G Orfield

The Air He Breathes Brittainy Cherry, 2024 Elizabeth is still reeling from the death of her husband that took place a year prior. She and her young daughter, Emma, took a year to stay with Elizabeth's mother. When the time has come, Elizabeth and Emma choose to return to their hometown of Meadows Creek, Wisconsin. On the drive back into town, Elizabeth accidentally hits a dog, and the owner grumpily dashes into the street and demands Elizabeth takes him and the dog to the vet. Tristan is the owner of the dog. He's cold and distant, but Elizabeth connects to him in some odd way, even if they didn't have the best first meetings. It is later discovered that Tristan Cole is Elizabeth's new neighbor, and he is tagged as the town's grumpy jerk who is closed-off to everyone around him, outside of Mr. Henson, Tristan's odd and quirky boss who owns the shop Needful Things. While Tristan tries his best to keep his distance from Elizabeth, their paths keep crossing in the small town. The townspeople warn Elizabeth to keep her distance from Tristan, as he's a bad seed, but she cannot help but feel drawn to his darkness. During one of their crossings, Tristan snaps at Elizabeth, telling her that he doesn't want to get to know her, or be her friend, even though she keeps insisting on that happening. He ends up kissing her, which throws them both for a loop, and after said kiss, he accidentally makes her fall down the hill they are standing on, making her get scrapped up and injured. During their next crossing, Tristan finds Elizabeth wandering drunk in the wooded area behind their homes, and he helps her to his house after realizing she's too wasted to be outside alone. They have a heart-to-heart and learn about one another's losses. It is after that connection that they come up with the bad idea to use one another to feel again. They began having a fling, using sex to feel connected to another, to make believe that their loved ones are still around, yet it goes sideways once Elizabeth's grief becomes too loud. It is at that point that Tristan decides that being friends with Elizabeth would be the right option instead of using sex to forget. While the two are building their friendship, and are falling more and more for one another, the best friend of Elizabeth's late husband, Tanner, makes it known that he has feelings for her. Elizabeth explains to Tanner that she cares for him, but not in that way. After Tanner takes the rejection, he is livid to find out that she is seeing the town's jerk, Tristan. Tanner threatens Tristan, and tries to trigger him from time to time, to make him snap in front of Elizabeth. After none of Tanner's tricks works, he goes the extra mile by notifying Elizabeth that it was her late husband who was in the car accident with Tristan's late wife and his son, which led to their deaths. Elizabeth doesn't handle this news well but keeps it to herself because she knows it will destroy Tristan. That was

when Tanner took the news and revealed it to Tristan, making Tristan harshly end things with Elizabeth. He leaves town and goes to see his parents, where he falls apart. It is then in those conversations that he learns the night of the accident, after Elizabeth loss her husband, she found Tristan's mom in the lobby of the hospital alone. Elizabeth comforted her, and then went and sat with Tristan's wife so she wouldn't be alone while Tristan's mom went to check on his son. The story concludes with Elizabeth learning that Tanner was the one who messed with her late husband's car, which in turn caused the accident. She learns how obsessed he had been with Elizabeth for years. Tanner caused the accident in order to get Elizabeth's husband out of the picture, so he could be the man in her life. Once Tristan connected those dots, he returned to town to protect Elizabeth and Emma from the craziness that was Tanner. After making sure everyone was safe, Tristan confesses his love for Elizabeth, who loves him fully back, and they begin to build a new life together, while still honoring their loved ones from the past. The Air He Breathes is a story of hope, of compassion, and the true meaning of love--
