Tired of Winning Jonathan Karl, 2023-11-14 THE INSTANT NEW YORK TIMES BESTSELLER A New York Times Book Review Editors' Choice One of 62 Books 'The Ezra Klein Show' Guests Recommended This Year, The New York Times Featured in Vanity Fair's Books to Read in November One of the Associated Press' Most Anticipated Books of the Fall The most important thing that has been written to date about what is in front of the American people in the next presidential election. —Nicolle Wallace An extraordinary view into the politics of our times, *Tired of Winning* explores how Donald Trump remade the Republican Party in his own image—and the wreckage he's left in his wake. Packed with new reporting, *Tired of Winning: Donald Trump and the End of the Grand Old Party* tracks Trump's improbable journey from disgraced and defeated former president to the dominant force, yet again, in the Republican Party. From his exile in Mar-a-Lago, Donald Trump has become more extreme, vengeful, and divorced from reality than he was on January 6, 2021. His meddling damaged the GOP's electoral prospects and his legal troubles were mounting. Yet he re-emerged as the frontrunner for the 2024 Republican presidential nomination, and the president-elect. Jonathan Karl has known Donald Trump since his days as a New York Post reporter in the 1990s, and he covered every day of Trump's administration as ABC News's chief White House correspondent. No one is in a better position to detail the former president's quest for retribution and provide a glimpse at what the GOP signed up for by once again choosing him as its standard bearer. In 1964, Ronald Reagan told Americans it was "a time for choosing." Sixty years later, Republicans have their own choice to make: Are they tired of winning?

Summary of Jonathan Karl's *Tired of Winning* Milkyway Media, 2024-02-04 Buy now to get the main key ideas from Jonathan Karl's *Tired of Winning* As Donald Trump faces mounting legal troubles and diminishing influence within the GOP, he remains the frontrunner for the 2024 Republican presidential nomination. In *Tired of Winning* (2023), journalist Jonathan Karl provides an in-depth look at Trump's presidency and his 2024 presidential campaign. Examining Trump's leadership failures during the Capitol riot, his strained relationships with his staff, and his continued belief in election fraud conspiracies, Karl gives the GOP a preview of what they might be getting into if they choose Trump again.

Retribution Jonathan Karl, 2025-10-28 THE INSTANT NEW YORK TIMES BESTSELLER The must-read new book from Jonathan Karl, the author of New York Times bestsellers *Tired of Winning*, *Betrayal*, and *Front Row at the Trump Show* In *Retribution*, Jonathan Karl's unparalleled access brings us behind closed doors deep inside the White House and presidential

campaigns, revealing the extraordinary moments that ended one man's presidency and brought another back to power. This is a story of unprecedented political plot twists, showing what happened behind the scenes as political fortunes fell and rose again, and as a new team coalesced around President Trump with the goal of creating an entirely new world order. From President Biden's shocking withdrawal and Vice President Harris's historic run, to the multiple assassination attempts on President Trump, his election, and the changes he has brought to every corner of the country, this book reveals in surprising new detail how we got here, and what we can expect from American politics in the years to come.

The Trajectory of Trumpism Sanford F. Schram, Professor of Political Science and Professor of Sociology Hunter College and CUNY Graduate Center Sanford F Schram, 2025-10-29 This book examines the ways Trump and his allies talk so as to normalize their extremism. Trumpism as a discourse operates on two levels where first there are extremist statements, such lies, misinformation, and conspiracy theories that are deployed to demonize enemies, and then on a second level those extremist statements get recharacterized to minimize their outrageousness and thereby work to normalize and even legitimate them.

US Political Ritual and the Covid Pandemic Tammy R. Vigil, 2024-12-15 US Political Ritual and the Covid Pandemic: The 2020 Democratic and Republican Conventions illustrates the importance of the national nominating convention, both as an ongoing custom that speaks to the unique political structure of the nation and as a source of valuable information that goes well beyond the explicit purposes conceptualized by the parties. In this book, Tammy Vigil specifically interrogates the 2020 nominating programs of the two major U.S. political parties by exploring the decisions Democratic and Republican leaders made regarding the use of technology, inclusion of participants, and construction of messaging during a campaign season altered by the Covid-19 pandemic. Each party had the opportunity to adapt to the constraints of the moment, rethink established practices, and present a vision of the nation that would attract and motivate voters. Vigil delineates the similarities and differences between the Democratic and Republican conventions and demonstrates how the events presaged many aspects of the general election and transition of power that followed.

War Bob Woodward, 2025-10-07 Instant #1 New York Times Bestseller Two-time Pulitzer Prize winner Bob Woodward delivers an eye-opening, behind-the-scenes narrative exploring the intricate dynamics of Ukraine, the Middle East, and the American presidency, offering unparalleled insights into political intrigue and global strategy from one of the most authoritative voices in political journalism today. War is a "harrowing, riveting" (The New York Times) account of one of the most tumultuous periods in presidential politics in American history. We see President Joe Biden and his top advisers in tense conversations with Russian president Vladimir Putin, Israeli prime minister Benjamin Netanyahu, and Ukrainian president Volodymyr Zelensky. We also see Donald Trump conducting a shadow presidency and seeking to regain political power ahead of the 2024 elections. With unrivaled, inside-the-room reporting, Woodward shows President Biden's approach to managing

the war in Ukraine, the most significant land war in Europe since World War II, and his tortured path to contain the bloody Middle East conflict between Israel and the terrorist groups Hamas and Hezbollah. Woodward reveals the extraordinary complexity and consequence of wartime back-channel diplomacy and decision-making to deter the use of nuclear weapons and a rapid slide into World War III. The raw cage-fight of politics accelerates leading up to the presidential election in 2024, starting between President Biden and Trump, and ending with the unexpected elevation of Vice President Kamala Harris as the Democratic nominee for president. War provides an unvarnished examination of the vice president as she tries to embrace the Biden legacy and policies while beginning to chart a path of her own as a presidential candidate. Woodward's reporting once again sets the standard for journalism at its most authoritative and illuminating.
