has come to reflect the growing cultural divide between white middle-America and concentrated urban elites. As author Charlotte E. Howell argues in this book, by 2016, television narratives of white Christianity had become entirely disconnected from the religion they were meant to represent. Programming labeled 'family-friendly' became a euphemism for white, middlebrow America, and developing audience niches became increasingly significant to serial dramatic television. Utilizing original case studies and interviews, *Divine Programming* investigates the development, writing, producing, marketing, and positioning of key series including *7th Heaven*, *Friday Night Lights*, *Rectify*, *Supernatural*, *Jane the Virgin*, *Daredevil*, and *Preacher*. As this book shows, there has historically been a deep ambivalence among television production cultures regarding religion and Christianity more specifically. It illustrates how middle-American television audiences lost significance within the Hollywood television industry and how this in turn has informed and continues to inform television programming on a larger scale. In recent years, upscale audience niches have aligned with the perceived tastes of affluent,

educated, multicultural, and-importantly-secular elites. As a result, the televised representation of white Christianity had to be othered, and shifted into the unreality of fantastic genres to appeal to niche audiences. To examine this effect, Howell looks at religious representation through four approaches - establishment, distancing, displacement, and use - and looks at series across a variety of genres and outlets in order to provide varied analyses of each theme.

**Better Living through TV** Steven A. Benko, 2022-03-25 Watching television need not be a passive activity or simply for entertainment purposes. Television can be the site of important identity work and moral reflection. Audiences can learn about themselves, what matters to them, and how to relate to others by thinking about the implicit and explicit moral messages in the shows they watch. *Better Living through TV: Contemporary TV and Moral Identity Formation* analyzes the possibility of identifying and adopting moral values from television shows that aired during the latest Golden Era of television and Peak TV. The diversity of shows and approaches to moral becoming demonstrate how television during these eras took advantage of new technologies to become more film-like in both production quality and content. The increased depth of characterization and explosion of content across streaming and broadcast channels gave viewers a diversity of worlds and moral values to explore. The possibility of finding a moral in the stories told on popular shows such as *The Sopranos*, *Breaking Bad*, *The Wire*, and *The Good Place*, as well as lesser known shows such as *Letterkenny* and *The Unicorn*, are explored in a way that centers television viewing as a site for moral identity formation.

**Assault On The Afterlife** Marsha Kuhnley, 2021-10-27 Prepare to be swept into a war that has raged for millennia--a war unlike any other. It spans the realms of heaven and earth, with the afterlife itself under siege. He opened his mouth for blasphemy against God, to blaspheme his name, his dwelling, and those who dwell in heaven. (Revelation 13:6) This is a war against heaven. The realm where God, the holy angels, and the deceased believers reside is under a relentless attack. Satan yearns to drag you into the depths of hell, to snatch your soul away from the embrace of salvation. It's your default destination, the deceitful path he urges you to take. Fear not, for the keys to heaven are within your grasp. If your faith is anchored in Jesus, then heaven is your everlasting home. Rise up, resolute and unyielding, refusing to let Satan steal your hope and plunder your heavenly rewards. Discover the truth about your eternal home and eagerly await the triumphant return of Jesus. Will you wear the impenetrable armor of God, shielding yourself against the relentless onslaught? Will you wield the razor-sharp sword of Truth, slashing through the dark forces that seek to devour your soul? Prepare yourself for an electrifying revelation. *Assault On The Afterlife* is not your typical book about heaven and the spiritual realm. It's a mind-bending exposé of the diabolical schemes hidden in plain sight--*Burning Man*, *The Great Reset*, *Psychics*, *The Simulation Hypothesis*, *Transhumanism*, and so much more! Inside this book you will uncover: · The diabolical origins of Satan's assault in heaven and its continuation on earth against us. · Satan's motives, cunning warfare

tactics, and manipulative wartime propaganda. · Profound insights into the heavenly realm, your eternal body, and the breathtaking wonders awaiting you in the afterlife. · How Satan is assaulting those who dwell in heaven through demonic communication and unanswered prayers. · Modern lies about eternity--Christ consciousness, the Multiverse, Hybrids, and more! · The climactic showdown of Satan's war that will erupt during the tribulation period, culminating in the mass rejection of the afterlife by those deceived. · Empowering guidance to secure your place in heaven, evade Satan's mark of the beast, and ascend in the Rapture! **Lucifer Vol. 3: Blood in the Streets** Richard Kadrey, 2017-10-31 He's faced down God Himself, and lived (and died, and lived again) to tell the tale. Now Lucifer Morningstar, the most irresistible antihero in all of Creation, is free to turn the final page on his past and begin a brand-new chapter in his legendarily eventful life. But before he can start booking retirement cruises, there's still one small matter that requires his attention: an all-powerful entity has usurped his deceased Father's place in Heaven and is preparing to extinguish every last vestige of free will throughout the universe. The Lightbringer has always been the contrary type, and he's not about to change his ways for anyone—or anything—just because they occupy the Throne of Light. And while the former Lord of Hell now rules only within the boundaries of his nightclub, Ex Lux, he still has powerful allies and devoted enemies—all of whom are ripe for manipulation. Together, this motley militia is poised to take their fight from the heights of the Silver City to the depths of the Inferno. Against them stand multiple armies of angels, demons, and every dread thing imaginable that lies between them. Can Lucifer overcome their onslaught and keep his club, his city, and his indomitable independence intact? Or, after countless millennia, has the Devil's tab finally come due? Find out in LUCIFER VOL. 3: BLOOD IN THE STREETS—the shocking conclusion to the newest saga of the Fallen One from the acclaimed creative team of Richard Kadrey, Lee Garbett, Antonio Fabela, Holly Black, Marco Rudy and Ben Templesmith, collecting issues #13-19 of the signature VERTIGO series.

**Lucifer Vol. 2: Father Lucifer** Holly Black, 2017-03-07 After being wrongfully accused of deicide by his angelic brethren, the Prince of Hell undertook an epic quest through the cosmos to clear his name. Now he wants nothing more than to retire to his Los Angeles club, Ex Lux, and drown the world's sorrows one drink at a time. With the throne of Heaven still vacant, archangels are turning on each other in an effort to seize their absent Father's crown. And since the Lightbringer has

no desire to revisit his former kingdom, a vicious power struggle has erupted in the infernal realm, as well. Caught between chaos above and below, Earth has never been more vulnerable. In order to keep his terrestrial retreat safe from collateral damage, Lucifer must reluctantly rejoin the fight for control over Creation. But as the battle rages, the aftershocks from his Father's demise are growing stronger—and making it clear that some fates really are worse than death. The saga of the world's original antihero reaches new heights (and depths) in LUCIFER VOL. 2: FATHER LUCIFER, collecting issues #7-12 of the acclaimed series from author Holly Black (The Spiderwick Chronicles) and artist Lee Garbett (Loki).
