Moonwalk Michael Jackson, 2009-10-13 In this #1 New York Times bestseller, Michael Jackson tells the story of his life, in his words. In this intimate and often moving personal account of Michael Jackson's public and private life, he recalls a childhood that was both harsh and joyful but always formidable. Michael and his brothers played amateur music shows and seamy Chicago strip joints until Motown's corporate image makers turned the Jackson 5 into worldwide superstars. He talks about the happy prankster days of his youth, traveling with his brothers, and of his sometimes difficult relationships with his family over the years. He speaks candidly about the inspiration behind his music, his mesmerizing dance moves, and the compulsive drive to create that has made him one of the biggest stars in the music business and a legend in his own time.

Jackson also shares his personal feelings about some of his most public friends...friends like Diana Ross, Berry Gordy, Quincy Jones, Paul McCartney, Fred Astaire, Marlon Brando, and Katharine Hepburn. He talks openly about the crushing isolation of his fame, of his first love, of his plastic surgery, and of his wholly exceptional career and the often bizarre and unfair rumors that have surrounded it. Illustrated with rare photographs from Jackson family albums and Michael's personal photographic archives, as well as a drawing done by Michael exclusively for this book, *Moonwalk* is a memorable journey to the very heart and soul of a modern musical genius.

Case for Christ Student Ed Padded Lee Strobel, 2002-02-05 Who Was Jesus? A good man? A lunatic? God? There's little question that he actually lived. But miracles? Rising from the dead? Some of the stories you hear about him sound like just that--stories. A reasonable person would never believe them, let alone the claim that he's the only way to God! But a reasonable person would also make sure that he or she understood the facts before jumping to conclusions. That's why Lee Strobel--an award-winning legal journalist with a knack for asking tough questions--decided to investigate Jesus for himself. An atheist, Strobel felt certain his findings would bring Christianity's claims about Jesus tumbling down like a house of cards. He was in for the surprise of his life. Join him as he retraces his journey from skepticism to faith. You'll consult expert testimony as you sift through the truths that history, science, psychiatry, literature, and religion reveal. Like Strobel, you'll be amazed at the evidence--how much there is, how strong it is, and what it says. The facts are in. What will your verdict be in *The Case for Christ*?

It was a pretty radical idea—a channel for teenagers, showing nothing but music videos. It was such a radical idea that almost no one thought it would actually succeed, much less become a force in the worlds of music, television, film, fashion, sports, and even politics. But it did work. MTV became more than anyone had ever imagined. I Want My MTV tells the story of the first decade of MTV, the golden era when MTV's programming was all videos, all the time, and kids watched religiously to see their favorite bands, learn about new music, and have something to talk about at parties. From its start in 1981 with a small cache of videos by mostly unknown British new wave acts to the launch of the reality-television craze with The Real World in 1992, MTV grew into a tastemaker, a career maker, and a mammoth business. Featuring interviews with nearly four hundred artists, directors, VJs, and television and music executives, I Want My MTV is a testament to the channel that changed popular culture forever.

Michael Jackson and Women June Forester, 2018-07-13 Michael Jackson's sexuality has always been a controversial issue which often degenerated into a media spectacle, leaving hardly enough space for other aspects to exist. When he was

alive, he was considered either as an androgynous or an homosexual character who could not be attracted to women in any manner whatsoever. After his death, he became all at once a highly sexy heterosexual object, sometimes described as a womanizer : actresses, singers, supermodels, princesses or mere fans, all claimed that they shared intimate moments with the King of Pop. This book is an attempt to unravel the truth behind more than three decades of allegations. From his childhood to his death, he avoided doing things like anybody else and his relationships with women were not an exception to the rule. Both intricate and exciting, Michael Jackson's love life has something of an epic and often challenges the mere triviality of facts.

Conversations with Michael Jackson Susan Evermore, Ronald Ritter, 2018-11-11 Michael Jackson is undoubtedly one of the most recognizable and iconic figures of the twentieth century. A musical genius of song, sound and dance with each period of his life identifiable by its own creative ground breaking style. His influence as a cultural icon extended beyond the music and dance, he became part of what we identified as popular culture. Then came the public unwrapping of Michael Jackson the person, his obsession with his lost childhood, relationship and marriage to Lisa Marie Presley followed by his second marriage to Debbie Rowe. Accusations of child abuse and court cases came and went. His children were born and he began a slow retirement into an older Michael. However this was not to be the end of Michael's career as 2009 brought him a whole new possibility to rectify his financial decline, signing to perform fifty plus tour dates in England and Europe. Unexpectedly Michael died on 25th June 2009 aged fifty, three weeks prior to the commencement of his 'This Is It' tour in England and Europe. His personal physician Doctor Conrad Murray was unable to resuscitate him, eventually being charged and convicted of involuntary manslaughter, receiving the maximum prison sentence of four years. Michael will

undoubtedly be remembered as the greatest entertainer in the history of popular music eclipsing all the legends such as Elvis Presley, The Rolling Stones and those before him. So much has been written about Michael's life that most of the facts are available to view, what remains are the unanswered questions to his life. Who killed Michael Jackson? Who are the real mother and father of Michael's children? We will give you all the answers from the source, Michael Jackson. How is that possible you may ask, let me introduce you to Sussan Evermore a gifted audio and visual channeler. What is a channeler? It is the ability to connect to someone that has passed over and left their physical existence. The non-physical entity will speak through the voice of Sussan as themselves using her library of words to express themselves. In the case of Michael Jackson he comes through clearly as himself, his voice and emotions are his own and it was clear from the beginning who we were speaking to. Prior to the channelling we had very little knowledge of Michael's world, however as the sessions progressed further, we learnt more about the man than has been documented. We found these sessions incredibly honest. To fully comprehend channeling, is to understand that it is the ability of a person (the host/Sussan) to allow a non-physical entity to come through, in this case Michael Jackson to use the host's vocabulary and emotions to express themselves. This is different to a medium, such as John Edwards who by audio and visual emotional queues passes messages on from ones that have passed over. To explain further what is happening is to understand universal law. Once we have passed from our physical life on earth, our existence is stored away in what you may call a universal filing system, where each life can be called up and accessed and then returned to its folder. Remarkably each life we access is interactive and we can converse and even discuss subjects in the future as well as the past, it is a remarkable process truly beyond our full comprehension. So we began our conversations with Michael Jackson. We discussed everything with Michael, his passing and who was responsible. His well-known friendships within Hollywood and family members. Then we worked our way to his children's biological father and mother and we found his response direct and honest. The answers are from Michael's own words, we have only slightly corrected sentences here and there to make easier to
