Young readers will enjoy following the story of the four little characters, Sniff, Scurry, Hem and Haw, who make their way through a maze looking for the Magical Cheese that makes them happy. And once they find the Cheese, it seems like it will last forever-until one morning when everything changes. Who moved their Cheese? Will it come back? Or will they have to look for different Cheese, venturing onto strange paths, around corners they've never explored? As children follow these friends through the maze of change, they can try to figure out which character they're most like-or which they most admire-and what their own Magical Cheese might be.
