**Summary & Analysis of The Extraordinary Life of Sam Hell : a Novel [by Robert Dugoni]** Gregory L. Smith, 2022  
Sam Hill always saw the world through different eyes. Born with red pupils, he was called Devil Boy or Sam Hell by his classmates; God's will is what his mother called his ocular albinism. Her words were of little comfort, but Sam persevered, buoyed by his mother's devout faith, his father's practical wisdom, and his two other misfit friends. Sam believed it was God who sent Ernie Cantwell, the only African American kid in his class, to be the friend he so desperately needed. And that it was God's idea for Mickie Kennedy to storm into Our Lady of Mercy like a tornado, uprooting every rule Sam had been taught about boys and girls. Forty years later, Sam, a small-town eye doctor, is no longer certain anything was by design--especially not the tragedy that caused him to turn his back on his friends, his hometown, and the life he'd always known. Running from the pain, eyes closed, served little purpose. Now, as he looks back on his life, Sam embarks on a journey that will take him halfway around the world. This time, his eyes are wide open--bringing into clear view what changed him, defined him, and made him so afraid, until he can finally see what truly matters.

*The Ascension Within* Robert DeVinck,2020-09-24 Robert DeVinck spent 57 years searching for the answers to Life's most important questions - in all the "obvious" places. He travelled the world over, thinking that he would find God by going to church, Love by getting married, Truth by going to college, and Purpose by having a steady job. What he discovered, instead, is that most of Life's essential truths are seldom, if ever, to be found "out there." Only when he began his transformational work of addiction recovery was he able to find most of those crucial answers - in the last place he ever thought to look - deep within himself. By finally "dying" to his False Self (the persona he wished to portray to the world), DeVinck was free to begin his spiritual journey, his Ascension Within, to rediscover the pure, uncorrupted soul he was at birth. Only within that sacred inner sanctum was he able to reconnect to the Indwelling Spirit of God, the Divine spark he shared with all of humanity. In his follow-up book to *The Pono Principle*, the author presents the most profound spiritual, philosophical, and psychological truth of the ages: the universe is within you. When we recognize that we are all stardust, that we share the same cosmic DNA, we can then understand that the universe resides within each of us. Only then will we discover our oneness with creation - and with our Creator.

**What We Can't Have: Hollywood Hot Shots** Selina Violet,2024-07-16 The right song can touch your soul... Becoming a songwriter was never on Sydney Campbell's radar. No; she chose a music major to one day inspire children as an educator. But all that changed when she met him... Paired together on an important assignment, Austin Mitchell—the country star wannabe—quickly becomes the bane of her existence. Majoring in partying, his carefree attitude causes the duo to clash at every turn. Despite the tension, they make beautiful music together, creating a song powerful enough to change the trajectory of their lives... Forced together, the two battle to cope with their budding attraction as they struggle to navigate the pitfalls of the Los Angeles music industry. Working as a team allows them to grow closer, however, outside forces keep them from fully committing to the partnership. And Austin's carousing, along with his revolving door of one-night stands, doesn't help Sydney trust his dedication. The opportunity of a lifetime hangs in the balance. Will they finally sync to become stars? Or will Austin's actions make them just a one-hit wonder? *Hollywood Hot Shots* is the first installment in the *What We Can't Have* Trilogy. This story is a spicy, contemporary, opposites-attract novel featuring a curvy heroine and tortured hero that you can't help but fall for. If you like compelling characters, light drama, and spicy scenes, then you'll adore Selina Violet's coming-of-age adventure.

*Private Investigations* Victoria Zackheim,2020-04-21 In this thrilling anthology, bestselling mystery writers abandon the cloak of fiction to investigate the suspenseful secrets in their own lives. For many of us, a good, heart-pounding mystery is the perfect escape from real-world confusion and chaos. But what about the writers who create those stories of suspense and

intrigue? How do our favorite novelists cope with our perplexing world, and what mysteries keep them up at night? In *Private Investigations*, twenty fan-favorite mystery writers share first-person tales of mysteries they've encountered at home and in the world. Caroline Leavitt regales us with a medical mystery, recounting a time when she lost her voice and doctors couldn't find a cure, Martin Limón travels back to his military stint in Korea to grapple with the crimes of war, Anne Perry ponders the magical powers of stories conjured from writers' imaginations, and more. Exploring all the tropes of the genre -- from haunted houses and elusive perpetrators to regrouping after missed signals have derailed them -- these writers' true tales show just how much art imitates life, and how, ultimately, we are all private investigators in our own real-world dramas.

The book then explores current trends in research regarding contemporary topics such as trauma informed practices, social emotional learning, and social justice. **The World Played Chess** Robert Dugoni, 2021-09-14 A fearless and sensitive coming-of-age story. I loved it. --Mark Sullivan, bestselling author of *Beneath a Scarlet Sky* and *The Last Green Valley*. Bestselling author Robert Dugoni returns with an emotionally arresting follow-up to *The Extraordinary Life of Sam Hell*. In 1979, Vincent Bianco has just graduated high school. His only desire: collect a little beer money and enjoy his final summer before college. So he lands a job as a laborer on a construction crew. Working alongside two Vietnam vets, one suffering from PTSD, Vincent gets the education of a lifetime. Now forty years later, with his own son leaving for college, the lessons of that summer--Vincent's last taste of innocence and first taste of real life--dramatically unfold in a novel about breaking away, shaping a life, and seeking one's own destiny.
