Girls Like Us Cristina Alger, 2020-04-07 From the New York Times bestselling author of *The Banker's Wife*, worlds collide when an FBI agent investigates a string of grisly murders on Long Island and faces the impossible question: What happens when the primary suspect is your father? FBI agent Nell Flynn hasn't been home in ten years. Nell and her father, Homicide Detective Martin Flynn, have never had much of a relationship. And Suffolk County will always be awash in memories of her mother, Marisol, who was murdered when Nell was just seven. When Martin dies in a motorcycle accident, Nell returns to the house where she grew up so that she can spread her father's ashes and close his estate. At the behest of her father's partner, Detective Lee Davis, Nell becomes involved in an investigation into the murders of two young women in Suffolk County. The further Nell digs, the more likely it seems to her that her father should be the prime suspect--and that his friends on the police force are covering his tracks. Plagued by doubts about her mother's murder, and her own role in exonerating her father in that case, Nell can't help but ask questions about who killed the two women and why. But she may

not like the answers she finds--not just about those she loves, but about herself.

Suicide of the West Jonah Goldberg, 2020-01-14 NEW YORK TIMES BESTSELLER • An urgent argument that America and other democracies are in peril because they have lost the will to defend the values and institutions that sustain freedom and prosperity. Now updated with a new preface! “Epic and debate-shifting.”—David Brooks, New York Times Only once in the last 250,000 years have humans stumbled upon a way to lift ourselves out of the endless cycle of poverty, hunger, and war that defines most of history. If democracy, individualism, and the free market were humankind’s destiny, they should have appeared and taken hold a bit earlier in the evolutionary record. The emergence of freedom and prosperity was nothing short of a miracle. As Americans we are doubly blessed, because the radical ideas that made the miracle possible were written not just into the Constitution but in our hearts, laying the groundwork for our uniquely prosperous society. Those ideas are: • Our rights come from God, not from the government. • The government belongs to us; we do not belong to it. • The individual is sovereign. We are all captains of our own souls, not bound by the circumstances of our birth. • The fruits of our labors belong to us. In the last few decades, these political virtues have been turned into vices. As we are increasingly taught to view our traditions as a system of oppression, exploitation, and privilege, the principles of liberty and the rule of law are under attack from left and right. For the West to survive, we must renew our sense of gratitude for what our civilization has given us and rediscover the ideals and habits of the heart that led us out of the bloody muck of the past—or back to the muck we will go.

Chasing Rome John Gray, 2022-10-11 From John Gray, bestselling author of *Manchester Christmas* and *Chasing Manhattan*, comes the third novel in a heartwarming trilogy full of charm, romance, and mystery. Always blazing their own path, newly engaged couple Chase and Gavin decide to forego a typical American wedding, followed by a honeymoon in Italy. Instead, they’ll spend the month of December in Rome with a local Italian family, learning the customs and exploring every romantic adventure they can find. On a trip to the famed Colosseum, Chase and Gavin meet an elderly artist who offers them four riddles that he promises will unlock the most romantic places in all of Italy. As the couple deciphers each clue, they are taken from the canals of Venice to the Bridge of Sighs over the Tiber, to a monastery on the Island of Elba — meeting others who are struggling with secrets, love, and loss. They encounter heart-pounding intrigue and old-world charm on the ancient streets of Rome, and discover that almost nothing is as it seems. Will Chase and Gavin make it to their wedding on Christmas Eve or will they forever find themselves *Chasing Rome*?

Party Like a Rockstar J.T. Harding, 2022-02-22 This fun and fast-paced rock-and-roll memoir from hit singer-songwriter J.T. Harding shows what it takes to go from South Detroit to the top of the Nashville charts. In *PARTY LIKE A ROCKSTAR*, J.T. Harding charts his life from a kid growing up in Michigan to a chart-topping songwriter living in Nashville and working with country music stars like Keith Urban and Kenny Chesney. As a kid playing rock n’ roll in his parents’ garage, Harding’s

was a world in which every taste of new music—from KISS to Prince and everyone in between—was a revelation. Inspired by his favorite artists, Harding abandons the classic American Dream and runs away to Los Angeles, where he forms a band and becomes part of the music scene there, all the while selling records to his favorite artists and producers at Tower Records. A story of youth, rebellion, and determination, *PARTY LIKE A ROCKSTAR* is a memoir for music lovers and an invaluable how-to guide for anyone who wants to learn how to write a hit song. Fun and heartfelt, Harding's memoir is the story of one man's unshakable love for rock and roll, how it guided him through some of the greatest tragedies—and greatest triumphs—of his wild and unvarnished life.

Let Me Tell You about Jasper . . . Dana Perino, 2024-09-24 Stories of friends, families, and the dog who transcended politics from the #1 New York Times–bestselling author of *And the Good News Is . . .* Dana Perino is a popular and beloved host on Fox's *The Five*, with over two million followers on social media. While readers admire Dana for her charm, warmth, and insight, she also knows who the real star in her family is: her Vizsla, Jasper—A.K.A. America's Dog. In this new book, Dana tells stories about life and politics—and how dogs can transcend rancor and partisanship. She also talks about how dogs bring families together—like Dana's own, from her career in Washington through her life as a TV star. In addition to all the fun and fabulous dog tales, *Let Me Tell You About Jasper . . .* is fully illustrated with hilarious photoshops so clever they will make you laugh out loud. These photoshops bring Jasper's adventures to life through pop culture, art, sports and history.

And the Good News Is... Dana Perino, 2015-11-24 #1 New York Times Bestseller #1 Wall Street Journal Bestseller From her years as the presidential press secretary to her debates with colleagues on Fox News' *The Five*, Dana Perino reveals the lessons she's learned that have guided her through life, kept her level-headed, and led to her success, even in the face of adversity. Thoughtful, inspiring, and often surprising, *AND THE GOOD NEWS IS . . .* traces Dana Perino's unlikely journey through politics and television. It's a remarkable American story—made up of equal parts determination and clear-eyed optimism. From facing professional challenges and confronting personal fears to stepping up to a podium for a President, Dana has come to expect the unexpected and has an uncanny ability to find the good news in any tough situation. *AND THE GOOD NEWS IS . . .* takes us from her Western childhood in Wyoming and Colorado to a chance meeting on an airplane that changes her life entirely. Then, with refreshing honesty and humor, she recounts her frustration with a string of unsatisfying jobs and living circumstances until a key career tip leads her back to Washington, D.C. to work for the Bush Administration. Dana also shares here her best work and life lessons—tips that will help you to get your point across convincingly while allowing your own grace and personality to shine through. As someone who still believes in working together to solve the problems our nation faces, Dana offers clear, practical advice on how to restore civility to our personal and public conversations. The result is a fascinating read that can help anyone become more successful, productive, and joyously content.

Applied Public Relations Kathy Brittain McKee, Kathy Richardson, Marcie Hinton, Larry F. Lamb, 2010-03-17 Applied Public Relations provides readers with the opportunity to observe and analyze how contemporary businesses and organizations interact with key groups and influences. Through the presentation of cases covering a wide variety of industries, locations, and settings, authors Kathy Brittain McKee and Larry F. Lamb examine how real organizations develop and maintain their relationships, offering valuable insights into contemporary business and organizational management practices. McKee and Lamb place special emphasis on public relations as a strategic management function that must coordinate its planning and activities with key organizational units - human resources, marketing, legal counsel, finance, and operations, among others. A commitment to the ethical practice of public relations underlies the book, and students are challenged not only to assess the effectiveness of the practices outlined, but also to understand the ethical implications of those choices. This second edition includes the following key features: New and updated cases Additional Professional Insight commentaries Expanded use of charts and photos An appendix with the PRSA Member Code of Ethics and the IABC Code of Ethics for Professional Communicators A companion website with resources for the student and the instructor. With its practical orientation and scope, Applied Public Relations is a useful text for courses on public relations management, public relations cases and campaigns, and integrated communication management.
