How a Wife Speaks Selena Frederick, 2023-05-23 God cares how wives speak to their husbands. The nearest, clearest, and best opportunity every wife has to improve her marriage is becoming a better communicator. Couples who learn to speak, listen, and understand one another experience growth in every other aspect of their marriage, including their unity, intimacy, priorities, and more. So, why not devote yourself to mastering the craft of biblical, godly communication? In *How a Wife Speaks*, author Selena Frederick challenges wives to become the types of women who understand the weight of their words and view communication as an opportunity to love their husbands more like Christ. In this book, you will: Develop habits to support a healthy communication culture at home Gain tangible techniques to approach tough conversations Discover how the gospel connects to every word you speak Learn to spot the difference between communication mediocrity and mastery Think deeply and intentionally about your communication tendencies by responding to reflection questions and prompts

Where Animals Talk: West African Folk Lore Tales Robert Hamill Nassau, 2022-09-04 In *Where Animals Talk: West African Folk Lore Tales*, Robert Hamill Nassau presents a compelling collection of folklore that intricately weaves together the vibrant cultural tapestry of West Africa. The book showcases a plethora of tales that feature anthropomorphic animals, each brimming with moral lessons and cultural insights. Nassau's prose is marked by a lyrical quality that mirrors traditional oral storytelling, illuminating the significance of rhythm and repetition in folk narratives. By situating these stories within their sociocultural contexts, he invites readers to engage with the rich tapestry of beliefs and values that underpin West

African life. Robert Hamill Nassau was an early 20th-century American missionary and ethnographer deeply invested in the study of African cultures. His experiences in the region provided him with a unique lens to observe and document the rich traditions of storytelling in West African societies. Nassau's extensive fieldwork and genuine appreciation for indigenous narratives shaped his desire to preserve and share these stories, ensuring they resonate with broader audiences while honoring their origins. This captivating collection is a testament to the power of storytelling as a means of cultural preservation and education. I highly recommend *Where Animals Talk* to anyone interested in folklore, anthropology, or African culture. Through Nassau's engaging tales, readers will not only be entertained but will also gain invaluable insights into the moral and ethical frameworks that have guided West African communities for generations.

Monks, Bandits, Lovers, and Immortals , 2010-03-01 This magnificent collection of eleven early [1250-1450] Chinese plays will give readers a vivid sense of life and a clear understanding of dramatic literature during an extraordinarily eventful period in Chinese history. Not only are the eleven plays in this volume expertly translated into lively, idiomatic English; they are each provided with illuminating, scholarly introductions that are yet fully intelligible to the educated lay reader. A marvelous volume.--Victor Mair, University of Pennsylvania

How Prince Became A King Dr. Yvonne Baxter Bentley, Prince Maximus De-laney Bentley, 2010-06-15 This book is written to my son Prince Maximus De'Laney Bentley in my efforts as his mother Dr. Yvonne B. Bentley to break the curse of your father, father. This curse is called the generation curse. There are men and women in the Body of Christ who believe in James 2:7,8; If you fulfill the royal law according to the scripture, Thou shalt love thy neighbor as thyself, you do well: 9). But if you

have respect to persons, you commit sin, and are convinced of the law, as transgressors. 10). For whosoever shall keep the whole law, and yet offend in one point, he is guilty of all. I asked God for you like Sarah ask for Isaac and he gave me Prince. You are not a mistake. It is because of the blood of Jesus Christ that you and your fatherless friends can be restored from you fathers curse. You are now apart of 1 Peter 2:9; But you are a chose race, a royal priesthood, a dedicated nation, (God's own purchase, special people, that you may set forth the wonderful deeds and display the virtues and perfections of Him who called you out of darkness into His marvelous light. (Exod. 19:5,6) 10). Once you were not a people (at all), but now you are God's people, once you were unpitied, but now you are pitied and have received mercy (Hos. 2: 23). This book is written for all of the young boys and girls who need direction to break the curse of your fathers, father. This is contribution in breaking the Gehazi and King Balak curse. Don't let your father in the Lord Pastor Ed Brinson take his anointing to the grave. You have a resurrected anointing that can pray your father and his father back home. My dream is that one day you and your nature father will walk together in the breakers anointing. This anointing can break the generational curses from your children, children, childrens. May God restore the fathers as kings in there homes, on their jobs, in there communities, cities, and states. Kings of the earth arise; your Queens are tired of ruling.

ShakesFear and How to Cure It Ralph Alan Cohen,2018-05-03 For teachers and lovers of Shakespeare, ShakesFear and How to Cure It provides a comprehensive approach to the challenge and rewards of teaching Shakespeare and gives teachers both an overview of each of Shakespeare's 38 plays and specific classroom tools for teaching it. Written by a celebrated teacher, scholar and director of Shakespeare, it shows teachers how to use the text to make the words and the moments come alive for their students. It refutes the idea that Shakespeare's language is difficult and provides a survey of the plays by someone who has lived intimately with them on the page and on the stage.
