T. Taylor

The Contract Melanie Moreland, 2016-05-16 A tyrant by day, a playboy by night. That is the reputation that precedes Richard VanRyan. He lives life the way he wants, no concern for the opinion of others. He cares for no one, is completely unrepentant, and he has no desire to change his ways. Katharine Elliott works under Richard as his PA. She despises him and his questionable ethics, but endures all the garbage he sends her way, because she needs the job. Her end goal is far more important than the daily abuse and demands she tolerates from her nasty tyrant of a boss. Until the day, he asks her for something she never expected. A new role with a personal contract: fiancée instead of PA. What happens when two people who loathe each other, have to live together and act as though they are madly in love? Sparks. That's what happens. Can the power of love really change a person? Will they survive the contract? What do you do when the one person you hate the most becomes the one person you can't live without?

And yet something isn't right. Something from her past is haunting her, and no matter what I do to help her break free, I lose her. Today is the day I try to win her back. Not only do I need an explanation, I need her in my bed once again. I don't just want a damn picture—I want her. Because what we have is a love that never fades away. . . .
