Everyday Useful Quotes Paul G. Blacketer, 2009-10-16 Everyday Useful Quotes is more than a book of quotations. It is a source of ideas that will encourage the reader to probe the soul of mankind and inspire others in moments of despair. Think for a minute of a cold winter night and what W.C. Fields said It aint a fit night out for man or beast. The Text on T-shirt read: How many roads must a man travel down before he admits he is lost. Everyday Useful Quotes will help you find yourself.

The Wesleyan-Methodist Magazine ,1872

Commentary on Genesis Chapters 1-6 Jacob Newman, 2024-12-09

The Complete Cloud of Unknowing ,2014-03-01 Central to the Christian mystical tradition is the inspired work of the anonymous author of The Cloud of Unknowing. Rich with insights and perceptions of the obscurity and “unknowability” of God, this work reveals God as being on an entirely different plane of existence from human beings—so different that time-bound human language is inadequate to describe God exhaustively or accurately. Intellect and emotion both fail in seeking God, who can only be encountered by rejecting all common earthly means in a “cloud of forgetting” and the discovery of Godself in the dark “cloud of unknowing” that can be pierced only with a “lance of longing love.” Now, we finally have a translation that captures all of this beauty and complexity, without minimizing the nuances, all of which are explained with extensive introductions and accompanying notes. If I could keep with me only two books and a journal, this book would be one of the books. As far as I’m concerned it’s the most important book (and among the most influential) on Christian prayer in the last two millennia. I’m delighted to endorse this fine new translation and commentary.”—The Rev. Dr. Chris Neufeld-Erdman, University Presbyterian Church, Fresno, CA , author of Beyond Chaos: Living the Christian Family in a World Like Ours and Returning to the Center: Living Prayer in a Distracting World The Complete Cloud of Unknowing includes two classics of medieval Christian contemplative spirituality — essential reading for anyone seeking to deepen their relationship with God through the practice of silent prayer. They are rich texts, full of nuanced wisdom that often gets lost in modern translations. Father John-Julian has captured the beauty, humor and literary elegance of the original versions, but also has supplemented his translation with detailed notes that convey the subtle spiritual insight that makes these works required reading. I’m excited about this book — it’s a title I will recommend both to beginners and to longstanding students of The Cloud.” —Carl McColman, author of Answering the Contemplative Call and The Lion, the Mouse and the Dawn Treader

The Brokeback Book William R. Handley,2011-05-01 An American Western made by a Taiwanese director and filmed in Canada, Brokeback Mountain was a global cultural phenomenon even before it became the highest grossing gay-themed drama in film history.øFew films have inspired as much passion and debate, or produced as many contradictory responses, from online homage to late-night parody. In this wide-ranging and incisive collection, writers, journalists, scholars, and ordinary viewers explore the film and Annie Proulx?s original story as well asøtheir ongoing cultural and political significance. The contributors situate Brokeback Mountain in relation to gay civil rights, the cinematic and literary Western, the Chinese value of forbearance, male melodrama, and urban and rural working lives across generations and genders. ø The Brokeback Book builds on earlier debates by novelist David Leavitt, critic Daniel Mendelsohn, producer James Schamus, and film reviewer Kenneth Turan with new and noteworthy interpretations of the Brokeback phenomenon, the film, and its legacy.
