George Burns and Gracie Allen Cynthia Clements, Sandra Weber, 1996-08-23 In the minds of today's audiences, George Burns was a solo act. But in the history of show business, he will long be remembered for his work with Gracie Allen. Few performers have enjoyed so much popular and critical acclaim. Together they enjoyed phenomenal success in vaudeville, radio, television, and film. Although they were celebrities, the two performers enjoyed a life remarkably free of scandal. After the death of Allen in 1964, Burns made commercials, a music video, and an exercise video. He wrote books and won numerous awards, and his nightclub and convention appearances did not stop until shortly before his death. Through a thoughtful biography and detailed entries, this book serves as a comprehensive reference to the careers of Burns and Allen together and individually. The biography summarizes their rise as vaudeville performers, their work in a range of media, and

Burns' continued achievements after Allen's death. Sections of the book cover their work on the stage, on radio, on television, and in films. Each section provides detailed entries for their performances, including cast and credit information, plot synopses, and review excerpts. Appendices list their awards, personal appearances, and archives; and an extensive annotated bibliography cites and discusses sources of additional information.

Say Good Night, Gracie! Cheryl Blythe, Susan Sackett, 1989

The Encyclopedia of Television, Cable, and Video R.M. Reed, M.K. Reed, 2012-12-06 This is a major reference work about the overlapping fields of television, cable and video. With both technical and popular appeal, this book covers the following areas: advertising, agencies, associations, companies, unions, broadcasting, cable-casting, engineering, events, general production and programming.

Encyclopedia of Television Shows, 1925 Through 2007: F-L Vincent Terrace, 2009 This work represents decades of research and television's entire history. While documentation regarding cast and personnel is now often found online, descriptions of the shows from authoritative sources are still not widely available. Terrace fills that gap with this work, which covers more than 9,350 shows and constitutes the most comprehensive documentation of TV series ever published--Provided by publisher.

The New Biographical Dictionary of Film David Thomson, 2010 Thomson (independent scholar), writing of *The Biographical Dictionary of Film* (aka *A Biographical Dictionary of the Cinema*, 1975 edition), described it as a personal, opinionated, and obsessive biographical dictionary of the cinema. Thirty-five years and several editions later, that description still holds true of this expanded work. The new dictionary summarizes salient facts about its subjects' lives and discusses their film credits in terms of the quality of the filmmakers' work. In ambition it has competitors, including Leslie Halliwell's various editions of *Halliwell's Filmgoers Companion* (12th ed., 1997) and *Halliwell's Who's Who in the Movies*, edited by John Walker (4th ed., rev. and updated, 2006), which cover films and technical terms (categories not included in Thomson's), but whose entries are neutral and exceedingly brief. Additionally, Francophile Richard Roud's edited *Cinema: A Critical Dictionary: The Major Filmmakers* (2 v., 1980) is as passionate a work as Thomson's, but narrower in scope, with entries written by various experts, rather than only by Roud. Finally, the multivolume magnum opus *The International Dictionary of Films and Filmmakers* (4th ed., 2000, ed. by T. Pendergast and S. Pendergast; 2nd ed., ed. by N. Thomas, v. 1, CH, May'91; 1st ed., ed. by C. Lyon, v.1-2, CH, Jan'85, v.3, CH, Apr'87, v.4-5, CH, Jun'88) covers everything--films, directors, actors, writers, and production artists--with generous, measured, scholarly entries and lavish illustrations. However, it looms large and heavy, unlike the handy one-volume work by Thomson. Arguably, Thomson's work, for its scope, is the most fun, the most convenient, and the most engaging title. All libraries supporting people interested in film should buy it. It will get lots of use and provide very good value for the money. Summing Up: Highly recommended. Lower-level undergraduates and above;

general readers. General Readers; Lower-division Undergraduates; Upper-division Undergraduates; Graduate Students; Researchers/Faculty; Professionals/Practitioners. Reviewed by C. Hendershott.

Vaudeville old & new Frank Cullen, Florence Hackman, Donald McNeilly, 2007

TV in the USA Vincent LoBrutto, 2018-01-04 This three-volume set is a valuable resource for researching the history of American television. An encyclopedic range of information documents how television forever changed the face of media and continues to be a powerful influence on society. What are the reasons behind enduring popularity of television genres such as police crime dramas, soap operas, sitcoms, and reality TV? What impact has television had on the culture and morality of American life? Does television largely emulate and reflect real life and society, or vice versa? How does television's influence differ from that of other media such as newspapers and magazines, radio, movies, and the Internet? These are just a few of the questions explored in the three-volume encyclopedia *TV in the USA: A History of Icons, Idols, and Ideas*. This expansive set covers television from 1950 to the present day, addressing shows of all genres, well-known programs and short-lived series alike, broadcast on the traditional and cable networks. All three volumes lead off with a keynote essay regarding the technical and historical features of the decade(s) covered. Each entry on a specific show investigates the narrative, themes, and history of the program; provides comprehensive information about when the show started and ended, and why; and identifies the star players, directors, producers, and other key members of the crew of each television production. The set also features essays that explore how a particular program or type of show has influenced or reflected American society, and it includes numerous sidebars packed with interesting data, related information, and additional insights into the subject matter.

From Small Screen to Vinyl Bob Leszczak, 2015-06-25 From its infancy, television networks and studios explore others avenues to increase their revenues. Conveniently enough, several film studios and production companies—MGM, MTM, Columbia/Screen Gems, Talent Associates, Warner Brothers—had their own record label divisions. The obvious benefit was cross promotion: a television series could be plugged on the record and the record could be promoted on the TV show. Though few and far between, several television performers went on to become major recording stars. Ricky Nelson started as a child actor on *The Adventures of Ozzie and Harriet* before dominating rock and pop charts. Johnny Crawford of *The Rifleman*, Walter Brennan of *The Real McCoys*, and even Bruce Willis of *Moonlighting* all scored Top Ten hit singles. But these were just the standouts from the hundreds of TV actors who recorded songs, and the stories behind their records are simply fascinating. In *From Small Screen to Vinyl: A Guide to TV Stars Who Made Records 1950-2000*, author Bob Leszczak offers a look at hundreds of stars who performed double duty: as a television performer as well as a recording artist. He looks not only at the show and the performer but the behind-the-scenes dramas that unfolded as each attempted to tackle the two different mediums. Through his interviews with many of these multitaskers, the author has uncovered new, and mostly never

before known facts about those who sought to conquer the world of vinyl. As Leszczak stresses, most eagerly embraced the opportunity to record, while others saw it as a necessary evil—the result of contractual obligations or industry pressures. Entries are listed alphabetically from Nick Adams (of The Rebel) to Efrem Zimbalist, Jr. (of 77 Sunset Strip). Also included are over 80 photos of these rare releases taken from the author's private collection. For a new look at your old favorites, *From Small Screen to Vinyl*, will let you see that just because one is a TV star does not mean that he or she does not have the ability to expand beyond their acting prowess. Baby boomers, fans of classic hits radio, and devotees of classic TV programs will find *From Small Screen to Vinyl* a treasure trove of TV and record trivia—and no TV or music library can be considered complete without it.

Television's Greatest Year--1954 Richard D. Heldenfels, 1994 An analysis of TV in the year that saw it emerge from the realm of experiment to the dizzy heights of popularity and influence. As well as covering successes of the time such as *I Love Lucy* and *Dragnet*, the author examines the opportunities generated by advertising to captive audiences.

George Burns Movies And Tv Shows Introduction

In the digital age, access to information has become easier than ever before. The ability to download George Burns Movies And Tv Shows has revolutionized the way we consume written content. Whether you are a student looking for course material, an avid reader searching for your next favorite book, or a professional seeking research papers, the option to download George Burns Movies And Tv Shows has opened up a world of possibilities. Downloading George Burns Movies And Tv Shows provides numerous advantages over physical copies of books and documents. Firstly, it is incredibly convenient. Gone are the days of carrying around heavy textbooks or bulky folders filled with papers. With the click of a button, you can gain immediate access to valuable resources on any device. This convenience allows for efficient studying, researching, and reading on the go. Moreover, the cost-effective nature of downloading George

Burns Movies And Tv Shows has democratized knowledge. Traditional books and academic journals can be expensive, making it difficult for individuals with limited financial resources to access information. By offering free PDF downloads, publishers and authors are enabling a wider audience to benefit from their work. This inclusivity promotes equal opportunities for learning and personal growth. There are numerous websites and platforms where individuals can download George Burns Movies And Tv Shows. These websites range from academic databases offering research papers and journals to online libraries with an expansive collection of books from various genres. Many authors and publishers also upload their work to specific websites, granting readers access to their content without any charge. These platforms not only provide access to existing literature but also serve as an excellent platform for undiscovered authors to share their work with the world. However, it is essential to be cautious while downloading George Burns Movies And Tv Shows. Some websites may offer pirated or illegally obtained copies of copyrighted material. Engaging in such activities not only violates copyright laws but also undermines the efforts of authors, publishers, and researchers. To ensure ethical downloading, it is advisable to utilize reputable websites that prioritize the legal distribution of content. When downloading George Burns Movies And Tv Shows, users should also consider the potential security risks associated with online platforms. Malicious actors may exploit vulnerabilities in unprotected websites to distribute malware or steal personal information. To protect themselves, individuals should ensure their

devices have reliable antivirus software installed and validate the legitimacy of the websites they are downloading from. In conclusion, the ability to download George Burns Movies And Tv Shows has transformed the way we access information. With the convenience, cost-effectiveness, and accessibility it offers, free PDF downloads have become a popular choice for students, researchers, and book lovers worldwide. However, it is crucial to engage in ethical downloading practices and prioritize personal security when utilizing online platforms. By doing so, individuals can make the most of the vast array of free PDF resources available and embark on a journey of continuous learning and intellectual growth.

FAQs About George Burns Movies And Tv Shows Books

How do I know which eBook platform is the best for me? Finding the best eBook platform depends on your reading preferences and device compatibility. Research different platforms, read user reviews, and explore their features before making a choice. Are free eBooks of good quality? Yes, many reputable platforms offer high-quality free eBooks, including classics and public domain works. However, make sure to verify the source to ensure the eBook credibility. Can I read eBooks without an eReader? Absolutely! Most eBook platforms offer web-based readers or mobile apps that allow you to read eBooks on your computer, tablet, or smartphone. How do I avoid digital eye strain while reading eBooks? To

prevent digital eye strain, take regular breaks, adjust the font size and background color, and ensure proper lighting while reading eBooks. What the advantage of interactive eBooks? Interactive eBooks incorporate multimedia elements, quizzes, and activities, enhancing the reader engagement and providing a more immersive learning experience. George Burns Movies And Tv Shows is one of the best book in our library for free trial. We provide copy of George Burns Movies And Tv Shows in digital format, so the resources that you find are reliable. There are also many Ebooks of related with George Burns Movies And Tv Shows. Where to download George Burns Movies And Tv Shows online for free? Are you looking for George Burns Movies And Tv Shows PDF? This is definitely going to save you time and cash in something you should think about.
