Millie and Ethel’s lives as friends, wives, mothers, and neighbors entwine, even as chaos begins to swirl around the Rosenbergs and the FBI closes in. Millie begins to question her own husband’s political loyalty and her marriage, and whether she can trust Jake and the deep connection they have forged as they secretly work with David. Caught between these two men, both of whom have their own agendas, and desperate to help her friends, Millie will find herself drawn into the dramatic course of history. As Millie—trusting and naive—is thrown into a world of lies, intrigue, spies and counterspies, she realizes she must fight for what she believes, who she loves, and what is right.

Maggie's Hope John Gordon, 2012-01-26 The day began as most of the other days had begun. Beths husband snuggled close. He smelled of after-shave and toast. He kissed her and their baby boy good-bye as he headed out the door for the train

station and work in New York City. Etienne's fiancée kissed him good-bye, too, told him the coffee was started and that she just had to run downtown and would be back in an hour or two. And then, two airplanes slammed into the World Trade Center Towers and killed almost three thousand people. And just like that, Beth and Etienne had lost the most special person in their lives; lives that would never be the same. As they each struggle with denial and grief, drowning in pain and fear, lashing out at those trying to help pick up the pieces, grace sneaks up on them. Their healing begins cautiously with the help of two very different souls; two survivors of a different sort both named Maggie.
