

Les 33 Degrés Du Reaa

Roger Dachez

Women's Agency and Rituals in Mixed and Female Masonic Orders Alexandra Heidle, J.A.M. Snoek, 2008-12-31 Women have been structurally part of the masonic enterprise from at least the middle of the 18th century. Yet, little is known about the ways in which they themselves obtained and exercised power to influence the systems they were involved in, in order to adapt them to be more appropriate to their needs. This volume intends to concentrate on two aspects: Women's agency (i.e. the power women gained and exercised in this context) and rituals (i.e. the role of men and women in changing and shaping the rituals women work with). These two aspects are closely related, since it requires some agency to realise changes in existing rituals.

The Occult World Christopher Partridge, 2014-12-05 This volume presents students and scholars with a comprehensive overview of the fascinating world of the occult. It explores the history of Western occultism, from ancient and medieval sources via the Renaissance, right up to the nineteenth and twentieth centuries and contemporary occultism. Written by a distinguished team of contributors, the essays consider key figures, beliefs and practices as well as popular culture.

Les Rites maçonniques égyptiens Roger Dachez, 2012-01-18 Nés essentiellement dans le sillage de la Campagne d'Égypte, les rites de Memphis et Misraïm illustrent la présence, dans la maçonnerie, du thème antique des mystères de l'Égypte et de ses temples. Une Égypte rêvée – fantasmée même –, qui a donné naissance à d'impressionnants édifices de 90 voire 99 grades. Cet ouvrage retrace l'histoire d'une maçonnerie hermétique et néanmoins ouverte aux réalités de son monde : les « maçons d'Égypte » ont souvent été, au XIXe siècle, d'ardents révolutionnaires et d'impétueux républicains (à l'instar de Garibaldi qui occupa les plus hautes fonctions du Rite en Italie). Plus tard et jusqu'à nos jours, ils se sont singularisés par l'importance accordée à l'occultisme. Toujours partagés entre de nombreuses obédiences souvent éphémères, ces maçons n'ont néanmoins jamais été aussi vivants ni, du reste, aussi nombreux qu'aujourd'hui.
