Send Out Your Light Sandra McCracken, 2021-09-28 In the middle of Psalm 43, God offers us a dynamic invitation: Send out your light. Prolific singer-songwriter Sandra McCracken believes we each have the opportunity to hear and answer this invitation. This book is written in three parts: part one is the becoming, the creation, how God makes us and gives us an identity. Part two is the disorientation of loss, displacement, and the dark night of the soul. Part three is reorientation, how God brings us through the darkness and illuminates our path with Scripture, sending us out to take his light to others. This has been the shape of Sandra McCracken's life. Through it all, songs and Scripture have been there to light the way, helping her respond to God's call. How will you respond to God's call to send out his light?

Brave Sissy Goff,2021-02-02 As a parent, you can use certain strategies to help your teenage daughter when she struggles with worry and anxiety. But it is also important that she learns how to work through her emotions on her own, especially as she approaches adulthood. This guide--created for girls ages 13 to 18--will help your daughter understand anxiety's roots and why her brain is often working against her when she starts to worry. With teen-friendly information, stories, and self-discovery exercises, including journaling and drawing prompts, she will learn practical ways to fight back when worries come up. She will find more of her voice and her confidence. In essence, she will find more of herself and the brave, strong, deeply loved girl God made her to be.

In Want + Plenty Meredith McDaniel,2020-01-21 Although our circumstances vary, we all ache with a longing for something more. We are born with dreams, and some of us even have detailed plans about how to make them happen. Yet we all come to a point in life when we realize that we are not in control. A loved one gets sick, a tragedy occurs, our plans backfire. What we may not realize is that even if we can't depend on our circumstances or even ourselves, there is One who will always provide what we need, just when we need it. With compassion and enthusiasm, Meredith McDaniel invites you to walk alongside God's people in Exodus as they wake up each morning to manna, God's provision for them in desert places. As she unfolds their story of complete dependence on their Creator, you'll discover through guided journaling how God is providing for you right now, where you are in your own unique story. Along the way, you will develop a comforting awareness that you are seen, guided, protected, and filled by a good God in the person of Jesus.

Enneagram Theology Rhenn Cherry,2021-08-16 The enneagram has become popular among evangelical Christians as a spiritualized personality typology that claims to help people better understand themselves and others. Several influential evangelical Christian leadership ministries have promoted the enneagram as a tool in forming and maintaining effective ministry teams, and the personality typology is now taught and embraced at several Christian universities. But uncertainty exists about the appropriateness of referring to the Enneagram as a Christian tool. Are pastors and Christian institutional leaders aware of the theology associated with the Enneagram? *Enneagram Theology: Is It Christian?* provides a biblical critique of the Enneagram's underlying theology and exposes not only its foundational theological contradictions with orthodox evangelical theology but also some potential dangers to the church.

Chasing Slow Erin Loechner,2017-01-10 Chasing Slow models HGTV star Erin Loechner's journey to help you break out

of the faster-better-stronger trap and make small changes to refresh your perspective, renew your priorities, and shift your focus to what matters most. You're here, but you want to be there. So you spend your life narrowing this divide, and you call this your race, your journey, your path. You live your days tightening your boot straps, wiping the sweat from your brow, chasing undiscovered happiness just around the bend. And on and on you run. Viral sensation and HGTV.com star Erin Loechner knows about the chase. Before turning 30, she'd earned the title The Nicest Girl Online as she was praised for her authentic voice and effortless style. Her HGTV web show garnered over one million fans worldwide, and her client list includes Walt Disney World, IKEA, Martha Stewart and Home Depot. The New York Times applauded her, her friends and church admired her, and her husband and baby adored her. She had arrived at the ultimate destination. So why did she feel so lost? Through a series of steep climbs--her husband's brain tumor, bankruptcy, family loss, and public criticism--Erin learns just how much strength it takes to surrender it all, and to veer right into grace. In *Chasing Slow*, Erin upgrades her life through downsizing--her stuff, her obligations, her fears, her personal metric of perfect. And ultimately, her invitation becomes yours: to turn away from the fast and frenzy, and find freedom in a new-fashioned lifestyle defined by grace. Life's answers are not always hidden where they seem. It's time to venture off the beaten path to see that we've already been given everything we need. We've already arrived. You see? You'll see.

Mothers as the Image of God Juliann Bullock, 2022-12-12 Is God a man? If God is our Heavenly Father, does that require God to be male? Does the Bible ever describe God as a mother, as well as a father? If human fathers can show us what God is like, can we see God's image in our mothers too? How do women uniquely reveal the nature of the One who created both male and female in the image of God? *Mothers as the Image of God* explores answers to these important questions, along with many others. This book guides the reader on a series of biblical reflections designed to help both men and women experience the motherly love of God revealed in Scripture, and to nourish women with the deep confidence that the most feminine aspects of their nature are a profound reflection of the very image of God, an image that is exquisitely displayed through mothering--whether that takes place biologically, through adoption, or by pouring into spiritual children.

The Annie F. Downs Teen Collection Annie F. Downs, 2015-08-11 Annie Downs is honest. She's sincere. And she's funny. In this two-book ebook bindup of her bestselling titles *Perfectly Unique* and *Speak Love*, Annie takes on two topics central to every teen's life: how we see ourselves when we look in the mirror, and how we use our words in everyday life to either build someone up or take them down. In *Perfectly Unique*, Annie focuses on the you that everyone sees. Perhaps you are struggling with your body image or are trying to make sense of why God made you as you are. Maybe you are looking for new ways to understand Scripture or to love God more fully. Either way, this book will take you on a thoughtful, funny, and spirit-filled exploration of the way you were designed and will help you better honor the Creator by learning to value his perfectly unique creation (yourself!). In *Speak Love*, Annie turns the focus to the you that sometimes slips out via your

tongue. Because everything you say—from what tell your friends, whisper about your enemies, post online, mutter to yourself, or even say to the celebrity you ran into at the coffee shop—carries a whole lot of power. Through very funny stories, Scripture, and a real understanding of the good, bad, and ugly ways we can use our words, Annie Downs explores the difference you can make when you speak love to others, to God, and even to yourself. Because when you speak love, you speak life. And that's what matters.
