Godless Satanism Doctrine LCFNS,2024-09-09 The satanic book Godless Satanism Doctrine contains a system of views, claims and assumptions of the godless theology of the Ecclesia Luciferi system. Hostile to reality and the true picture of the world, the theistic theology of the Abrahamic religions sees the true nature of the world as subject to the power of Satan. Possessing all divine and Satanic attributes, the eternal Universe really exists. Everything that exists was created in and by him. All the laws that govern reality belong to it. The Universe is a brute and indifferent reality/entity. Yahweh God or any other god is a speculation created in the minds of beings created by the Universe. The real existing, non-speculative universe has all the characteristics of the true God-Satan. The Universe, from the perspective of the godless theology of Ecclesia Luciferi, could be described as a self-organizing Godless/Satanic and eternal entity from which all kinds of patterns emerge, which we call the laws of godless nature. Every animal including the human animal responds to these laws instinctively and intuitively, that is, it has the innate and inherited ability to respond correctly to their demands which is necessary for animal survival. This process is subconscious and cannot be controlled. Attempting to defy the eternal and ungodly laws of a satanic entity must end in sickness and death. The laws given by an imaginary theistic god are completely contrary to the natural laws emerging from the godless being of the universe. Godless Satanism Doctrine

Human, Archhuman, Satanic LCFNS,2023-02-24 What do I care about the rest? - The rest is only humanity. - One must be superior to humanity by strength, by heights of spirit, - by contempt... - Friedrich Nietzsche It is not the belief in the non-existence of gods that is in question, but the complete absence of this belief. This complete denial of the certainty of what is expected, the conviction of what is not seen must come from the Devil himself. If nature is fallen because sin came into the world, then the instinctive, natural rejection of faith in favour of reason must derive from original sin. It was Eve who first, enlightened by the Serpent, chose knowledge over blind faith. Yahweh God went into a holy rage when He learned that man had chosen Satan's truth over mindless belief in his dogmas. It is Satan who represents knowledge instead of faith; Satan lacks faith in god. Satan is the negation of god, he is the Anti-God. Satanism is the negation of religion, it is anti-religion.

Jesus Is the Way, Truth, Life Michael Pietrzyk, 2020-08-19 If you cannot comfortably say with confidence that Jesus died for your sins and opens the door of salvation for you or that you deny Jesus, then this book is for you. So many Christians take Jesus for granted, and so many people do not understand His torment and the suffering He endured for us. We began a spiritual journey when we enter this world. We have a natural body and a world full of responsibilities to challenge us on our journey. We are influenced by many outside sources and personal interactions with our family members and friends. Ultimately, we make the most important decision of our life. Do we believe in God and accept Jesus as our Savior, or do we reject God and accept atheism? When you analyze the facts of the life of Jesus, his loving teachings, his horrible suffering, death and miraculous resurrection, you come to understand He did it for you. Jesus is the Way, the Truth, and the Life. His teaching brings light into your life. Jesus is the gateway to eternal happiness when we leave this world. Atheism with its evil influence wants to drag you down and have you reject God. Atheists are in total denial about God, Jesus, supernatural experiences, something from nothing, and the wisdom in the formation of this universe and mankind. Atheists want you to believe you will simply rot in the ground and accept life with no future hope. If you are an atheist, don't laugh at this thought and concern. As a Christian, I care for you and your soul. That is certainly more than what the atheistic thinking has in mind for you. Atheism, under the influence of Satan, offers you nothing but the door way to eternal conscious separation from God. This book is a direct challenge to the thoughts and beliefs of the atheist. I wrote this book with the hope it just might stir the mind of a non-believer. Then believing the Holy Spirit will do the rest.

Afterlife Hank Hanegraaff, 2025-04-08 If there was ever a need-to-know book, Afterlife is it. On his daily call-in radio show, the most common questions Hanegraff fields are about the hereafter. For instance, millions are voraciously reading about the near-death experiences of young children. Consumers are desperate for knowledge and reassurance about what comes after life on the earth. Hank Hanegraff, one of the most remarkable theological minds of the 21st century, explains the marvelous way this physical life connects our past to our eternal future. Afterlife gives reader a clear and concrete understanding about what happens after death to us and to those we love.

What Happens When I Die? Bill Wiese, 2013-10-01 Is there life after death? Do heaven and hell really exist? What happens to me when I die? Will I see my loved ones? New York Times best-selling author Bill Wiese answers these all-important questions and explains some of the fascinating stories that people have shared with him as he has traveled to speak about his own supernatural experience. You will be surprised, and maybe even shocked, as you read about: · Near-death experiences · Deathbed visions · People's last words · Visits to heaven and hell Each encounter, visit, and visitation is then held up against Scripture, demonstrating how they line up with the Word of God. In a moment our lives will be over. We

are all only a heartbeat away from eternity, and there are no second chances. What will you decide?

Korean War Filmography Robert J. Lentz,2016-05-01 The Korean experience changed the way Americans viewed war. The lack of a clear-cut victory inspired filmmakers to try to make sense of fighting another country's civil war and risking American lives for an unpopular cause. This filmography details more than 90 English-language films. Each entry includes complete cast and credit listings, a plot synopsis, evaluation, review snippets, and notice of video availability. This book places each film in its historical context, assesses the essential truthfulness of each film and evaluates its entertainment value, and discusses how--and why--Korean War films differ from other Hollywood war genres. Four appendices list the films by chronology; production company and studio; level of historical accuracy; and subject and theme. Additional appendices list films with incidental references to the Korean War; documentaries on the Korean War; and South Korean films about the war. Photographs, a bibliography, and an index are included.
