Grendel: Devil by the Deed Master's Edition Matt Wagner, 2023-11-21 Matt Wagner returns to the seminal “Devil by the Deed” Hunter Rose story that started the epic, centuries-spanning Grendel saga. In this all-new reimagining of “Devil by the Deed,” Wagner brings his decades of experience and artistry back to the famous narrative that first began his lengthy and illustrious career as a comic-book author. The original tale of the dashing and diabolical Hunter Rose was deceptively brief, considering its cultural impact. Over the years, Wagner has expanded on the story of Hunter Rose and now he weaves the most dramatic of those elements into a brand-new graphic novel. *Grendel: Devil by the Deed—Master’s Edition* is Matt Wagner at the height of his artistic and story-telling prowess, featuring 120 all-new story pages that will dazzle first time and longtime readers alike.

**Graphic Novels** D. Aviva Rothschild, 1995-04-15 The first of its kind, this annotated guide describes and evaluates more than 400 works in English. Rothschild's lively annotations discuss important features of each work-including the quality of the graphics, characterizations, dialogue, and the appropriate audience-and introduces mainstream readers to the variety and quality of graphic novels, helps them distinguish between classics and hackwork, and alerts experienced readers to material they may not have discovered. Designed for individuals who need information about graphic novels and for those interested in acquiring them, this book will especially appeal to librarians, booksellers, bookstore owners, educators working with teen and reluctant readers, as well as to readers interested in this genre.

**2010 Comic Book Checklist & Price Guide** Maggie Thompson, Brent Frankenhoff, 2009-10-08 No other guide on the market covers the volume of comic book listings and range of eras as Comic Book Checklist & Price Guide does, in an easy-to-use checklist format. Readers can access listings for 130,000 comics, issued since 1961, complete with names, cover date, creator information and near-mint pricing. With super-hero art on the cover and collecting details from the experts as America's longest-running magazine about comics in this book, there is nothing that compares.

**Comics through Time** M. Keith Booker, 2014-10-28 Focusing especially on American comic books and graphic novels from the 1930s to the present, this massive four-volume work provides a colorful yet authoritative source on the entire history of the comics medium. Comics and graphic novels have recently become big business, serving as the inspiration for blockbuster Hollywood movies such as the Iron Man series of films and the hit television drama The Walking Dead. But comics have been popular throughout the 20th century despite the significant effects of the restrictions of the Comics Code in place from the 1950s through 1970s, which prohibited the depiction of zombies and use of the word horror, among many other rules. Comics through Time: A History of Icons, Idols, and Ideas provides students and general readers a one-stop resource for researching topics, genres, works, and artists of comic books, comic strips, and graphic novels. The comprehensive and broad coverage of this set is organized chronologically by volume. Volume 1 covers 1960 and earlier;

Volume 2 covers 1960–1980; Volume 3 covers 1980–1995; and Volume 4 covers 1995 to the present. The chronological divisions give readers a sense of the evolution of comics within the larger contexts of American culture and history. The alphabetically arranged entries in each volume address topics such as comics publishing, characters, imprints, genres, themes, titles, artists, writers, and more. While special attention is paid to American comics, the entries also include coverage of British, Japanese, and European comics that have influenced illustrated storytelling of the United States or are of special interest to American readers.

Last Night, a Superhero Saved My Life Liesa Mignogna, 2016-06-07 An anthology of essays exploring the origins of the authors' relationships to their favorite superheroes; including stories from Neil Gaiman, Jodi Picoult, Brad Meltzer, Joe Lansdale and more! As broad as our exponentially growing cultural fascination with caped crusaders is, it runs just as deep as this long awaited anthology underscores. Liesa Mignogna the VP, Editorial Director at Simon Pulse and editor of this anthology can expound on the virtues of Batman (her wedding was even Batman-themed) but it's her retelling of incredibly harrowing yet ultimately inspiring encounters with The Dark Knight over the years, as she struggled to coexist with the supervillains in her own family that birthed this collection. Last Night, A Superhero Saved My Life gives readers the chance to connect to their beloved authors, while those same authors connect to their beloved superheroes, and within that feedback loop of respect and admiration lies a stellar, and phenomenally accessible, anthology full of thrills, chills, and spills. Contributors include New York Times bestsellers Christopher Golden, Leigh Bardugo, Brad Meltzer, Neil Gaiman, Carrie Vaughn, Jodi Picoult, and Jamie Ford, as well as award-winners and mainstays like Joe R. Lansdale, Karina Cooper, and Ron Currie, Jr among many others. Last Night, A Superhero Saved My Life's authors share their most hilarious and most heart

wrenching experiences with their chosen defender to explain why superheroes matter, what they tell us about who we are, and what they mean for our future.
