This Year I Will... M.J. Ryan, 2006-12-26 Learn the secret to making changes that stick Every so often people get inspired (again!) to lose weight, get organized, start saving, or stop worrying -but a few months later they give up, frustrated. It doesn't have to be that way. In *This Year I Will . . .*, bestselling author M.J. Ryan offers breakthrough wisdom and coaching to help readers make this time the time that change becomes permanent. Why do people find it so hard to change? The secret is that everyone has their own formula for making changes that stick, but most people don't know what theirs is. They think there is one way to lose five pounds, and another way to stay on top of their e-mail, but they don't realize that for all changes, there is one system that works best for each individual. *This Year I Will . . .* helps you lock on to your unique formula for planning, implementing, and seeing a life change through, so you can use it again and again to tackle anything else you'd like to do. For anyone who has broken a New Year's resolution, fallen off a diet, or given up on fulfilling a dream, the ingenious strategies, inspiring stories, and sheer motivational energy of *This Year I Will . . .* help you make a promise to yourself that you can actually keep. Answers to the jacket quiz: c, c, false, b. Take the whole quiz and learn your score at M.J. Ryan's Web site, www.mj-ryan.com. Are you really ready to change? Take this quiz and find out. Every New Year's Day, my list of resolutions is: Ambitious. I aim for everything from losing weight to saving more money for my retirement. Realistic. I just try to bump my good behavior up a notch--be a better friend, give more money to charity---without giving myself any strict deadlines or goals. Precise. I decide exactly how many men I will ask for a date, or how many new jobs I will apply for. Whenever I decide to change something, it's usually because: My doctor has put the fear of God into me. I read a magazine article about why making this change is important. I start daydreaming about how great life will be after I make the change. True or False: When you want to make a big change in your life, timing is crucial. Failure is: Impossible. Inevitable. Not in my vocabulary. (The answers are on the inside back flap.)

As you read Connor's story in this book, you'll find out what it's like to live with ADHD. From Pieces to Weight 50 CENT,2012-12-11 Rapper 50 Cent has made it big in a very short space of time. Having been supported by Jam Master Jay, and produced by Dr Dre and Eminem, the rapper and poet has already experienced great success and critical acclaim for his anthemic single 'In Da Club' and bestselling debut album. While some rappers just talk the talk, though, 50 has walked the walk, and this brilliant insight into who he is and where he came from is a must for all fans. Growing up in Jamaica, Queens, he was born to a 15-year-old drug-dealing mother -- she was killed in mysterious circumstances -- and took over the family business at the age of twelve. Living hard, he has been stabbed, shot nine times (one bullet in his face) and has survived a number of assassination attempts. He is a survivor, a man from the streets who has made it big-time without forgetting his roots. This is the inside story of a rap icon.

Daddy's Baby Girl . . . Forever! Joyce Iona Richard Montgomery,2018-12-21 This book is for anyone who has ever had a broken heart. Anyone who has ever broken someone's heart. Anyone who has ever made a mistake and tried to fix it alone. Anyone who has had a loved one die. Anyone who has ever been lonely. Anyone who has had to wait on their deliverance. Anyone who has ever had suicidal thoughts. Anyone who has been at the end of their rope. Anyone who has experienced the true meaning of despair. Anyone who has thought they were all that only to be reminded that they were not. Anyone who has ever felt worthless and unlovable. Anyone who has been accused of something they didn't do, and anyone who has been convicted of something they did do. I pray that you'll find God, comfort, knowledge, and power through the reading of this book.
