Three Weeks to Say Goodbye C. J. Box, 2009 The New York Times bestselling author of Blue Heaven delivers a breathtaking new thriller about a man who will do just about anything to protect his wife and adopted daughter.

The C. J. Box Collection C.J. Box, 2015-07-07 Here together for the first time in a convenient ebook bundle, four thrilling mysteries from Edgar Award-winning, New York Times bestselling author C.J. Box: Blue Heaven A twelve-year-old girl and her younger brother are on the run in the Idaho woods, pursued by four men they have just watched commit murder. Retired policemen from Los Angeles, the killers easily persuade the local sheriff to let them lead the search for the missing children. Now there's nowhere left for William and Annie to hide...and no one they can trust. Until they meet Jess Rawlins. Rawlins is only one against four men who will stop at nothing to silence their witnesses. But in this thrilling mystery novel from C.J. Box, these ex-cops don't know just how far Rawlins will go to protect William and Annie...and see that justice is done. Three Weeks to Say Goodbye Jack and Melissa McGuane have spent years trying to have a baby. Finally their dream has come true with the adoption of their daughter, Angelina. But nine months after bringing her home, they receive a devastating phone call...Angelina's birth father, a teenager, never signed away his parental rights-and he wants her back. Worse, his father, a powerful Denver judge, will use every trick in the book to make sure it happens. The McGuanes attempt to meet face-to-face with the father and son...but soon it becomes clear that there's something sinister about their motivations-and that love for Angelina is not one of them. A horrifying game of intimidation and double crosses begins that quickly becomes a death spiral where everyone is suspect and no one is safe. Now Jack and Melissa will stop at nothing to protect their child-even though time is running out... Back of Beyond Cody Hoyt, although a brilliant cop, is an alcoholic struggling with two months of sobriety when his friend Hank Winters turns up dead in a remote mountain cabin. At first it looks like the suicide of a man who's fallen off the wagon, but Cody knows Hank better than that. As Cody digs deeper into the case, all roads lead to foul play. After years of bad behavior with his department, Cody in no position to be investigating a homicide. But he will stop at nothing to find out who murdered Hank. And why... The Highway When two sisters set out across a remote stretch of Montana road to visit their friend, little do they know it will be the last time anyone might ever hear from them again. The girls—and their car—simply vanish. Former police investigator Cody Hoyt has just lost his job and has fallen off the wagon after a long stretch of sobriety. Convinced by his son and his former rookie partner, Cassie Dewell,

he begins the drive south to the girls' last known location. As Cody makes his way to the lonely stretch of Montana highway where they went missing, Cassie discovers that Gracie and Danielle Sullivan aren't the first girls who have disappeared in this area. This majestic landscape is the hunting ground for a killer whose viciousness is outmatched only by his intelligence. And he might not be working alone. Time is running out for Gracie and Danielle...Can Cassie overcome her doubts and lack of experience and use her innate skill? Can Cody Hoyt battle his own demons and find this killer before another victim vanishes on the highway?

Journey Thru Love Alexis Pettway,2014-04-10 Funny thing about Love is that we rarely see it coming especially for the first time. It sidelines our hearts and repositions our minds. The journey of falling in love is a road we all travel and discover the happiness, the pain, the countless emotions that unravel. Journey Thru Love takes you down my path of falling in love for the first time. As odd as the journey was, I hold it dear because it was mine. Peer deep into my sea of emotions in a time when I was drowning in love, not knowing if I'd ever see the surface above. So open your heart and your mind and travel this road with me. As I pour out my heart and soul for you to see. And in every line, every poem, my heart and soul is what you'll see.

My Life: Everything but Buy the Book Scott Ludwig,2013-08-19 To: Editor, Atlanta Journal-Constitution I believe your newspaper has been missing something for the last two decades. In fact it was the original reason I became a loyal subscriber in the first place: the thriceweekly columns of my all-time favorite writer, the late, great Lewis Grizzard. Trust me when I say that as a loyal University of Florida graduate it's difficult for me to admit there is actually something good that came out of the University of Georgia, and that something would be Lewis Grizzard. Born and raised in nearby Moreland (I reside in Peachtree City, Georgia), Grizzard had a major influence on my writing style. This is my sixth self-published book; one of them sold so well a publisher came a-calling to buy the rights to it. Now I'd like to take my writing to the next level. That's where you come in. Consider this book as both my job application and resume for a position on your editorial staff. Everything here on the back cover is my cover letter to you. I leave you with one simple question: When do I start?
