Up Against the Night Justin Cartwright, 2015-08-27 From Whitbread Novel Award-winning and Booker Prize-shortlisted author Justin Cartwright comes an intimate exploration of one man's relationship with South Africa and its turbulent history 'Justin Cartwright is one of our best novelists' Telegraph 'Cartwright is as accomplished as anyone writing fiction today' Scotsman 'This is Cartwright at his best, delivering a strong story with skill and feeling' Mail on Sunday 'History . . . is seldom able to convey the essence of being human.' Frank McAllister has become wealthy in England, where he has lived for thirty years. He has a house in Notting Hill, a house in the New Forest, and a house near Cape Town. But more and more he feels alienated in England. As the book opens, he is preparing to go to South Africa with his lover, Nellie. He is also waiting anxiously for his daughter, Lucinda, to arrive from California, where she has been in rehab. Frank is a descendant of the Boer leader, Piet Retief, who was murdered by the Zulu king Dingane, along with all his followers, in 1838. He has been an icon of Afrikaners ever since. Frank's Afrikaner cousin, Jaco, has become moderately famous on YouTube for having faced down a huge white shark. He is now in America, where he has joined the Scientologists. His chaotic and violent life spills over on to Frank. He is drawn into a world of violence and delusion that is to threaten the family. _____ Justin Cartwright possesses that rarest of novelist's skills - the ability to create fiction which is intensely serious but which also vividly encompasses the absurdity and comedy of life. *Up Against the Night* is a subtle, brilliant novel about South Africa, its beautiful, superbly evoked landscape, its violent past and its uncertain present. Justin Cartwright is a descendant of Piet Retief.

*Up Against the Wall Motherf**er* Osha Neumann, 2011-01-04 They called themselves the Motherfuckers; others called them a street gang with an analysis. Osha Neumann's thoughtful, funny, and honest account of his part in '60s counterculture is also an unflinching look at what all that rebellion of the past means today. The fast moving story follows the establishment of the Motherfuckers, who influenced the Yippies and members of SDS; makes vivid the art, music, and politics of the era; and reveals the colorful, often deeply strange, personalities that gave the movement its momentum. Abbie Hoffman said the Motherfuckers were the middle-class nightmare . . . an antimedia media phenomenon simply because their

name could not be printed. In the few years of its existence the group forced its way into the Pentagon during a war protest, helped occupy one of the buildings in the Columbia University takeover, and cut the fences at Woodstock to allow thousands in for free, among many other feats of radical derring-do. Progressing from a fractured family of intellectuals to rebellion in the streets of New York and on to communes in California, Newmann shows us a view of a life led in rebellion, anger, and eventually a tentative peace.

When the Wilderness Calls - Bertrand W. Sinclair Collection Bertrand William Sinclair, 2023-11-25 In *When the Wilderness Calls - Bertrand W. Sinclair Collection*, the esteemed author Bertrand W. Sinclair compiles a rich tapestry of narratives that explore the rugged beauty and relentless challenges of the North American wilderness. Sinclair's distinctive literary style melds vivid descriptions with insightful characterizations, immersing readers in the elemental struggle between humanity and nature. His keen observations of the wild, articulated through a blend of realism and romanticism, frame a larger commentary on existential themes and the indomitable spirit of adventure that characterizes early 20th-century literature, particularly the burgeoning genre of outdoor writing. Bertrand W. Sinclair, born in 1871, was a Canadian novelist and journalist whose life experiences deeply influenced his writing. Sinclair's background in the Klondike Gold Rush and his passion for the great outdoors provided a rich well of inspiration from which to draw. His intimate connection with the wilderness is palpable throughout this collection, embodying the ideals of exploration and self-discovery while reflecting on the harsh yet poignant realities of frontier life. This collection is highly recommended for those who revel in nature's allure and are drawn to tales of human resilience. Sinclair's captivating narratives are perfect for readers seeking an authentic glimpse into the wilderness experience, highlighting both the physical and emotional trials endured in pursuit of freedom and adventure.

Up Against the Wall, America Craig McGregor, 1973

Hunger for the Wild Michael L. Johnson, 2007 Americans have had an enduring yet ambivalent obsession with the West as both a place and a state of mind. Michael L. Johnson considers how that obsession originated, how it has determined attitudes toward and activities in the West, and how it has changed over the centuries.

The Wild North Land Sir William Francis Butler, 1874 Journey from Fort Garry to Pacific on behalf of Canadian Government to investigate conditions among Indians in west, by way of Lake Athabasca and Peace River.

Red Lodge and the Mythic West Bonnie Christensen, 2002 Tracing the story of Red Lodge from the 1880s to the present, Christensen tells how a mining town managed to endure the vagaries of the West's unpredictable extractive-industries economy. She connects Red Lodge to a myriad of larger events and historical forces to show how national and regional influences have contributed to the development of local identities, exploring how and why westerners first rejected and then embraced western images, and how ethnicity, wilderness, and historic preservation became part of the identity that
