Tip the Bartender Anthony Vano,2019 My name is Anthony Vano and I recently retired as a bartender. 'Tip the Bartender' is a collection of anecdotes, stories and conversations collected during my twenty years of slinging drinks from behind a bar. My favorite part of bartending is that it offers countless opportunities for amazing conversations with guests and fellow bartenders alike. Everybody has a story to tell or a confession to make. An exciting achievement. A haunting regret. A record to set straight. A powerful aha moment or lesson learned-wisdom that simply must be shared. Some of the most real, vulnerable and life-changing conversations I've participated in or witnessed have taken place while I was behind the bar. There's something special about the guest-bartender relationship-it's perhaps akin to doctor-patient confidentiality or attorney-client privilege. Night after night, guests from all walks of life inevitably bare their souls, confiding their deepest secrets and innermost feelings to the man or woman serving drinks behind the bar. I'm honored to have had so many confide in me over the years, and allow me to speak into their lives. My years as a bartender were truly unforgettable. Here's a tip: As you approach this book, think of yourself as the bartender, and me as your guest. I've just slipped onto the barstool and ordered my first drink. And now I'm about to open my heart and share with you some of my favorite memories. Relax and enjoy; the next few rounds are on me. Cheers!

Cosmopolitan Toby Cecchini,2004-09-14 *Cosmopolitan* is a memoir of the bartending life structured as a day in the life of Passerby, the bar owned and run by Toby Cecchini. It is, as well, a rich study of human nature—of the outlandish behavior of the human animal under the influence of alcohol, of lust, and of the sheer desire to bust loose and party. As the typical day progresses, Cecchini muses over a life spent in the service industry and the fascinating particulars of his chosen profession. He is by turns witty, acute, mordant, and lyrical in dealing with the realities of his profession, shedding plenty of light on the hidden corners of what people do when they go out at night.

Unvarnished Eric Alperin,Deborah Stoll,2020-06-23 A Kitchen Confidential for the cocktail profession, *Unvarnished* is a

fly-on-the-wall narrative peek at the joys, pains, and peculiarities of life behind the stick. When it opened a decade ago, the acclaimed Los Angeles speakeasy The Varnish--owned, designed, and managed by award-winning cocktail aficionado Eric Alperin--quickly became the stylish standard bearer for modern bars. Unvarnished is a candid, voice-driven, no-holds-barred look at the workings of a bar, and the foundation of The Varnish's success: attention to hospitality and an abiding belief in the nobility of service. Alperin and veteran bartender and writer Deborah Stoll push back against the prevailing conceit that working in the service industry is something people do because they failed at another career. They offer fascinating meditations on ice as the bartender's flame; the good, the bad, and the sad parts of vice; one's duty to their community as a local; the obsessive, compulsive deliberations of building a bar (size matters); lessons from Sasha Petraske--Eric's late partner, mentor, and the forefather of the modern day classic cocktail renaissance--and the top ten reasons not to date a bartender. At the book's center are the 100 recipes a young Jedi bartender must know before their first shift at The Varnish, along with examples of building drinks by the round, how to Mr. Potato Head cocktails, and what questions to ask when crafting a Bartender's Choice. A sexy, gritty, honest look at the glamour-less work of a glamorous job, written with the intimate honesty of The Tender Bar, the debauched inside view of Kitchen Confidential, and the social commentary of Waiter Rant, Unvarnished will take its place among these classics of the service set.

Bullet Proof Bartending Series EP 1 William Bentley, 2018-09-05 The amount of times I've sat at a bar and watched bartenders make drinks in a linear format, as in one drink at a time, then I watch that drink go flat, warm up or dilute itself as the ice melts whilst they are making the second drink on the ticket. Or even worse I see drinks arrive at the table at different times. This is just painful to watch as you are making an easy shift a lot more difficult, stressful and slowing down service for the customer and service staff. Let alone making low quality drinks. I've seen a group of customers finish their first drink handed over to them whilst the last few people of the group is waiting for their cocktail. Now the group that is drinking have had all their drinks arrive at different times, it now means they are not drinking as a group. The drinks should arrive all together at the same time, with the correct amount of dilution, temperature and detail to preparation. Ensuring the group can drink together and order together equalling in a good consumer experience (Whether the customer knows it or not). This is your job as a bartender to hone this skill of building a round. Eventually you will be able to build 3 or more customers rounds / tickets at once. This will not only maximise service and monies in the till, but also relieve tension and stress within the fundamentals of service for yourself and your colleagues and working towards a fantastic customer experience. Everything you do and how you do it will have a knock on effect to your colleagues shift experience. You've heard sayings such as; one team, one dream, or Team work makes the dream work, as cliché as they sound it has never been so

true in the hospitality industry. With round building, this is one hard skill that any one can learn that will raise your bar game and should be a skill set that every bartender should recognise and be applying to daily service.
