**Developing a Cosmic Ideology Based on Holy Scripture** Daniel H. Shubin, 2024-04-01 The purpose of this compilation of dissertations is to provide the author's interpretive theology of Sacred Scripture. This volume is called *Developing a Cosmic Ideology Based on Holy Scripture* because it is all encompassing, dealing with the topics of the realm of spirit and the realm of matter. The topics covered under the realm of spirit include the LORD (Yahweh) God and the invisible world of heaven; the realm of matter is the material created universe, including humanity, the earth, and all creation, its purpose and future. This volume will answer the question as to why there is something instead of nothing, and why there is creation, time, life, and infinity, all evolving from the concept that God is love.

University who's not about to let couture and klieg lights get in the way of an Ivy League education.
