Sample Book Insights: #1 The power of stories cannot be understated. They are uniquely powerful, and they can be used to connect with others and make a difference. #2 We are constantly surrounded by stories. When someone says they're going to tell us a story, we expect it to follow a familiar pattern: setup, climax, and resolution. When it doesn't, we are left dissatisfied. #3 The brain finds little distinction between stories and experiences, and this is what makes stories so powerful. They sweep us up and involve us in multiple important ways. #4 The candy company I worked with wanted to demonstrate their commitment to quality, so they created a video crew and went looking for stories. Resistance and Abolition in the Borderlands Arturo J. Aldama, Jessica Ordaz, 2024-03-12 While there is a long history of state violence toward immigrants in the United States, the essayists in this interdisciplinary collection tackle head-on the impacts of the Trump administration. This volume provides a well-argued look at the Trump era. Insightful contributions delve into the impact of Donald Trump's rhetoric and policies on migrants detained and returned, immigrant children

separated from their parents and placed in detention centers, and migrant women subjected to sexual and reproductive abuses, among other timely topics. The chapter authors document a long list in what the book calls “Trump’s Reign of Terror.” Organized thematically, the book has four sections: The first gathers histories about the Trump years’ roots in a longer history of anti-migration; the second includes essays on artistic and activist responses on the border during the Trump years; the third critiques the normalization of Trump’s rhetoric and actions in popular media and culture; and the fourth envisions the future. *Resistance and Abolition in the Borderlands* is an essential reader for those wishing to understand the extent of the damage caused by the Trump era and its impact on Latinx people. Turning the Page David R. Coon, 2018-07-11 First runner-up for the 2019 John Leo and Dana Heller Award from the Popular Culture Association Surprisingly, Hollywood is still clumsily grappling with its representation of sexual minorities, and LGBTQ filmmakers struggle to find a place in the mainstream movie industry. However, organizations outside the mainstream are making a difference, helping to produce and distribute authentic stories that are both by and for LGBTQ people. *Turning the Page* introduces readers to three nonprofit organizations that, in very different ways, have each positively transformed the queer media landscape. David R. Coon takes readers inside *In the Life Media*, whose groundbreaking documentaries on the LGBTQ experience aired for over twenty years on public television stations nationwide. Coon reveals the successes of *POWER UP*, a nonprofit production company dedicated to mentoring filmmakers who can turn queer stories into fully realized features and short films. Finally, he turns to *Three Dollar Bill Cinema*, an organization whose film festivals help queer media find an audience and whose filmmaking camps for LGBTQ youth are nurturing the next generation of queer cinema. Combining a close analysis of specific films and video programs with extensive interviews of industry professionals, *Turning the Page* demonstrates how queer storytelling in visual media has the potential to empower individuals, strengthen communities, and motivate social justice activism.
