AW Chickering

The Complete Idiot's Guide to Rock Guitar Songs Alfred Music, 2007-08-01 The Complete Idiot's Guide songbooks are designed to get novice guitarists playing immediately, and playing the songs that inspired them to pick up a guitar in the first place. Each song in The Complete Idiot's Guide books is preceded by a lesson that focuses on the most important technical and musical features. Fingerings, patterns, and techniques are discussed and broken down to help make learning smooth and simple. Most guitar songs are relatively easy to play, and the arrangements in these books are simplified just enough to show those core, natural guitar parts without being overcomplicated, just the way a friend might show someone how to play a song one-on-one. Learning is made even simpler with each song written in standard music notation plus TAB and guitar chord diagrams. Learning hit rock songs was never so easy! Pick up The Complete Idiot's Guide to Rock Guitar Songs and learn all 30 tunes from acclaimed artists like Cream, AC/DC, Guns N' Roses, Jimi Hendrix, Green Day, and many more.

Beastie Boys Dennis Abrams, Chuck D, 2009 In 1987, three Jewish boys from New York forever changed the face of pop music. Their first album, *Licensed to Ill* and its smash hit single, (You've Gotta) Fight For Your Right (to Party) created a fresh new sound by blending hip-hop beats with a rock edge and punk attitude, in the process helping to bring hip-hop into the mainstream. Further albums have continued to push musical boundaries while confirming their position as one of the most influential musical groups of our time. And more than just chart-topping musicians, their unwavering commitment to Tibetan freedom and the plight of the Tibetan people has informed and inspired millions. Through a career that has had its share of ups and downs, the Beastie Boys have remained best friends and musical visionaries. This exciting new biography traces the group's transformation from radio-ready brats to elder statesmen of hip-hop.
