*Father and Son* Edmund Gosse, 2012-11-01 Edmund Gosse wrote of his account of his life, This book is the record of a struggle between two temperaments, two consciences and almost two epochs. *Father and Son* remains one of English literature's seminal autobiographies. In it, Edmund Gosse recounts, with humor and pathos, his childhood as a member of a Victorian Protestant sect and his struggles to forge his own identity despite the loving control of his father. His work is a key document of the crisis of faith and doubt and a penetrating exploration of the impact of evolutionary science. An astute, well-observed, and moving portrait of the tensions of family life, *Father and Son* remains a classic of twentieth-century literature.

**Fathers and Sons** Ivan Turgenev, 2009-09-24 When Arkady Petrovich comes home from college, his father finds his eager, naive son changed almost beyond recognition, for the impressionable Arkady has fallen under the powerful influence of the friend he has brought with him. A self-proclaimed nihilist, the ardent young Bazarov shocks Arkady's father by criticizing the landowning way of life and by his outspoken determination to sweep away traditional values of contemporary Russian society. Turgenev's depiction of the conflict between generations and their ideals stunned readers when *Fathers and Sons* was first published in 1862. But many could also sympathize with Arkady's fascination with its nihilist hero whose story vividly captures the hopes and regrets of a changing Russia.

*Fathers and Sons Annotated And Illustrated Book* Ivan Sergeyevich Turgenev,2020-09-29 The story starts on the 20th of May, 1859, when Nikolai Kirsanov, the son of a Russian general, waits for the arrival of his son. The reader is provided with

some biographical information about Nikolai Kirsanov and it is revealed that he was raised in South and has another brother named Pavel. Nikolai was supposed to follow a career in the military but because he broke his leg on the day he was commissioned, his father sent him to Petersburg and enrolled him into a University. Nikolai remained there for a few years and in the year when Nikolai finished his studies, his father had a stroke and died and his mother followed shortly after. Nikolai married with his landlord's daughter and had one son together named Arkady. Ten years after their son's birth, Nikolai's wife also died and Nikolai raised his son alone. Nikolai accompanied his son to Petersburg instead and enrolled him in the University of Petersburg. But because Nikolai was getting older, he was forced to return to his home to his countryside and wait for his son to return home. The story then returns to the present time, when Nikolai keeps on watching the road until he sees a carriage carrying his son so he runs to greet him. Arkady doesn't come alone, but with his friend Bazarov and they all get into carriages and head toward Nikolai's house. On the way home, Arkady asks about his uncle Pavel but his father tells him that Pavel sent word that he changed his mind at the last minute and didn't come to see him. Next, they talk about Bazarov and Arkady praises him and his intelligence. When they pass by some peasants, Nikolai tells his son that they have been refusing to pay their taxes but Arkady cuts him off, more preoccupied if they will have shade or not once they arrive.

**Fathers and Sons by Ivan Turgenev** Ivan Turgenev, 2020-02-07 My favorite novel is Ivan Turgenev's *Fathers and Sons*, a 200-page ravishing knockout of a book that explains just about everything you need to know about families, love, heartache, religion, duels and the institution of serfdom in 19th-century Russia, not to mention advice on how to seduce your housekeeper's young daughter. In short, it's a Russian masterpiece, one written so beautifully and with such economy, that when you finish reading it you feel a little shaken and a little stirred. A vodka martini on the front porch might be in order. - Gary Shteynga ; NPR *Fathers and Sons* is an 1862 novel by Ivan Turgenev, and is one of the most acclaimed Russian novels of the 19th century. It might be regarded as the first wholly modern novel in Russian literature and is also the first Russian work to gain prominence in the Western world, eventually gaining the approval of well established novelists Gustave Flaubert, Guy de Maupassant, and Henry James. A True Classic of Russian Literature that Belongs on Every Bookshelf!
