**Nate Damm**

**A Walk Across America** Peter Jenkins, 1982 This book chronicles the author's journey with his dog from New York to the Gulf of Mexico.

*A Walk Across America* Peter Jenkins, 2001-09-18 Twenty-five years ago, a disillusioned young man set out on a walk across America. This is the book he wrote about that journey -- a classic account of the reawakening of his faith in himself and his country. I started out searching for myself and my country, Peter Jenkins writes, and found both. In this timeless classic, Jenkins describes how disillusionment with society in the 1970s drove him out onto the road on a walk across America. His experiences remain as sharp and telling today as they were twenty-five years ago -- from the timeless secrets of life, learned from a mountain-dwelling hermit, to the stir he caused by staying with a black family in North Carolina, to his hours of intense labor in Southern mills. Many, many miles later, he learned lessons about his country and himself that resonate to this day -- and will inspire a new generation to get out, hit the road and explore.

**A Walk Across America** Peter Jenkins, 1981-04 Reading Jenkins' book is the next best thing to having actually walked along beside him. Associated Press With his own feelings echoing the disillusionment of his whole generation, Peter Jenkins set out with his dog Cooper to walk across America and find out what his country was really about. Along the way, Jenkins'

faith and pride in his country -- and himself -- were tested and ultimately restored. Yours will be too as you read his amazing story.

**A Walk Across America** Peter Jenkins, National Geographic Society (U.S.), 1979 From New Orleans newlyweds Peter and Barbara set out on a two-and-one-half year walk through Texas, New Mexico, Colorado, Utah, Idaho, and to the Oregon coast.

**A Walk Across Texas** Jon McConal, 2008 Part travelogue, part natural history, and part documentary, A Walk across Texas is the record of three friends' journey from the Panhandle to Granbury--a 450-mile walk across West Texas. Jon McConal and his two friends, Eddie Lane and Norm Snyder, hiked for twenty-eight days through the less traveled byways of the Texas outlands, and in the process they encountered a world that is now as foreign to most Americans as the Taj Mahal. Researching places they wanted to see in advance, the trio selected a route that crossed as many creeks and rivers as possible and offered amenable campsites. Not young men, McConal, Lane, and Snyder conquered the harsh environment of West Texas, dealing with blisters and backaches, severe weather and low blood sugar while still remaining friends. Along the way they met unique local characters and visited out-of-the-ordinary sites. With his seasoned journalist's eye, McConal blends personal interviews and keen descriptions of the countryside they trekked. As he spins the narrative of their journey, local legends, histories, flora, and fauna unfold.

**Walking Across America** Jim Buckley, Glenda Buckley, 2015-10-21

**Life on Foot** Nate Damm, 2014-02-28 On February 26, 2011, Nate Damm stood barefoot in the Atlantic Ocean on the Delaware coast, then put his shoes on and started walking west. Over 3,200 miles passed under his feet over the following seven-and-a-half months, and he found himself in San Francisco, having walked across America. This is the story of what drove Nate to hit the road and what he found once he got there. Featuring a cast of quirky, wild, and endearing characters, this is a story of heartbreak, redemption, random acts of kindness, blisters, idiotic drivers, no less than one bear attack, small towns, sanity lost somewhere in the desert, love, and what it takes to find peace and happiness at three miles per hour.

**Washington Schlepped Here** Christopher Buckley, 2007-12-18 The father of our country slept with Martha, but schlepped in the District. Now in the great man's footsteps comes humorist and twenty-year Washington resident Christopher Buckley with the real story of the city's founding. Well, not really. We're just trying to get you to buy the book. But we can say with justification that there's never been a more enjoyable, funny, and informative tour guide to the city than Buckley. His delight as he points out things of interest is contagious, and his frequent digressions about his own adventures

as a White House staffer are often hilarious. In *Washington Schlepped Here*, Buckley takes us along for several walks around the town and shares with us a bit of his “other” Washington. They include “Dante’s Paradiso” (Union Station); the “Zero Milestone of American democracy” (the U.S. Capitol); the “Almost Pink House” (the White House); and many other historical (and often hysterical) journeys. Buckley is the sort of wonderful guide who pries loose the abalone-like clichés that cling to a place as mythic as D.C. Wonderfully insightful and eminently practical, *Washington Schlepped Here* shows us that even a city whose chief industry is government bureaucracy is a lot funnier and more surprising than its media-ready image might let on. From the Hardcover edition.

**Forge?** Robert Bonora, 2021-04-20 Join Rob and Anthony, two college graduates on their walk across the United States in the summer of 2010. It is filled with doubt, humor, perseverance, and a hungry curiosity for self-discovery. Their four month journey took them from San Diego, California, to their hometown of Nutley, New Jersey. This is a story of charity, but more importantly, a story of friendship, family, and the kindness of strangers. They battle extreme weather, excruciating pain, and utter unpreparedness as they navigate their way home. Their ultimate triumph was due to their personal resolves. This is an entertaining book from start to finish with characters and a story we can all get behind.

**Homeless Across America** Kevin E. Lake, 2008-04-29 *Homeless Across America* is the story of a man who went from being a successful stock broker and family man to being a homeless vagabond, traveling around the country and living out of the back of his truck. Lake's journey took him to the homes of some of our greatest Presidents such as George Washington, Abraham Lincoln and Harry Truman. He walked the fields of several decisive battles that occurred on our nation's soil such as the Battle of New Orleans and the fight at the Alamo. He traveled much of the very coarse that the Lewis and Clark expedition had traveled more than two hundred years ago while mapping out our nation. Lake's travels and the experiences they provided for him played a bigger part in his personal life as well. They helped him overcome many of the negative feelings he had about his own personal circumstances by causing him to realize that practically anyone who had ever lived as opposed to simply exist had gone through some sort of turmoil in their past but had made it through to go on to see brighter days.

*Water Walk America* Angel Hinman, 2012-11 Have you ever thought, “I can’t sit around and watch this horrible thing happen?” Did you get up, go out, and try to make a difference? This is the true tale of one family’s leap of faith to pursue God’s calling and walk across America, in order to bring attention to the global clean water crisis. When the Hinman family discovered that children as young as four are walking long distances each day to fetch water that can be dirty and dangerous, they set off on this hilarious journey in the hopes of changing the future of some of the water walkers across the globe. Along the way, they encountered a nation’s worth of generous individuals as they endured the hardships of living out of their SUV, the elements, and sacrificial living. Join the Hinmans in this walk to discover what it means to be patriotic,

experience God's enduring love and provision, and learn about the difference one person can make in the lives of others. The author of this book has pledged all personal royalties to benefit the clean water crisis. For more information, please visit [waterwalkamerica.com](http://waterwalkamerica.com)

*Looking for Alaska* Peter Jenkins, 2025-05-21 The national bestseller: Destined for greatness . . . By the end, the reader is flying through the book like a bush plane through the Alaskan interior. — The Columbus Dispatch The author of *A Walk Across America*, Peter Jenkins, is now a bit older than he was in that memoir, married with a family, and his journeys are different than they were. Perhaps he is looking for adventure, perhaps inspiration, perhaps new communities, perhaps unspoiled land. Certainly, he found all of this and more in Alaska, America's last wilderness. *Looking for Alaska* is Peter's account of eighteen months spent traveling over twenty thousand miles in tiny bush planes, on snow machines and snowshoes, in fishing boats and kayaks, on the Alaska Marine Highway and the Haul Road, searching for what defines Alaska. Hearing the amazing stories of many real Alaskans—from Barrow to Craig, Seward to Deering, and everywhere in between—Peter gets to know this place in the way that only he can. His resulting portrait is a rare and unforgettable depiction of a dangerous and beautiful land and all the people who call it home. He also took his wife and eight-year-old daughter with him, settling into a home base in Seward on the Kenai Peninsula, coming and going from there, and hosting the rest of their family for extended visits. The way his family lived, how they made Alaska their home and even participated in Peter's explorations, is as much a part of this story as Peter's own travels. All in all, Jenkins delivers a warm, funny, awe-inspiring, and memorable diary of discovery—both of this place that captures all of our imaginations, and of himself, all over again.
