Charles Haddon Chambers

Three Keys to Self-Understanding Pat Wyman, 2001 Self-discovery can be an elusive process. Some people never fully express their true personalities because of obstacles from the past. Others float through life with a set of defense mechanisms that seem adequate until something happens to shake that pattern. In her groundbreaking work, Pat Wyman combines three psychological techniques to create a successful method of personal integration. The foundation of the work is a comparative exploration of how the MBTI? instrument, the Enneagram, and Inner-Child Healing can assist in self-discovery. In the end, it is a strikingly honest and poignant study of how a remarkable group of people dealt with tragedy and abuse, and how they achieved healing through intense introspection and the use of these three modalities. Courageous clients share their stories, poems, artwork, and letters, which are interwoven throughout the author's in-depth explanation of how to guide client's through this process.

Raging Heart: The Intimate Story of the Tragic Marriage of O.J. and Nicole Brown Simpson Sheila Weller, 2016-03-04

Raging Heart is so revealing that the book itself became part of the actual O.J. Simpson murder trial. It is the only book to trace the path of O.J. and Nicole's fatal love story through the eyes of the people who really knew them. Acclaimed journalist Sheila Weller gained the unprecedented cooperation of Nicole Brown Simpson's family, and had exclusive access to O.J. and Nicole's friends who reveal private information here for the first time. Though the story that unfolds in Raging Heart was never fully explored in court, the revelations from its incisive reporting sent shock waves through the trial. Raging Heart is full of explosive information from people who knew, but couldn't—or wouldn't—tell their stories on the witness stand. As vivid as a home movie, Raging Heart is an explicit, heartrending look behind the verdict of the century—and the one book the O.J. Simpson jurors would be astonished to read.
