## Delia Ephron

**Left on Tenth** Delia Ephron, 2022-04-12 The bestselling, beloved writer of romantic comedies like *You've Got Mail* tells her own late-in-life love story in her resplendent memoir, complete with a tragic second act and joyous resolution (Adriana Trigiani, bestselling author of *The Good Left Undone*). Delia Ephron had struggled through several years of heartbreak. She'd lost her sister, Nora, and then her husband, Jerry, both to cancer. Several months after Jerry's death, she decided to make one small change in her life—she shut down his landline, which crashed her internet. She ended up in Verizon hell. She channeled her grief the best way she knew: by writing a New York Times op-ed. The piece caught the attention of Peter, a Bay Area psychiatrist, who emailed her to commiserate. Recently widowed himself, he reminded her that they had shared a few dates fifty-four years before, set up by Nora. Delia did not remember him, but after several weeks of exchanging emails and sixties folk songs, he flew east to see her. They were crazy, utterly, in love. But this was not a rom-com: four months later she was diagnosed with AML, a fierce leukemia. In *Left on Tenth*, Delia Ephron enchants as she seesaws us between tears and laughter, navigating the suicidal lows of enduring cutting-edge treatment and the giddy highs of a second chance at love. With Peter and her close girlfriends by her side, with startling clarity, warmth, and honesty about facing death, Ephron invites us to join her team of warriors and become believers ourselves. **Sister Mother Husband Dog** Delia Ephron, 2013-09-17 Bestselling author Delia Ephron shares a deeply personal collection of stories and essays, anchored by a loving remembrance of her sister Nora. In *Sister Mother Husband Dog*, Delia Ephron brings her trademark wit and effervescent prose to a series of autobiographical essays about life, love, sisterhood, movies, and family. In “Losing Nora,” she deftly captures the rivalry, mutual respect, and intimacy that made up her relationship with her older sister and frequent writing companion. Other essays run the gamut from a humorous piece about love and the movies—how one romantic comedy completely destroyed her twenties—to the joy of girl friends and best friendship, the magical madness and miracle of dogs, keen-eyed observations about urban survival, and a serious and affecting memoir of life with her mother and growing up the child of alcoholics. Ephron's eloquent style and voice illuminate every page of this superb and singular work.

**The Lion Is In** Delia Ephron, 2012-03-29 One of the sharpest observers of human behavior around.—Booklist (starred

review) BY THE NEW YORK TIMES BESTSELLING AUTHOR OF SIRACUSA, coming in trade paperback on June 6, 2017! Tracee is a runaway bride and kleptomaniac. Lana's an audacious beauty, a recovering alcoholic. Rita is a holy-roller minister's wife, desperate to escape her marriage. One warm summer's night, these three women go on the lam together. Their car breaks down on a rural highway in North Carolina and they're forced to seek shelter in a seemingly abandoned nightclub. Which is where they meet Marcel. And soon everything changes. Marcel, you see, is a lion. Written with the deftness, humor, and sparkling wit that mark her books, plays, and movies, Delia Ephron's *The Lion Is In* is an unforgettable story of friendship, courage, love—and learning to salsa with the king of the jungle.

**Hanging Up** Delia Ephron, 2000 Destined for a Christmas film release from Columbia Pictures, this heartfelt novel by the co-screenwriter of *Sleepless in Seattle* is about a woman trying to keep her life and her loose-cannon family in order. **Women Screenwriters** Jill Neldes, Jule Selbo, 2015-09-29 *Women Screenwriters* is a study of more than 300 female writers from 60 nations, from the first film scenarios produced in 1986 to the present day. Divided into six sections by continent, the entries give an overview of the history of women screenwriters in each country, as well as individual biographies of its most influential.

**Reel Women** Jane Sloan, 2007-03-26 In the last several decades, the number of films featuring female protagonists has increased significantly. Many of these films reflect the vast cultural and sociological changes that have taken place since the early 1960s, highlighting not only a wide spectrum of female characters depicted onscreen, but the creative work of women behind the camera as well. In *Reel Women: An International Directory of Contemporary Feature Films about Women*, media librarian Jane Sloan has assembled an impressive list of more than 2400 films \_from nearly 100 countries\_ that feature female protagonists. Each entry includes a brief description of the film and cites key artistic personnel, particularly female directors, producers, and screenwriters involved in its production. *Reel Women* also contains a critical survey in which Sloan charts the changes women have undergone both on screen and off, as moviemaking and audience sensibilities have evolved in the last

forty-plus years. Listing many more films on the subject of women than can be found in any other source, this reference brings together important titles from area studies and genre markets along with titles associated with women's cinema and feminist film. In addition to title and actor indexes, the book contains a subject index that provides detailed access to place names, historical characters, time periods, and storylines, as well as the backgrounds\_religious, racial, and ethnic\_of the main characters. This directory is an ideal reference tool for researchers studying the evolution of female characters in films around the world, from Afghanistan to Zimbabwe. It is also a resource for casual viewers who are looking for films that reflect the diversity of women's roles that can be found in independent and national cinemas as well as commercial blockbusters.

**Food in the Movies, 2d ed.** Steve Zimmerman, 2010-07-28 Although food has been part of motion pictures since the silent era, for the most part it has been treated with about as much respect as movie extras: it's always been there on the screen but seldom noticed. For the most part filmmakers have settled on three basic ways to treat food: as a prop in which the food is usually obscured from sight or ignored by the actors; as a transition device to compress time and help advance the plot; as a symbol or metaphor, or in some other meaningful way, to make a dramatic point or to reveal an aspect of an actor's character, mood or thought process. This hugely expanded and revised edition details 400 food scenes, in addition to the 400 films reviewed for the first edition, and an introduction tracing the technical, artistic and cultural forces that contributed to the emergence of food films as a new genre--originated by such films as Tampopo, Babette's Feast and more recently by films like Mostly Martha, No Reservations and Ratatouille. A filmography is included as an appendix.
