*Crave* Tracy Wolff, 2020-04-07 The instant #1 New York Times Bestselling Series Glitter Magazine's #1 Pick for Best YA of 2020 Optioned for Film by Universal My whole world changed when I stepped inside the academy. Nothing is right about this place or the other students in it. Here I am, a mere mortal among gods...or monsters. I still can't decide which of these warring factions I belong to, if I belong at all. I only know the one thing that unites them is their hatred of me. Then there's Jaxon Vega. A vampire with deadly secrets who hasn't felt anything for a hundred years. But there's something about him that calls to me, something broken in him that somehow fits with what's broken in me. Which could spell death for us all. Because Jaxon walled himself off for a reason. And now someone wants to wake a sleeping monster, and I'm wondering if I was brought here intentionally—as the bait. \*\*\*INCLUDES 3 BONUS SCENES FROM THE HERO'S POV\*\*\* Don't miss a single book in the series that spawned a phenomenon! **Charm** Tracy Wolff, 2022-11-08 The instant #1 New York Times Bestselling Series Goodreads Most Anticipated YA Book of November Finally find out what happened during those missing four months, as the thrilling adventure continues! He's under my skin... After Katmere, I shouldn't be surprised by anything. Including the existence of a world beyond my world called the Shadow Realm. Yet here I am, stuck in a strange, dangerous place with the worst of the supernaturals, the monster that other monsters fear: Hudson Vega. He might be Jaxon's brother and ridiculously hot, but he's a complete bona fide pain in my ass. The question is whether we'll find a way out before I kill him...or run out of time. She's stealing my heart... It's a truth universally known—at least according to Grace—that everything is my fault. But I have a nasty suspicion that Grace isn't as human as she thinks, and she's the one keeping us trapped. Now we'll have to work together not only to survive, but to save all those we've come to call family who live here. Because there's something connecting us. Something stronger than fear...and way more bloody dangerous. Don't miss a single book in the series that spawned a phenomenon! *Court* Tracy Wolff, 2022-02-01 The instant #1 New York Times Bestselling Series No one survived the last battle unscathed. Flint is angry at the world, Jaxon is turning into something I don't recognize, and Hudson has put up a wall I'm not sure I'll ever break through. Now war is coming, and we're not ready. We're going to need an army to have any hope of

winning. But first, there are questions about my ancestors that need answers. Answers that might just reveal who the real monster is among us. And that's saying something in a world filled with bloodthirsty vampires, immortal gargoyles, and an ancient battle between two gods. There's no guarantee that anyone will be left standing when the dust settles, but if we want to save this world, I have no choice. I'll have to embrace every part of me...even the parts I fear the most. Don't miss a single book in the series that spawned a phenomenon! *Cherish* Tracy Wolff, 2023-05-30 The sensational conclusion to the massive #1 New York Times bestselling series... It's been over three months since my friends and I took down Cyrus. Three months where my biggest fear was what paper was due next... But I should have known it was too good to last. Now everything is falling apart. The Vampire Court has no king, the Dragon Court has no heart, and the Gargoyle Court has me—a teenager in way over her head. And it's the worst possible timing, because a threat is brewing just as the Circle is collapsing. I have no choice but to return to the Shadow Realm and face the terrifying queen who nearly ended us...and make a deal with her to save Mekhi. But this time, I'm bringing my powerful friends with me—and Hudson. Except something is wrong with him, too. He's keeping a secret—even from me. **Sweet Nightmare** Tracy Wolff, 2024-05-07 The instant New York Times bestseller This beguiling series opener...checks all the boxes for romantasy veterans. – Publishers Weekly The scariest school on earth Is about to experience real fear... Most schools are about being the best. This school? It's about being the worst. Calder Academy is where the rogue paranormals go. The ones who break the rules or lose control. And when that happens for vamps, werewolves, witches, and dark fae? It gets pretty freaking scary. I should know. Because I'm trapped here. Look, every seventeen-year-old girl thinks their mom is a tyrant. But mine just happens to run Calder Academy, which paints a giant target on my back. The way I make it through these dark halls is by steering clear of the things—and kids—who go bump in the night. Especially Jude Abernathy-Lee. But when a freak storm hits our isolated island, I'm stuck without a backup plan. The power is gone. The lights are out. And our worst nightmares are suddenly real—and out for blood. Now the only way to survive is to align myself with one evil to avoid the other. And the only thing worse than the idea of getting close to Jude? Secretly loving every minute of it. The Calder Academy series is best enjoyed in order. Reading Order: Book #1 Sweet Nightmare Book #2 Sweet Chaos Book #3 Sweet Vengeance

*Covet* Tracy Wolff, 2021-03-02 The instant #1 New York Times Bestselling Series I may have reached my breaking point. As if trying to graduate from a school for supernaturals isn't stressful enough, my relationship status has gone from complicated to a straight-up dumpster fire. Oh, and the Bloodletter has decided to drop a bomb of epic proportions on us all... Then again, when has anything at Katmere Academy not been intense? And the hits just keep coming. Jaxon's turned colder than an Alaskan winter. The Circle is splintered over my upcoming coronation. As if things couldn't get worse, now there's an arrest warrant for Hudson's and my supposed crimes—which apparently means a lifetime prison sentence with a deadly unbreakable curse. Choices will have to be made...and I fear not everyone will survive. Don't miss a single book in the series that spawned a phenomenon! **8 Souls** Rachel Rust,2019-05-06 Spending the summer across the street from the famous Axe Murder House in Villisca, Iowa isn't something Chessie Carpenter is looking forward to. But when she runs into David Higgins at his father's hardware store there's something about the cute boy that feels so familiar. If only she could pinpoint why. When the ghost squad she calls to help her deal with the spirits invading her room turns out to be David and his friend, Mateo, the three sort out the clues that would explain the century old murder mystery. But the closer Chessie gets to David, the more everything she learns points to him somehow being involved. As her time in Villisca runs out, Chessie must figure out the ties that connect her, David, and the spirits haunting the Axe Murder House before it's too late...for all of them.

Soul of the Stone Sharina Harris,2024-10-07 Slay like no one is watching...in the jaw-dropping, vamp-enemies-to-lovers sequel to Sign of the Slayer There are things I love about being a slayer. Being faster and stronger than everyone else? Love it. Taking down a bunch of evil bloodsuckers before they feed on the innocent? That's my vibe. Working with the American Slayer Society and creating weapons out of thin air? Here for all of it. But there are some things I didn't sign up for, and they're becoming increasingly harder to deal with. People making my life miserable, vampire treachery, heavy-as-all-hell responsibilities I didn't ask for...all the pressure is growing. Exponentially. I didn't ask for any of it. Not the black-out rage that's consuming my closest relationships. Not the lies fed to me by those I trusted—and even my own family. And definitely not the voices from the stone that follow me wherever I go. Guiding me. Taunting me. Haunting me. Because there's big work to do, and the greatest—and oldest—threat to humanity is now alive, kicking, and thirsty as hell. None of us are safe. And the only person who can help me is the one whose kiss can ignite my soul...or shatter it to a thousand slayer pieces. Catching feelings is one thing. But following him into the underworld to save the world? That's an even more terrifying problem. The American Slayer Society series is best enjoyed in order. *A Sucker for You* Marlene Perez,2022-10-24 Vampire-witch hybrid Tansy Mariotti has exactly one goal: to stop her mother's Vegas wedding. It's not because she hates weddings. It's not because the groom is her boyfriend's dad (although yuck). It's not even because Vegas weddings are cliché as hell. It's because her mom is an evil incarnate vamp known as The Executioner. Nothing good can come of someone marrying a person named The Executioner. Nothing. With the help of her werewolf boyfriend, her bestie, her granny's no-crave-blood tonic, and her favorite stake—a drumstick—Tansy is Vegas-bound and ready to raise hell, all while hoping her witch side can keep her fangs at bay. Only suddenly, her witch side is fading...fast. Tansy's running out of time to stop her mom and save herself—before what happens in Vegas stakes in Vegas. **Down & Dirty** Tracy Wolff, 2017-05-23 Hard-bodied football star Hunter is used to scoring. But he needs all the right moves to get past a fiery redhead's defenses in this steamy standalone novel from the New York Times bestselling author of the Crave series. Emerson: Talk about bad first impressions. I have too much riding on this job to show up late on my first day looking like the winner of a wet T-shirt contest, all thanks to an arrogant quarterback who drives like he owns the road. Hunter Browning thinks that because he's famous, he can fix everything with a smile and a wave of his hand. He's too bronzed, buff, and beautiful for his own good. Or mine. I can't let on that I'm a fan . . . no matter how much fun we'd have in the sack. Hunter: Hitting that puddle was my best play since winning the Super Bowl with a touchdown pass. Sure, it's not my preferred way to get a girl wet, but I'll make an exception for Emerson Day. She's got a sharp tongue and a red-hot temper, even with her soaking clothes plastered to her every curve. Now I know exactly what my next play will be: hire Emerson as my personal real-estate agent, save her job—and see if I can take her off the market.
