## Carly Simon

*Boys in the Trees* Carly Simon, 2015-11-24 The Instant #1 New York Times Bestseller A People Magazine Top Ten Book of the Year! Intelligent and captivating. Don't miss it. - People Magazine One of the best celebrity memoirs of the year. -The Hollywood Reporter Rock Star. Composer and Lyricist. Feminist Icon. Survivor. Simon's memoir reveals her remarkable life, beginning with her storied childhood as the third daughter of Richard L. Simon, the co-founder of publishing giant Simon & Schuster, her musical debut as half of The Simon Sisters performing folk songs with her sister Lucy in Greenwich Village, to a meteoric solo career that would result in 13 top 40 hits, including the #1 song You're So Vain. She was the first artist in history to win a Grammy Award, an Academy Award and a Golden Globe Award, for her song Let the River Run from the movie Working Girl. The memoir recalls a childhood enriched by music and culture, but also one shrouded in secrets that would eventually tear her family apart. Simon brilliantly captures moments of creative inspiration, the sparks of songs, and the stories behind writing Anticipation and We Have No Secrets among many others. Romantic entanglements with some of the most famous men of the day fueled her confessional lyrics, as well as the unraveling of her storybook marriage to James Taylor.

biography of Carly Simon, from an acclaimed music journalist who has known her for decades Carly Simon has won two Grammys and an Academy Award, and her albums have sold more than forty million copies. Her music has touched countless lives since her debut in the 1970s, yet her own life story has remained unpublished-until now. Tapping private archives, family interviews, and a forty-year friendship with the legend herself, Stephen Davis at last captures Carly Simon's extraordinary journey from shy teenager to superstar. More Room in a Broken Heart candidly covers everything her fans want to know, including: Growing up with her father, publishing mogul Richard Simon The Bob Dylan turning point that launched her career The real story behind You're So Vain Carly's severe stage fright (she's the only musical guest to pretape an SNL segment) Romantic involvements with Mick Jagger, Warren Beatty, and Cat Stevens How Carly and James Taylor went from being pop music's reigning couple to independent souls living at opposite ends of Massachusetts Surviving breast cancer Her recent financial and spiritual crises Along the way, Davis vividly takes readers back to some of the most powerful eras in American music history and delivers a tribute worthy of the artist and her loyal fans, who know that nobody does it better than Carly Simon.

*Girls Like Us* Sheila Weller, 2008-04-08 A groundbreaking and irresistible biography of three of America's most important musical artists—Carole King, Joni Mitchell, and Carly Simon—charts their lives as women at a magical moment in time. Carole King, Joni Mitchell, and Carly Simon remain among the most enduring and important women in popular music. Each woman is distinct. Carole King is the product of outer-borough, middle-class New York City; Joni Mitchell is a granddaughter of Canadian farmers; and Carly Simon is a child of the Manhattan intellectual upper crust. They collectively represent, in their lives and their songs, a great swath of American girls who came of age in the late 1960s. Their stories trace the arc of the now mythic sixties generation—female version—but in a bracingly specific and deeply recalled way, far from cliché. The history of the women of that generation has never been written—until now, through their resonant lives and emblematic songs. Filled with the voices of many dozens of these women's intimates, who are speaking in these pages for the first time, this alternating biography reads like a novel—except it's all true, and the heroines are famous and beloved. Sheila Weller

captures the character of each woman and gives a balanced portrayal enriched by a wealth of new information. *Girls Like Us* is an epic treatment of midcentury women who dared to break tradition and become what none had been before them—confessors in song, rock superstars, and adventurers of heart and soul.

*The Music of Carly Simon* Michael Francis Taylor, 2020-10-15

*Very Best of Carly Simon* C. SIMON, 1999

*The Best of Carly Simon* Carly SIMON, 1991

***The Fisherman's Song*** Carly Simon, 1991 A lyrical tale of an island, and the romance of a man, a woman, and the sea, based on the song of the same title by Carly Simon.

*Reflections* Carly Simon, 2004

*Touched by the Sun* Carly Simon, 2019-10-22 The instant New York Times bestseller | Named one of the ten best books of 2019 by People magazine A chance encounter at a summer party on Martha's Vineyard blossomed into an improbable but enduring friendship. Carly Simon and Jacqueline Kennedy Onassis made an unlikely pair—Carly, a free and artistic spirit still reeling from her recent divorce, searching for meaning, new love, and an anchor; and Jackie, one of the most celebrated, meticulous, unknowable women in American history. Nonetheless, over the next decade their lives merged in inextricable and complex ways, and they forged a connection deeper than either could ever have foreseen. The time they spent together—lingering lunches and creative collaborations, nights out on the town and movie dates—brought a welcome lightness and comfort to their days, but their conversations often veered into more profound territory as they helped each other navigate the shifting waters of life lived, publicly, in the wake of great love and great loss. An intimate, vulnerable, and insightful portrait of the bond that grew between two iconic and starkly different American women, Carly Simon's *Touched by the Sun* is a chronicle, in loving detail, of the late friendship she and Jackie shared. It is a meditation on the ways someone can unexpectedly enter our lives and change its course, as well as a celebration of kinship in all its many forms. In *Touched by the Sun*, Simon reveals an easy-going, playful side of [Jackie] that most people never saw — sneaking a smoke during intermission at the opera, frolicking in the ocean off the Vineyard . . . The woman who would later edit several of Simon's children's books was 'just fun to be around.' —Juliet Pennington, *The Boston Globe*

*Carly Simon* Charles Morse, Ann Morse, 1974 A biography stressing the musical career of composer-folk singer Carly Simon.

*Amy, the Dancing Bear* Carly Simon, 1992 Mother Bear tries to persuade her young daughter Amy to stop dancing and go to bed with unexpected results.

*The Billboard Book of Number One Hits* Fred Bronson, 2003 Provides lists of hit songs by date with information on the artist, songwriter, producer, label, and offering interviews with popular artists.
