

Abandon All Hope Tattoo

Yijin Wang

The Sherlockian Graham Moore, 2010-12-01 Hurling from present day New York to Victorian London, *The Sherlockian* weaves the history of Sherlock Holmes and Sir Arthur Conan Doyle into an inspired and entertaining double mystery that proves to be anything but elementary. In December 1893, Sherlock Holmes-adoring Londoners eagerly opened their Strand magazines, anticipating the detective's next adventure, only to find the unthinkable: his creator, Arthur Conan Doyle, had killed their hero off. London spiraled into mourning-crowds sported black armbands in grief-and railed against Conan Doyle as his assassin. Then in 1901, just as abruptly as Conan Doyle had murdered Holmes in *The Final Problem*, he resurrected him. Though the writer kept detailed diaries of his days and work, Conan Doyle never explained this sudden change of heart. After his death, one of his journals from the interim period was discovered to be missing, and in the decades since, has never been found.... Or has it? When literary researcher Harold White is inducted into the preeminent Sherlock Holmes enthusiast society, *The Baker Street Irregulars*, he never imagines he's about to be thrust onto the hunt for the holy grail of Holmesophiles: the missing diary. But when the world's leading Doylean scholar is found murdered in his hotel room, it is Harold—using wisdom and methods gleaned from countless detective stories—who takes up the search, both for the diary and for the killer.

The King and Queen in India Sir Stanley Reed, 1912

Letters to a Young Conservative Dinesh D'Souza, 2009-04-28 Among the topics Dinesh D'Souza covers in *Letters to a Young Conservative*: -- Fighting Political Correctness -- Authentic vs. Bogus Multiculturalism -- Why Government Is the Problem -- When the Rich Get Richer -- How Affirmative Action Hurts Blacks -- The Feminist Mistake -- All the News That Fits -- How to Harpoon a Liberal -- The Self-Esteem Hoax -- A Republican Realignment? -- Why Conservatives Should Be Cheerful

Far From Home Anne DeGrace, 2009-11-10 “A gorgeous novel of coincidence and redemption....A story that will impact our own lives profoundly.” —Katrina Kittle, author of *The Kindness of Strangers* A wonderful new literary voice in the vein of A. Manette Ansay, Ami McKay, and Joanne Harris, Anne DeGrace makes her U.S. debut with *Far From Home*—a thoughtful and lovely novel about the chance encounters that can change our lives forever. Paulette Jiles, the *New York Times* bestselling author of *Enemy Women*, calls Anne DeGrace “a gifted story teller” and *Far From Home* “thoroughly enjoyable.” The story of a lost teenager who finds herself in a diner in the middle of nowhere, *Far From Home* is superb introduction for

U.S readers to a talented writer who has already made a splash in her native Canada.

The Dartmouth Review Pleads Innocent James Panero,Stefan Beck,2006 In 1980, disaffected editors from the student daily of Dartmouth College founded an off-campus conservative newspaper known as The Dartmouth Review. For twenty-five years, this renegade student publication, funded largely by discontented alumni, has made national headlines through its unique, provocative, and controversial brand of journalism. In doing so, The Dartmouth Review has shined a spotlight on the progressively liberal assumptions of Dartmouth College and of higher education, radically changing the terms of campus debate. This anthology presents the history of The Dartmouth Review in its own words, featuring the student writings of the leading conservative journalists of the Reagan era to the present. It also presents the story of a newspaper under constant attack by a liberal ideology that seeks to silence dissent--and the triumph of that newspaper over those attacks. Featuring additional commentary by William F. Buckley Jr. and Jeffrey Hart, this volume recounts an important chapter in the history of campus activism, Dartmouth College, and the American conservative movement.
