The Terminal List Jack Carr, 2022-06-14 On his last combat deployment, Lieutenant Commander James Reece's entire team was killed in a catastrophic ambush that also claimed the lives of the aircrew sent in to rescue them. But when those dearest to him are murdered on the day of his homecoming, Reece discovers that this was not an act of war by a foreign enemy but a conspiracy that runs to the highest levels of government. Now, with no family and free from the military's command structure, Reece applies the lessons that he's learned in over a decade of constant warfare toward avenging the deaths of his family and teammates. With breathless pacing and relentless suspense, Reece ruthlessly targets his enemies in the upper echelons of power without regard for the laws of combat or the rule of law.

The Army Lawyer, 2014-04

Only the Dead Jack Carr, 2023-11-28 In 1980, a freshman congressman was gunned down in Rhode Island, sending shockwaves through Washington that are still reverberating over four decades later. Now, with the world on the brink of war and a weakened United States facing rampant inflation, political division, and shocking assassinations, a secret cabal of global elites is ready to assume control. And with the world's most dangerous man locked in solitary confinement, the conspirators believe the final obstacle to complete domination has been eliminated. They're wrong. From the firms of Wall Street to the corridors of power in Washington, DC, and Moscow, secrets from the past have the uncanny ability to rise to the surface in the present. With the odds stacked against him, James Reece is on a mission generations in the making. Unfortunately for his enemies, the former SEAL is not concerned with odds. He is on the warpath. And when James Reece picks up his tomahawk and sniper rifle, no one is out of range.

The Devil's Hand Jack Carr, 2023-02-07 It's been twenty years since 9/11. Two decades since the United States was attacked on home soil and embarked on twenty years of war. The enemy has been patient, learning, and adapting. And the enemy is ready to strike again. A new president offers hope to a country weary of conflict. He's a young, popular, self-made visionary...but he's also a man with a secret. Halfway across the globe a regional superpower struggles with sanctions imposed by the Great Satan and her European allies, a country whose ancient religion spawned a group of ruthless assassins. Faced with internal dissent and extrajudicial targeted killings by the United States and Israel, the Supreme Leader puts a plan in motion to defeat the most powerful nation on earth.--Publisher's description.

In the Blood Jack Carr, 2022-11-29 “Take my word for it, James Reece is one rowdy motherf***er. Get ready!” —Chris Pratt, star of the #1 Amazon Prime series *The Terminal List* The #1 New York Times bestselling *Terminal List* series continues as James Reece embarks on a global journey of vengeance. A woman boards a plane in the African country of Burkina Faso having just completed a targeted assassination for the state of Israel. Two minutes later, her plane is blown out of the sky. Over 6,000 miles away, former Navy SEAL James Reece watches the names and pictures of the victims on cable news. One face triggers a distant memory of a Mossad operative attached to the CIA years earlier in Iraq—a woman with ties to the intelligence services of two nations...a woman Reece thought he would never see again. Reece enlists friends new and old across the globe to track down her killer, unaware that he may be walking into a deadly trap.

All Out War Sean Parnell, 2019-09-03 “Eric Steele and author Sean Parnell are the real deal.”— Lee Child Special operative Eric Steele, introduced in *Man of War*, is on the hunt for a formidable Russian terrorist in this high-intensity tale of international intrigue from the author of the New York Times bestselling memoir *Outlaw Platoon*. Badly injured while stopping a rogue agent from obtaining weapons of mass destruction, elite warrior Eric Steele is drawn back into service before he’s ready when unknown assailants break into his home near Pittsburgh, injuring his mother and stealing his father’s pistol. An Alpha—an elite soldier under the direct command of the president of the United States—Steele is hell-bent on finding the attackers and bringing them to justice. While tracking his foe, Steele discovers he’s become entangled in a far more sinister plan that’s already been set in motion. A terrorist named Zakayev, once locked away in a maximum-security prison in Russia, has escaped and joined forces with Hassan Sitta, a man who’s shown his prowess and ingenuity with a spectacular bomb planted somewhere in the Middle East that hasn’t been ignited—and no one can find. But that is only the beginning of a horrifying plan that, if it succeeds, will shatter international alliances and bring the world to the brink of war. Now, the hunted must turn the tables on the hunter—Steele must find a way to stay alive and stop Zakayev before innocent lives are lost.

Man of War Sean Parnell, 2018-09-11 Fast, hard, and effortlessly authentic—both lead character Eric Steele and author Sean Parnell are the real deal.—Lee Child An exciting, action-packed debut! Bristling with intrigue, deceit, power, and treason—once you pick this book up, you will NOT be able to put it down. Sean Parnell has knocked it out of the park!—Brad Thor The New York Times bestselling author of *Outlaw Platoon* makes his fiction debut with this electrifying military thriller—a gripping tale of action, suspense, and international intrigue that introduces a compelling new hero, Eric Steele. Eric Steele is the best of the best—an Alpha—an elite clandestine operative assigned to a US intelligence unit known simply as the Program. A superbly trained Special Forces soldier who served several tours fighting radical Islamic militants in Afghanistan, Steele now operates under the radar, using a deadly combination of espionage and brute strength to root out his enemies and neutralize them. But when a man from Steele’s past attacks a military convoy and steals a nuclear weapon, Steele and his superiors at the White House are blindsided. Moving from Washington, DC, to the Middle East, Europe, and Africa, Steele must use his considerable skills to hunt this rogue agent, a former brother-in-arms who might have been a friend, and find the WMD before it can reach the United States—and the world is forever changed.

One True Patriot Sean Parnell, 2020-09-01 Special operative Eric Steele must stop a foreign assassin targeting top-tier U.S. military personnel and derail a strike aimed at the heart of America in this third electrifying military thriller from the New York Times bestselling author of *All Out War*, perfect for fans of Brad Thor, Vince Flynn, and Tom Clancy Two months after taking down terrorist Aleksandr Zakayev, Eric Steele is back in action. Though he is completing his Alpha assignments with the same deadly efficiency as always, he has lingering questions about his missing father—and his own future in the Program. When Steele gets the alert that a fellow Alpha is in serious trouble, he rushes to Paris—only to arrive too late. Jonathan Raines, Stalker Six, is dead, the victim of a brutal attack. While on leave in the City of Light, Raines had met an attractive art historian who lured him into a trap. Before she vanished, the mysterious woman left a warning for anyone from the Alpha program who might follow her. One of the best and most effective warriors in the top-secret Program, Steele has been trained to take on enemies, and no threat will deter him from avenging a fallen brother. But the killer won’t be easy to find. The search takes Steele around the world, from France, to the Adriatic coast of Italy, to the outskirts of Aleppo, Syria, and to a top-secret prison in Russia— where, unexpectedly, he finds more clues about his father—before finally taking him back to the streets of Washington, D.C. No one is safe while the killer is on the loose, and the danger is heightened when Steele discovers intel that killing Alphas is just the beginning of a larger, more nefarious plot. The real target is much, much

bigger—and it's up to Steele to prevent catastrophe before he becomes the next elite warrior to fall.

Army History, 2014

Left for Dead Sean Parnell, 2021-09-07 Special Operative Eric Steele battles a renegade group of bioterrorists armed with a devastating virus in the fourth pulse-pounding military thriller from the New York Times bestselling author of *Outlaw Platoon*. On a remote mountaintop in western China, Doctor Ai Liang is about to risk everything and defy the Chinese Communist Party. She and her team have created an extraordinary and terrifying new virus, even more deadly than COVID-19, one capable of killing someone in minutes. But her conscience tells her she must destroy the bioweapon before it can bring devastation to millions. And at the very minute she is about to explain her change of heart, she and her team are interrupted by a swarm of violent commandos who attack the lab, kill everyone in sight, and take off with the Gantu-62 virus. Meanwhile, Eric Steele is on a cleanup mission, about to exact revenge on the group responsible for killing numerous Alphas and forcing the Program to disband. When justice is served, Steele can turn his thoughts to other pressing matters—namely, his long-lost father and his estranged girlfriend, Meg Harden. But when news of CCP plans to attack U.S. forces reaches the United States, the president calls for the revival of the Program to counter this new threat. Steele is back in action, and he soon learns that the potential CCP move is related to a much more complex plot involving a fanatical Chinese imperialist group—and the stolen Gantu-62 bioweapon. It's up to Steele and his team to find out who is really behind the threat and to stop them before they can unleash the unprecedented strike that could ignite another world war.

A Chronology of Irish History Since 1500 J. E. Doherty, D. J. Hickey, 1990-04-26 *A Chronology of Irish History since 1500* is a valuable addition to reference publishing in Irish Studies. It offers both the scholar and the general reader a chronology of Irish history, social and economic life, and literary and artistic achievement from the beginning of the sixteenth century to the present day. The book is arranged on a year by year basis. Within each year, the significant events of Irish life are listed by date in chronological order. Thus the reader or researcher can learn at a glance that in 1866, the Habeas Corpus Act was suspended in Ireland on 17 February; that Archbishop Paul Cullen of Dublin was created the first Irish cardinal on 22 June; that on 27 July the first submarine cable link between Valentia Island, Co. Kerry and Trinity Bay, Newfoundland was completed; and that on 17 December James Stephens was deposed as head of the Fenian Brotherhood in the United States, to be succeeded by Colonel Thomas J. Kelly. All this information is, in turn, collated in the extensive index which enables the reader quickly to discover the correct reference point for a person or event even in circumstances where he or she is uncertain of the exact year in question. In the case of particularly dramatic years in Irish history, such as 1798 or 1916, the authors give an extended date-by-date account of the unfolding events. *A Chronology of Irish History since 1500* will become an essential reference tool for all who are concerned with Irish history, literature and culture.
