Boys Will Be Human Justin Baldoni, 2022-10-04 A New York Times bestseller! From filmmaker, actor, and author Justin Baldoni comes a real-talk, self-esteem-building guidebook that helps boys ages 11 and up embrace their feelings and fears instead of repress them. Highly designed and filled with activities, sidebars, and inspirational quotes, this book is the perfect social-emotional learning tool for parents and educators to jump-start conversations about masculinity with the boys in their lives. **WARNING: THIS MIGHT BE THE MOST HONEST BOOK YOU'VE EVER READ** Have you ever noticed that there are unwritten rules that tell boys how to act, think, and feel? Nobody knows where they came from, but one day—BAM!—you suddenly feel these invisible forces, pushing you to follow the rules of masculinity, even if they don't make you happy. This book isn't about learning the rules of the boys' club, it's about UNLEARNING them. It's a get-real guidebook that will show you how to be: Brave enough to reveal who you really are Smart enough to ask questions Cool enough to feel all your emotions Confident enough to know your worth Strong enough to speak your truth —and much, much more. Be prepared: This book is raw and surprising. There is no subject off-limits or lies detected. Sometimes things might get a little uncomfortable, but that's an important part of getting to know—and believe in—yourself. Don't worry, you're not on this journey alone, so let's jump in together to become the smartest, bravest, strongest HUMANS we can be!

Boys Will Be Bruce Brooks, 2015-08-25 In twelve essays full of wit, insight, feeling and fun, Bruce Brooks tells about boys: good and not quite bad; loud, sports-mad, and smelling of sweat; facing, in quiet moments and school-yard confrontations, the choices that make them into men. With topics like Stink, The Cap, Why Ice Hockey Kicks Football's Tutu, Bullies and Respect, Boys Will Be is a celebration of boyhood written for boys-and all those who want to know more about them.

Boys Will Be Boys Clementine Ford, 2019-07-04 'The most important thing you'll read this year' Elle The incendiary new book about toxic masculinity and misogyny from Clementine Ford, author of the bestselling feminist manifesto, Fight Like A Girl. Boys Will Be Boys answers the question Clementine Ford is most often asked: 'How do I raise my son to respect women?' With equal parts passion and humour, Ford reveals how patriarchal society is as destructive for men as it is for women, creating a dangerously limited idea of what it is to be a man. She traces the way gender norms creep into the home from early childhood, through popular culture or the division of housework and shines a light on what needs to change for

equality to become a reality.

Boys Will be Boys Myriam Miedzian, 2002 In this book, Miedzian provides a thorough investigation of the numerous factors influencing aggression and violence in American males. In addition, she also provides descriptions and proposals for interventions, social action, and solutions to break the link between masculinity and violence. The book is separated into three major parts: 1) The Problem: The acceptance of violence as a way of life; 2) Toward a Solution: Raising sons for the twenty-first century; 3) Conclusions: Beyond the masculine mystique. Throughout the book Miedzian emphasizes that because males have a high potential for aggression and violence, every effort should be made to encourage and model for males those qualities that are counter to violence. She illustrates the large extent to which our culture currently (and historically) encourages qualities and values that increase a male's propensity for violence. (From a review of the book by Lori A. Cillo)
