More Messy People Women's Bible Study Participant Workbook Jennifer Cowart, 2024-08-20 God can use imperfect people to do incredible things. Jen Cowart continues her study of the very messy lives of biblical heroes—people who, like us, made mistakes but found God was able to use them in powerful ways. They all play a significant role in the biblical narrative, but their stories are far from perfect. Through the lives of rival sisters like Leah and Rachel, or sisters with very different personalities like Martha and Mary, we see God chooses to use people who don't have it all together. Through the lives of great, but imperfect, biblical heroes like Moses, Elijah, Peter, and Paul, we see God meets us in our troubles and chooses us even if we seem unqualified. The Participant Workbook includes five daily readings for each week, combining study of Scripture with personal reflection, application, and prayer and is designed to use with the Leader Guide and DVD.

*Disciple I Becoming Disciples Through Bible Study: Study Manual* Richard B. Wilke, Julia Kitchens Wilke Trust, 2010-09-01 DISCIPLE is a program of disciplined Bible study aimed at developing strong Christian leaders. The study gives the Old and New Testaments equal time, emphasizing the wholeness of the Bible as a revelation of God. DISCIPLE draws upon the work of scholars, the personal Bible reading and study of the participant, and dynamic group discussion to aid understanding of the Bible. The first study in the program is DISCIPLE: BECOMING DISCIPLES THROUGH BIBLE STUDY, a thirty-four week overview of the entire Bible. Commitment and Time Involved Three and one-half to four hours of independent study each week (40 minutes daily for leaders and 30 minutes daily for group members) in preparation for weekly group meetings. Attendance at weekly 2.5 hour meetings. Study Manual Each member of the group needs a study manual and a Bible. The Bible is the text for the study and the study manual will guide group members in their study and preparation for the weekly group session. The study manual also includes suggestions for individual and study-related activities. Space is provided for taking notes while reading Scripture, for recording thoughts and questions arising out of daily study, and for notes during the weekly group session. The titles of the sessions along with theme words and theme verses, and major persons, events, and topics will set the sequence of the biblical story in the minds of the participants. The principal Scripture for each session follows the chronological movement of the biblical story. We recommend the New Interpreters Study Bible More Questions? **Verse by Verse Study of the Gospel of John** Ruth Miller,2021-06 I originally wrote this study for the lady's Bible study I taught in Jordan. Most of the ladies did not have access to a Bible at home and the majority of them could not read. It is designed to be a very simple and basic study of John for people who have had minimal or no prior exposure to the Bible or to Bible study. That said, it also contains some deep truths that God revealed to me as I studied. The 15-week study looks at the book verse by verse. Each lesson is written to be used by the presenting teacher with six or seven review questions for the students at the end of each lesson. Because of the study's design, the teacher is the only one who needs a book. The questions at the end of the lesson are for discussion. May you be blessed as you look at the Gospel of John verse by verse. I used the New American Standard Bible when I wrote this study. This study is suitable for either group or individual study.
