Esta publicación culmina varios años de investigación y búsqueda metodológica para la enseñanza del toque tradicional de la guitarra quiteña. Queremos llegar a las nuevas generaciones de músicos para que puedan encontrarse con el pasado de una guitarra que aún sigue sonando en la contemporaneidad. Los lineamientos están direccionados específicamente hacia la pedagogía musical, pues se han podido vincular los saberes de tradición oral que encierra el toque de la guitarra quiteña con el proceso sistemático de la academia. Nuestro deseo es brindar una guía al docente y estudiante de música que les permita acercarse al conocimiento de este estilo guitarrístico, para que pueda ser desarrollado por músicos jóvenes, asegurando así la transmisión y trascendencia de este saber. Finalmente, al ser esta publicación la primera propuesta metodológica de la

guitarra quiteña en el país, abrirá en el medio más preguntas sobre nuestra cultura musical, por lo que esperamos que sea el inicio de muchas investigaciones sobre las expresiones musicales de tradición oral de Ecuador
