Larry Lea

Spiritual Authority Watchman Nee,1972-01-01 The chapters in this volume on the nature of Spiritual Authority are drawn from a series of messages delivered by the great Chinese preacher-teacher, Watchman Nee, during a training period for Christian workers in China in 1948.

Authority and Submission Watchman Nee,1998-06

Autoridad espiritual Watchman Nee,2013-06-26 Éste es un libro profundo y a la vez sencillo, que debe leerse con detenimiento y oración. En una época en que los cimientos de la autoridad corren peligro de desmoronarse en la iglesia, en el hogar, en la sociedad y en otros aspectos de la vida en general, el autor nos ofrece consejos y enseñanzas que podrán ser norte y guía en nuestra vida. Que vuestra autoridad no exceda vuestro ministerio, nos aconseja Watchman Nee en una de sus páginas.

Spiritual Authority Larry Lea,1986

Spiritual Authority Watchman Nee,2021-10-29 Authority is a tremendous thing in the universe, nothing overshadows it. God's throne is established on His authority. God's authority represents God Himself. God alone is authority in all things; all the authorities of the earth are instituted by God. It is therefore important for us who desire to serve God to know the authority of God. God's authority is absolute, hence we must give Him absolute submission (our heart's attitude) and absolute obedience (our outward actions). But to His delegated authorities we can render absolute submission, but only relative obedience. For their authorities are circumscribed by the measure of the life of Christ in them. Only when they themselves submit to God's authority in them are they able to represent God. Hence there is much we have to learn about how to represent God.

The Orthodoxy of the Church & Authority and Submission Watchman Nee, Volume 47 of The Collected Works is composed of two books by Watchman Nee on the subject of the church and authority in the church. The Orthodoxy of the Church is based on a Bible study conducted by Watchman Nee during the period between 1942 and 1948. This section of Volume 47 has been previously published as a separate title. Authority and Submission, based on a series of messages given

by Watchman Nee in his training at Kuling Mountain in 1948 through 1949, contains two distinct but related parts. In 1988 the Living Stream Ministry published the first part under the title Authority and Submission, covering the general subject of spiritual authority and submission. Volume 47 of The Collected Works includes a second, previously untranslated part, covering the matter of being God's deputy authority.

Spiritual Authority Volume One Ronald E Cottle,2021-06-14 If there is no word of authority, there is no order or government, and if there is no order or government, there is no Church (Ekklesia) or Kingdom. Another book in his classic series, Ron Cottle Teaches The Masters, Dr. Cottle represents the great truths from Watchman Nee's book, Spiritual Authority,

SPIRITUAL AUTHORITY Rogelio Razo,2025-07-02 Have you ever wondered what it means to exercise spiritual authority from a biblical perspective? This book invites you to explore the foundations of spiritual leadership, its impact on Christian life, and its relevance amid the challenges of today's world. Throughout its pages, you will discover how spiritual authority can transform both personal life and faith communities, bringing clarity, purpose, and direction in a constantly changing world. Divided into three parts, Spiritual Authority begins by establishing the biblical foundations of the subject, examining the practices of the early church and the role of the Holy Spirit as guide and enabler. In the second part, it analyzes how spiritual authority influences ethical and moral decisions, also offering practical tools for conflict resolution. Lastly, it presents a guide for spiritual leadership in the 21st century, highlighting the essential characteristics of governance within faith communities and the blessings of embracing this calling. Ideal for spiritual leaders and believers, this book combines a practical approach with biblical principles, inspiring readers to lead with integrity, wisdom, and a divine purpose.

SPIRITUAL AUTHORITY: What's it Really all about? Ralph Good,2016-11-23 If we do not know the responsibilities and boundaries of Spiritual Authorities, how can we possibly know if those who represent themselves as authorities in our lives are expressing God's authority, or authority scripture attributes to Satan, the Devil, the Beast and the Kingdom of Darkness, as the same Greek is used to define all of them, but sometimes it is translated differently! Romans 13:1,2 tells us, "all authority is of God and has been established by God, whoever resists them resists what God has established and brings judgment on themselves." So, why did we teach our children in our Sunday Schools to model their lives after the great heroes of the Christian Faith who openly defied the authorities God placed in their lives and faced judgment? True Spiritual Authority will never lead anyone to violate the First Command, separating them from God, leading to their ultimate destruction. That's what the Serpent did to Adam and Eve in the Garden of Eden!

Concerning Spirituals Volume 2 Stephen Kaung,2025-03-13 God is working to recover His kingdom on this earth. Our Lord Jesus came into this world to re-establish God's authority. As the church of God, do we know that it is through the obedience of the church to the authority of God, that He is to recover the whole earth? In this book, Stephen Kaung

addresses these matters and many spiritual principles from God's Word. His spoken ministry on the themes of Spiritual Authority, Spiritual House, and Spiritual Submission, given at the Northeast Christian Weekend Conferences, is compiled here in the second volume of Concerning Spirituals.

Dissident Women, Beguines, and the Quest for Spiritual Authority Catherine Lambert, 2024-11-12 *Dissident Women, Beguines, and the Quest for Spiritual Authority* focuses on the responses of a group of twenty-first-century women to the lives and writings of thirteenth-century beguine mystics, and reveals how the struggle to discover their own inner spiritual authority connects two groups of women across centuries. For contemporary women who are disenchanted with the institutional church and who seek spiritual direction, models deeply rooted within the tradition may not be the most helpful. The author explores the value of exemplars from the fringes, ushering Hadewijch of Brabant, Mechthild of Magdeburg, and Marguerite Porete into the spotlight. The contemporary women studied developed a relationship with the beguines that transformed and influenced their own journeys. Their encounters underline the importance of re-membling the beguine mystics, the value of contemplative engagement with historical mystics, and the need for explicit validation of the richness of the edges of tradition within spiritual direction. *Dissident Women, Beguines, and the Quest for Spiritual Authority* will be of particular interest to scholars of mysticism and spirituality as well as practical, pastoral, and feminist theology.

Full Spiritual Authority Jefferson Netto, 2005-12-13 I have been waiting for the day when someone I know who believes and submits to authority would write a book on Spiritual Authority. Jefferson Netto has the unique ability to communicate the most complex principle of all, Spiritual Authority, in a very simple way. I was inspired when I read *Full Spiritual Authority*. I know that this book will inspire you also to live a life of excellence and fulfill the call of God upon your life. In these last days God is looking for Christians, men and women, who will submit to His full Spiritual Authority and will be used to open the eyes of many who think submission to authority is another form of slavery. The enemy submits to Jesus' authority because Jesus submitted to the full authority of His Father. The only time the enemy will submit to the Christ in us is when we come to the full knowledge of Spiritual Authority. Jefferson Netto has given us sufficient information we need to come to the full knowledge of this important principle. It is my prayer that every child of God who desires to be used by Him will have the opportunity to read this wonderful book. -Dr. George Gunn Ghana-Africa

Post-Charismatic Robby McAlpine, 2023-08-14 "Our weekly Charismatics Anonymous meeting is about to begin. Join me, will you?" It's like we're caught between a rock and a hard place. We're "continuationists." We believe all the gifts of the Holy Spirit are alive and well and essential for today. But we've also been burned by unbiblical teachings, spiritual abuse, and the gaslighting subculture of pneuma-fomo (fear of missing out on the next great move of the Spirit). We yearn for the Spirit's presence and power in our lives. We don't want to "throw the baby out with the bathwater," but the water's teeming with spiteful pathogens. It's time to roll up our sleeves and take responsibility for disinfecting the tub. Toxic beliefs have

produced spiritual casualties among Pentecostals and charismatics for far too long. Our Kairos moment has arrived. Let's hone the charismata of discernment.

Growing Women in Ministry Anna R. Morgan, 2024-10-29 While many aspects of leadership development are similar for women and men, women face different cultural expectations and have different experiences than their male counterparts. Anna Morgan's own experiences in pastoral ministry leadership launched her search for a holistic way to grow the skills, influence, and authority of women who are gifted and called as leaders. This book provides a positive, comprehensive, research-based model for developing women in church and ministry leadership. Morgan identifies seven aspects of leadership development that form a woman over her lifetime. Three work inwardly as a woman grows in leadership: spiritual calling, giftedness, and emotional intelligence. Four work externally to shape her authority and influence: home life supports, ministry leadership contexts, leadership relationships, and communication. *Growing Women in Ministry* offers a new way to understand how women leaders are formed and how they rise to become influential leaders in positions of authority in churches and ministries. It is written in a clear, accessible style for both female ministry leaders and men seeking to promote female leaders. It includes policy suggestions, strategies, values for ideal growing conditions, and discussion questions, making it an ideal resource for ministry, practical theology, and leadership courses, church and parachurch leaders, and pastors.
